PROCEEDINGS

NEW SOUTH RIVER BAPTIST ASSOCIATION

48th ANNUAL SESSION

WALSTONE MEMORIAL BAPTIST CHURCH

WEDNESDAY, October 20, 1971
(First Day)

THEME

"Living The Spirit of Christ in Expectancy and Creactivity"

1. A period of worship opened with the congregational singing of, "To God Be The Glory", as led by Mrs. James H. Taylor, Jr. Prayer was rendered by Dr. F. Russell Bennett, Jr., after which he presented the Morning Devotion, taken from Scriptures in John, Matthew, Mark, Romans and Galations, with particular reference to the words of Jesus, "I am come that they might have life and that they might have it more abundantly." He compared the relationship of a person to Jesus Christ with the relationship of a Mother and Father to their children.

2. The 48th Annual Session was then called to order by Rev. W.H. Calcutt, Moderator. He called upon Rev. Harold Smith, Clerk, to submit a report of attendance. Motion was made that the 149 messengers, 24 visitors, and all who registered later in the date, constitute the body to ransact the business of the 48th Annual Session. Motion was seconded by Dr. James C. Cammack and, upon vote, passed.

3. Announcement was made by the Moderator that Dr. James Cammack would take the place of Rev. John Glenn (Chairman of the Order of Business Committee) in making a motion that this program constitute the Order of Business for this particular Session.

4. The Moderator called for a raise of hands from representatives of the Baptist State Convention, Baptist Colleges, Children's Homes, etc. There were none.

5. Rev. Charles A. Stevens, Associational Missionary, recognized new pastors and staff members. Included were: Rev. Melvyn Curlee (Pastor of Temple); Rev. Mack Roberts (Pastor of Pleasant Grove); Rev. Virgil Wilson (Pastor of Stedman); Rev. Gerald Rhyne (Pastor of Lebanon) and Warren Mallard (Director of Education and Interim Minister of Music at Eutaw Heights).

6. Rev. W.H. Calcutt stated that one of his duties as Moderator was to present the appointment of Committees which, this year, are: Enrollment Committee: Janice Helms, Dora Osborne, Iris Norden (Faymont); Anna Maria Bridges, Patty Courtney, Billy Crooker, Betsy Delaby, Miriam Graham, Jill Graham (Walstone). Place & Preacher Committee: Harold Bridges - Chairman, Edward Rogers, E.C. Chamblee, Gibson Lockerman, Clarence Hopkins. Committee on Committees: Juanita Heath, E.C. Chamblee, Harold Kistler, A.C. Hughes (to fill unexpired term of Fritz Young).

7. Rev. G.N. Ashley, Chairman of the Constitutional Committee. He reported that he felt the Association took a giant step, two years ago, in voting to pursue and implement new avenues for the Association, and incoroorate all into the Constitution and By-Laws. He stated that this was a big job and, although progress had been made, there was still much to be accomplished. Rev. Ashley continued, "Our Committee will

continue to work with certain aspects of our work and present this to you at the Annual Meetings, to let you know what we are doing This expansion did not exceed any of the description we had in the Constitution. What we want to do is to act wisely and constructively - study this for action tomorrow. Our Committee will be open for any help - to bring our Constitution in line with what we want for our Association. I make a Motion that these changes be adopted tomorrow." The Moderator stated that this Motion would require a second and that it would be voted upon, at the second Session, scheduled for Thursday, at Walstone.

8. Rev. Jeff Roberts, Chairman of the Long Range Planning Committee, reported that this Committee had been forced to take emergency action in locating new office facilities, due to the fact that the Olive Building was being replaced by the new Wachovia Bank Building. He then told about the new facilities on the Upper Level of the Mall, at Bordezux Shopping Center. Russell Davenport, Chairman of the Sub-Committee (of the Long-Range Planning Committee), gave a complete report of investigation into the possibility of the Association constructing office facilities on the Powell Property, after which there was a clear understanding as to why this property had not been - and would not be - utilized for this purpose. W.H. Calcutt, Moderator, called for a vote on the recommendation that the Powell Property be developed for use as a Christian Park, to be used by the Churches in our Association, and that a Committee be appointed to plan toward this end. Motion was seconded and carried. Jeff Roberts then made a Motion that the Association continue to lease or rent -office facilities, adding that - although current facilities are on an Annual Lease basis, we have the right of renewal at the end of the year - every year for a period of four years, with no increase in the rate. Motion was seconded by Russell Davenport and carried with no opposition. Jeff Roberts expressed his personal appreciation to members of the Associational staff, for having worked under trying conditions during the first few weeks in the new location (which was not yet complete).

9. Rev. James I. Murphy, Chairman of the Christian Social Ministries Committee, recommended that the New South River Baptist Association accept the responsibility for operating "The Corner", in accordance with the outline prepared by the laymen having served (in an unofficial capacity) as operators of "The Corner". He asked that everyone study carefully the printed recommendation and report, a copy of which had been distributed to all, and be prepared to vote at Thursday's Session.

10. W.H. Ledbetter, Chairman of the Finance Committee, stated that the Proposed Budget for 1971-72 would be voted on at the Thursday evening Session. He pointed out that only a few changes had been made in the overall Budget and directed attention to Page 37 of the Book of Advance Reports and discussed the changes. He said that a lot of things had been planned for the future of the Association and asked that everyone pray about this matter and go back to their churches and pray that each church might add one percent to their current Associational Gift. Motion was made by W.H. Ledbetter and seconded by Jeff Roberts that this Budget be accepted for vote and adoption at the Thursday evening Session.

11. At 10:50 A.M. Harold Smith, Clerk, reported that the latest figure of those registered for this Session, reflected 224 messengers and 51 visitors.

12. Rev. Talmadge Infinger, Chairman of the Membership Committee, recommended that Lake Lynn be accepted into the fellowship of the New South River Baptist Association, stating that the Lake Lynn Mission had actually been a part of the Association since 21 October 1970. His recommendation (Motion) was seconded and the vote carried, without opposition.

13. Attention of those present was directed to their copies of the Report from the Committee on Committees. He sadly stated that only 15 of our 76 Churches had responded to our request for suggested names for the various Associational Committees.

and Committee Chairmen. He made a Motion that those included on the distributed list be accepted for the terms designated. Motion was seconded and carried, without opposition.

14. Rev. E.C. Chamblee, Chairman of the Resolutions Committee, presented a Resolution that the 1971 Associational Minutes be dedicated to the memory of Rev. Earl Pearson (deceased) and Dr. & Mrs. R.F. Marshburn (retired). Rev. Chamblee's motion was seconded and carried, without opposition.

15. The congregation joined in the singing of "Blessed Be The Name" and "America The Beautiful," under the direction of Mrs. James H. Taylor, Jr. Special Music was then presented by the Campbell College Choir, under the direction of Dr. Paul Yoder.

16. The Morning Message was delivered by Dr. Richard Henderson. Using Psalm 126 as a Text, he spoke on the subject of "One Hour Too Late" during which he pointed out God's Method, Manner, Message and Motivation.

17. Following a delicious luncheon, courtesy of the ladies of Faymont, the Afternoon Session opened with quiet music and meditation, after which the congregation joined in the singing of "Jesus, Keep Me Near The Cross".

18. Dr. F. Russell Bennet, Jr. presented the Afternoon Devotional. Scriptures were taken from I and II Corinthians and the book of John. He pointed out that God does not measure like the world measures, and reminded us that Jesus said that God is our Father.

19. Rev. Larry Sawyer was called upon, by the Moderator, to speak in behalf of The Baptist Children's Homes, as a representative of Dr. Wagoner who was unable to be present. He said that he believed the Baptists became involved in child-care because of the love of Jesus Christ and His ministry ..... when the first Home (or work) was established 86 years ago. Contrary to general opinion, not all of the children are orphans, Rev. Sawyer advised .... pointing out that many children were here as a result of death, separation of parents, mental breakdown of a parent, desertion, or other reasons for a child being homeless or in need of a different environment. Because there are oft-times needs of a child that cannot best be met in The Baptist Children's Homes, they initiated a Foster Home Program in 1935. He stressed the need of The Baptist Children's Homes becoming a multi-purpose agency. He cited one case where a young girl who could not be served in the regular school system. As a resident of The Baptist Children's Home, her first report card (which, incidentally, was from a public school) reflected one "A", one "B" and three "C's" - nothing lower. He expressed appreciation to the members of our Baptist Churches throughout the Convention, adding that the special Thanksgiving Offering was responsible for their continued operation.

20. The Moderator asked if there were any visitors present, not previously recognized. Rev. Robert Bowen (Calvary Baptist) introduced a personal friend, who was on furlough from his Missionary duties in Peru. He told of a 76-year old man, recently converted. He asked the man what he would have him tell the people of the United States, upon his return to this Country. The man said, "Tell them 'thank You' for making it possible that you could come and share the message of Jesus with us."

21. Rev. J. William Ross, Director of Church Development for the Association spoke briefly about his responsibilities in this capacity, after which he called upon the Associational Directors of the various organizations for their comments. A report of current "happenings", as well as projected plans, was offered by the respective directors: Wayne Ham (Sunday School); Warren Mallard (Church Music); Dorothy Hodger (WMU): Harold Bridges (Brotherhood). In the absence of W.H. Ledbetter, the Church Training Report was submitted by Bill Ross.

22. Dr. James C. Cammack said that the General Board was comprised of 114 persons from the Baptist Churches throughout the State of North Carolina and that

they were elected by the State Convention. He mentioned that our own Russell Davenport was a member of this Board, and therefore another representative from our area. In the work accomplished by - and through - the Baptist State Convention, Dr. Cammack pointed out that, not only were we accomplishing Mission Outreach in our own areas, but we were actually "holding hands with those around us for World Missions." He quoted statistics and emphasized the fact that we were in big business for the Lord," through the efforts and ministries of our Baptist Hospital in Winston-Salem (which has become one of the great Medical Centers of the World), our Colleges, Baptist Children's Homes etc.

23. Mrs. James H. Taylor, Jr. directed the congregation in the singing of, "O Zion, Haste."

24. Rev. W. Harold Bridges, Pastor of Waltone Baptist Church, requested permission for members of their church to clear the undergrowth of 5 acres of the property adjacent to Walstone, for the purpose of having a Softball Field. Motion was made, accordingly, by Rev. Bridges, seconded by Catherine Taylor, and carried-without opposition.

25. Additional copies of the Recommendation from the Christian Social Ministries Committee were distributed to those not having received a copy, and they were reminded by Rev. Charles A. Stevens, Associational Missionary, that this matter would be voted upon on Thursday.

26. Announcement was made by the Moderator that Chub Seawell (an occasional commentator on TV's Channel 5) would be speaking at the Mt. Vernon church, on the first Sunday in November.

27. Mrs. James H. (Catherine) Taylor, Jr., stated that she had been encouraged and thrilled by the participation of our church choirs in the Music Festivals of the year.

28. Special Music was furnished by a group of our Ministers, following Scripture Reading & Prayer by Rev. Emory Holden. The all-male chorus was comprised of Wayne Ham, Charles Stevens, Bill Ross, Jeff Roberts, Ken Wilson, Baxter Walker, Curtis Nester, Mack Roberts, Roger Jackson, Dwight Cooper, Warren Mallard, Gerald Thyne and Henry Herring. Their rendition of, "Wandering Child" was accompanied by Catherine Taylor at the piano.

29. The Afternoon Message was presented by Rev. Roger Jackson (Concord and Pleasant Union). He stressed the fact that we were not saved just to "sit around and do nothing," but that we were saved for a purpose. He added that, if a person's light doesn't shine, it's a pretty safe assumption that the person is not really saved.

30. W.H. Calcutt, Moderator, expressed appreciation to the people of Faymont, for the use of their facilities and for the delicious food. He reminded everyone that the Thursday Session would be held at Walstone.

31. Following the Benediction, meeting adjourned.

Thursday Afternoon Session, 21 October 1971, Walstone Memorial Baptist Church

Theme, "Living The Spirit Of Christ In Expectancy And Creativity"

1. The second Session of the Annual Meeting was opened with a vocal rendition of "I'd Rather Have Jesus," by Harold Gregg Bridges, son of the Reverend W. Harold Bridges of Walstone.

2. Dr. F. Russell Bennett, Jr., Assistant Director of Field Services at the Home Mission Board of the Southern Baptist Convention, led in a period of Worship. His Theme was, "What Is Our Calling in Jesus Christ?"

3. The Reverend James I. Murphy, Pastor of Eutaw Heights and Chairman of the Christian Social Ministries Committee was called upon for his Report. Jim Murphy

directed the attention of all to pages 2 and 3 of the printed Report in hand. He said, most of you recall a young lady by the name of Jane Fonda. She came to the City of Fayetteville, not too long ago, on an anti-world campaign. She was to meet at Haymarket Square and tell everyone what was wrong with the world. Before her arrival, one of the Committees of the Association was meeting, one morning. One of the members said he thought it would be nice if we had a Christian layman to present the cause of Christ. The plan was simply to meet on the streets of Fayetteville - at the same time Jane Fonda was in town - to hand out religious tracts and to witness. A building was rented for the purpose of witnessing in the name of Christ that young people that are searching for some meaning in their lives need Jesus Christ as their personal Saviour. This endeavor met with such phenomenal success that these men wanted more funds and wanted to continue this Ministry. This Ministry has received some designated funds from our Churches but does not take any funds from the Association. Love Offerings from individuals and from groups have helped to keep this Ministry alive. The men that were involved felt that all of the Churches in the New South River Baptist Association ought to be urged to help with this outreach for Christ. These men requested that the New South River Baptist Association take over this project - develop a program and implement this program, and help the churches to understand how they can help. The last two pages of this Report are entitled, "Program Suggestions". Those men, who had been involved in this Ministry at The Corner, were asked to suggest some ideas for the ongoing of this program, for as long as the Association felt this program was needed ..... that those appointed by the Association to serve on a Steering Committee might use these guidlines to benefit from. Those men were gracious enough to share with us some of the problems and some of the things they thought were desperately needed. These are presented to you in the form of a motion."

4. W.H. Calcutt, Moderator, called for discussion. Pleas for and against this Ministry were made by: Reverend James E. Hester (Carroll Memorial); Reverend Curtis E. Nester (Massey Hill); Mr. Rudolf McDuffie (Walstone); Rev. Neil Yonce (Fayetteville/Second); Reverend Virgil Wilson (Stedman); Reverend Fred Hall (Hope Mills/First); Reverend Ed E. Rogers (Faymont) and Mrs. Georgia Matthews (Lake Rim). A motion was then made by the Reverend Emory Holden (Central) that this matter be talbed for further study. Motion was seconded and carried.

5. Visitors were asked to make their presence known by the raising of their hands, after which W.H. Calcutt, Moderator, called for Miscellaneous Business.

6. The Reverend Charles A. Stevens, Superintendent of Missions, said he would like to recognize those Pastors who are new in the Association - since the Annual Meeting of last year. They included Wayne Lovett (Wade); Lindsey Morton (Spring Lake/First); Clarence Bobbitt (Magnolia) and H.R. Starling (Interim at Clement).

7. The Reverend J. William Ross (Director of Church Development for the Association) commented on his work (of the past 15 months), expressed appreciation for the Christian fellowship, as well as the general attitude of graciousness, kindness and understanding with which he had been accepted by the people. His closing remarks were, "I am interested in letting the light of a Christian and the salt of a Christian's testimony being felt in this putrid Society in which we find ourselves. Let Christ reign in our hearts, but let the world take note that we minister in His name, as we serve His cause.

8. Rev. Richard Smith (Secretary, Department of Church Planning, State Convention) was recognized by W.H. Calcutt, Moderator, as a former Pastor of the New South River Baptist Association.

9. The Reverend Charles A. Stevens, Superintendent of Missions, asked if it would be out of order to let the people in attendance express anything that might

be on their hears. A lady said that she was so grateful that her Church (Piney Green) now has The Reverend William H. Pace, Jr., as it's Pastor. A man said that he was so thrilled about the singing of the Good News of Christ, as presented by The Good News Singers, a group of approximately 300 teenagers, ranging in age from 13 to 20. He stated that they had sung in Canada, during the Summer, and were scheduled to participate in the "Pageant of Peace", at the White House in December.

Under the direction of Mrs. Catherine Taylor (Associational Music Director), the congregation joined in the singing of "Stand Up, Stand Up For Jesus."

Dr. F. Russell Bennett, Jr. said that he had not yet said a word about the Home Mission Board. He related that the Budget had been kept at the same level for the past three years even though inflation continued. He said that the Missionaries had not suffered, but the work had been cut back. He informed the group that, had it not been for the Annie Armstrong Offering, the work would have - of necessity - been curtailed even more. He further stated, "If it hadn't been for the women, the missionary work could not have gone as far as it has. I hope you preachers will give more support to the WMU."

The Reverend Henry Herring (Eureka) asked permission to say a few words. "Coming up very soon, we have an opportunity to share in a witnessing-learning experience - WIN - a program of lay witnessing, in January - 17 - 23. I don't know how much you know about the WIN program, but I think you should learn about it. My wife, my young son and I had an opportunity to go the Evangelistic Conference in Virginia - back in June. Since we went, we have begun a program of soul-winning visitation. We were disappointed at first, because we didn't see people "jumping for Christ," but recently we have seen ten people accept the Lord. It can be a big thing in your church, if you are willing to set aside this week in January and learn some things about how you can witness to someone who doesn't know Him. I thank the Lord He is calling us."

The Reverend Emory T. Holden, Jr. (Central) gave an account of "happenings" at his church. He said, "We are having something at Central, this week, that thrills my heart. We have three men who have been called into the gospel ministry. The Lord has poured out His spirit upon us - in His own way. I went into it very tremblingly .... not knowing what would happen, but God has honored and blessed us."

The Reverend Roger Jackson (Concord and Pleasant Union) said he didn't know how many of those present were on the mailing list of the publication entitled, "Tomorrow," but he felt that every church should include membership subscriptions in their budgets. He said people are always asking what they can do about the liquor and the drug problem. The Christian Action League says you can .... fast ... pray .... send money."

Mrs. Catherine Taylor (a member of Trinity and the Associational Music Director for the past several years), told of her joy in being a member of The Christian Women's Club which is interdenominational. She said, "I have found that God is for everybody. I am afraid that sometimes we think we are God's chosen people. There are three things we do not mention - in our Club meetings - our age - our weight - our denomination. We have a luncheon, every Tuesday, at The Downtowner. Our purpose is to bring someone with us - perhaps an alcoholic .... God says, "Go Everywhere."

10. W.H. Calcutt, Moderator, stated that he felt the remaining time(since the program seemed to be running ahead of schedule .... for the first time in the history of Associational Sessions) in prayer. He said that there had been some controversial discussions at the Executive Committee Meetings, and that we did not want our Association to split. The Reverend Dwight W. Cooper (Grace) and The Reverend James E. Hester (Carroll Memorial) led in prayer.

11. Mrs. Joan Northen sang "There Is No Greater Love Than His" and "He Touched Me".

12. The Reverend Richard Smith offered the afternoon Message, based on the Scriptures of Matthew, on the subject of our God-given talents. He said that some individuals, as well as some churches, were blessed with more than others. He said we should use our talents, together, in the spirit of God, to minister unto others. He continued, "While we are still living, we need to make our talents aglory for the Lord. I don't know if He is coming today or tommorrow, but we do still have some time left. God is expecting great things. The Southern Baptist Convention - the Baptist State Convention of North Carolina and the New South River Baptist Association - all need YOU. If you are that one talent person - you and God make two .... to help His Kingdom grow. I beg of you not to hide it! I do not know of any area in the United States where there are more opportunities for service. You are sending some to Charlotte - to Greensboro - I hope and pray you are using them to bless other people. You have a military base here. I hope they are carrying the message to the far corners of the world. Some people are coming here in administrative positions - and someday will be going to other areas. Take them, use them, develop them, that they might be a witness for Him .... wherever they might go. Do not hide from God, but open your eyes and give Him your very best."

13. D.M. Clements led in a Memorial Serive to those who have passed away since the last Annual Associational Meeting. (He said that mourning is a way of expressing ourselves ... and asked if we had ever though of the time we spend in mourning. He reminded those present of the Scripture, "blessed are those who mourn, for they shall be comforted." Trouble, he said, is another experience of our lives ... there being no country, no community, no area where there isn't trouble. But, he repeated the words, of Jesus, who said, "Let not your heart be troubled." In thinking of our loved ones as being dead, he commented that we should recall the words of Jesus, "I am the resurrection and the life, he that believeth in me - though he be dead, yet shall he live." So often, he said that we felt we could not go on - after the passing of someone dear to us ... and yet, we are committed to "go forward." He said, "I believe that, if many of our dead could speak to us, they would bid us, "Onward Christian Soldiers.") Prayer was then offered by Mr. Clement.

14. The Reverend W. Harold Bridges (Walstone), Chairman of the Place and Preacher Committee, announced that the first day of the 1972 Associational Meeting would be held at Autryville Baptist Church, with Long Branch as Co-Host and that the Meeting of the second day would be at Center Baptist Church in Spring Lake. He also advised that the Reverend James E. Hester (Carroll Memorial) would deliver the message and that the Reverend Clarence Hopkins (Mt. Gilead) would serve as the Alternate Preacher. Motion was made by W. Harold Bridges that these be accepted. It was seconded and carried.

Evening Session, Thursday, 21 October 1971, Walstone Memorial Baptist Church

Theme, "Living The Spirit Of Christ In Expectancy And Creativity"

1. The Thursday Evening Session of the Annual Associational Meeting opened with the congregational singing of, "I Love To Tell The Story," after which Dr. F. Russell Bennett, Jr. presented the Devotion. He said that he was convinced in his heart that the Church has a word to share and referred to several Scriptures from Hebrews and John, as well as Acts 8:4, Matthew 7:16 & 16:25. He also referred to Keith Miller's book entitled, "Taste of New Wine." He said, "We have aword to give -

we have a life to live. Times are changing - we must change. The old forms will not do - we need new forms. A uniform doesn't make a soldier .... a robe doesn't make a priest. We must develop a ministry to the needs about us. If we fail to help those who need help, we have no right to call ourselves Christians." Dr. Bennett continued, "Ministry is an expression of the new life. It cost time and effort and funds, but will probably not add members to the church. I believe that involvement in our Christian life is one ingredient that is spirit of power. I do not believe that people can serve God through their own power and strength. I may be a nobody, but God knows my name (40th Psalm).

2. W.H. Calcutt, Moderator called for a Report from the Associational Committees:

3. The Reverend E.C. Chamblee, Chairman of the Resolutions Committee called for Charles Stevens to come to the platform. Rev. Chamblee said, "At a meeting of the Committee - a few days ago - one of the members suggested that we do more than just say "Thank you." We do thank you. Here is a Certificate of Recognition which reads ... "Awarded to Charles A. Stevens, in recognition of eight years of service as Superintendent of Missions." This is not a great deal, but it carries a lot of sentiment on behalf of all. We will see that this is framed, properly."

4. W.H. Ledbetter, Chairman of the Finance Committee, stated "I recommend the amendment of the Budget, under Item "C" - "Christian Social Ministries" - Item 2 - be deleted from the Budget." Motion was seconded. Strickland of Cross Creek Tabernacle Church, said "This concerns The Corner .... it is "on the table" ... if it is not approved, how will the program go on? If it is approved ... and this item is no longer in the Budget, how will you go ahead with the work? W.H. Ledbetter replied, "The only possible way is from volunteers - like we have for the past several months." General discussion followed, after which W.H. Calcutt explained, "The thing is that one cannot finance a program that the Association does not have and, as yet, we do not have this as a project. If we decide to go ahead with the work, they will Budget the funds. We are voting now whether or not to close the debate. This vote carred by 2/3 of those present. Now, all in favor of deleting Item 2 from the Budget, raise your hand. Motion carried. Now, we come to the Motion concerning the proposed Budget for 1972." Vote was called for (with the amendment to Budget) and was carried, with no opposition.

5. The Reverend Roger Jackson (Concord and Pleasant Union), Chairman of the Committee on Committees, directed attention to Page 38 of the Advanced Reports book .... reflecting names of new officers .... and made a motion that these be approved as shown. Motion carried.

6. The Reverend G.N. Ashley (Roseboro/First, Elizabeth and Long Branch), Chairman of the Constitutional Committee, stated that a considerable amount of time had been spent in a study of the Constitution and needed changes ... he advised that some minor changes had been made and others were contemplated. He requested that the Committee be authorized to continue their study and present their findings, at a later date. He put this recommendation in the form of a Motion which as seconded and carried, with no opposition.

7. The Reverend Dwight Cooper (Grace), called for acceptance and adoption of the Book of Advance Reports. Motion was seconded and carried.

8. Announcement was made by W.H. Calcutt, Moderator, that Miss Lou Anna Butler would tell of her Summer Missions work - among the Indians - immediately following the Special Music presentations by "The Highlanders."

Miss Butler said that their group was called "MAT" which was an abbreviation for "Mission Action Team". This group consisted of 10 girls, under the direction of Miss Jolene Ivey (of the Baptist State Convention of N.C. - WMU) and Mrs. Gilmer Cross, State WMU Director (President). First they had a weekend of

training at Camp Mundo Vista, after which they went to the Cherokee Reservation. She told of their worship and fellowship in the First Baptist Church, of their assisting with the Mission Bible School at Wrights Creek, of their general witnessing among the Indians.

9. W.H. Calcutt, Moderator, called upon the Reverend Takao Sato, the Association's Minister to the Orientals. "Tak," as he is known to us, presented the Choir of Oriental ladies. They sang - in Japanese - "It Is Well With My Soul" and "What A Friend We Have In Jesus." "Tak" then told us a little something of his work with these ladies - and their families. He called upon one of the ladies to tell of what the Bible Study class (for the Orientals) had meant to her. Hearts were stirred by her inspiring personal account of what being a "born again Christian" meant to her.

10. The gavel was then turned over to the Reverend Dwight Cooper - the new Moderator - by W.H. Calcutt - the outgoing Moderator. Dwight Cooper then commented, "When I was asked if I would accept this position - if I could take this job - I told "him" (or them) that I would have to talk to some of the people of my church. As I have seen this man wiggle out of some of the situations that he did not get himself into, I know that the victory comes when you turn over this gavel - at the end of twelve months - rather than when I take it over. I ask for your prayers."

11. Congregation stood as the Benediction was offered by the Reverend Dwight Cooper.

REPORTS

SUPERINTENDENT OF MISSIONS REPORT

This year has been one of unusual challenge and opportunity. As usual, our Association has measured up. How grateful we are for the privilege of sharing with you the joys of seeking to reach the multitudes for Jesus, whether in the rural countryside or in the teeming metropolitan area.

Across our Association, we have heard of God's Spirit stirring among the multitudes. Churches are reporting more than usual experiences among their people - youth and adults. How this thrills our souls!

This has been our first full year of having with us our Director of Church Development - Brother Bill Ross. What a joy it has been to have him with us and to see his thoroughness and dedication to this God - called task. This next can be - and we firmly believe will be - the greatest year in this field yet!

We have diligently been seeking to know God's leading concerning a Director of Christian Social Ministries. We trust now that soon will be able to know His Leading and that God's man will be on the Field.

For the rest of the Staff in the Office - only God could have arranged it for us to have with us - as Co-laborers - the fine dedicated personnel we do have: Mrs. Rodger, serving so effectively and efficiently as Administrative Secretary; Mrs. Helen Rhyne, serving as part-time Secretary in printing, designing and the numerous other things related to our office needs; Brother L.Y. Perry, who accomplishes our bookkeeping in such a masterful way; Brother Takao Sato, who has won our hearts as he shares his "heart-hunger" in seeking to reach those of his own native land for Jesus; and, of course, our Volunteer Workers, zealous and faithful, Mrs. Chris Keith and Mrs. Jane Jones. Without their assistance, much would never be accomplished.

During the Summer, our Vacation Bible School Ministries and Mobile Home Park Ministries, under the leadership of Mrs. Richard Matthews and Miss Jennifer Stevens, respectively, was so very valuable. More solid work was accomplished

in both these areas of work than previously, we believe. And how much these Ministries are needed!

CHURCH DEVELOPMENT REPORT

The privilege of serving as the Director of Church Development in an Association is an unique experience. In this capacity, one shares in the challenges and joys of - not one - but many local churches. At times, there are moments of satisfaction, gratitude and feelings of accomplishment; but, there is always the fact of the inability to meet and complete all the tasks and needs. The areas of work include: Church Programs (Sunday School, Church Training, Brotherhood, W.M.U. and Church Music); Program Services (Church Library, and Church Recreation); Church Administration; Six Committees (Camp, Evangelism, Stewardship, Military Ministries, Student, Seminary Extension) and Nine Emphasis Committees. In addition to these areas, there are routine office responsibilities.

In my effort to fulfill my responsibilities, I have led conferences and workshops; taught books and studies; spoke at several types of meetings; supplied the pulpits; met with committees; counseled with pastors and laymen alike, concerning their work; worshipped with congregations, and attended special meetings and events. It has been my joy to have been present for a workship program - or some type of meeting - in all seventy-six churches and missions in our Association. I only regret that I am not permitted, by time and distance, to be in all of the churches more often.

It would be the height of ingratitude for me not to mention and express appreciation to the host of fine pastors and laymen who serve in the numerous positions in our Associational Organizations and Committees; and to the wonderful Office Staff Members who work together to accomplish our objectives.

Because of the review for this Report, there is a new awareness for dedication to the Lord, and I am more firmly convinced that we must join hands and hearts in the effort to lift Him up so that He can draw men unto Him.

Sincerely,
J. William Ross
Director
Church Development

ANNUITY REPORT

The Annuity Department is a Cooperative effort among the Southern Baptist Annuity Board of Dallas, Texas, the North Carolina Baptist State Convention, and the local church. There are basically three programs offered:

The Protection Program has three plans for retirement.

a. Plan A covers $4,000 of the base salary. The church deposits 19 percent and the State Convention 5 percent - providing retirement, disability, widow, children and college benefits.

b. Plan B is an Age Security Plan, which is a regular interst program.

c. Plan C is the Variable Annuity Plan, which is a stock investment program.

It is recommended that 10 percent of the total salary be in the Budget for the Minister's Protection Program.

The second program offered by the Annuity Board is the Group Insurance and long-term disability program. Health Benefit Plan is handled by Blue Cross and has provisions for normal hospital costs, surgical benefits, and a vey helpful major medical provision.

All these programs should be in the Budget as tax-free, fringe benefits for all ministers and staff personnel.

Harold Buie

BAPTIST HOSPITAL REPORT

During the Year of 1970, 17,557 persons were admitted to the Hospital, and there were 51, 563 visits to the Out Patient Clinic. About ninety percent of these were "referral" patients - that is, patients who were referred to the Hospital by their local physicians because they needed the specialized medical care that the Baptist Hospital is staffed and equipped to offer.

In spite of the rising costs, the Hospital - from its beginning - has provided medical care of - and for - people, including those who could not pay their way. Due to high rise of cost, some admission policies have had to be changed. However, the Christian ministry is still at the heart of the work of the Baptist Hospital.

The financial situation of the Hospital is viewed by the Administration with "Cautious optimism." The operating deficit has been reduced and expenditures are being kept more in line with income. The entire staff is cooperating in an effort to maintain a proper balance between sound financial policies and a spirit of Christian compassion.

The Medical Center Development Program is progressing on schedule. The New Patient Tower is expected to be ready for partial occupancy by late 1972. The fourteen-bed Coronary Care Unit is now a reality.

Sixty-five of the churches in New South River Association contributed a total of $5,717.46 to the Baptist Hospital. The ministry of healing in Christ's name, by our

hospital, is the same purpose of the hospitals operated by the Foreign Mission Board in Korea or Nigeria. It ought to be supported by Missionary-minded Baptists with the same enthusiasm, and for the same reason, we support every other phase of our Denomination's World Mission Program.

This is Missions, too!

Respectfully submitted,

At a time when some religious publications are losing circulation, it is good to report that the BIBLICAL RECORDER has passed 93,000 - the highest circulation in its 138-year history. This circulation is a tribute to the Baptists of North Carolina who support the paper so faithfully.

The RECORDER is proud to be the instrument that communicates to the world what our Denomination is doing. When evil needs to be exposed, the paper does not shun its responsibility. This was evidenced in the recent exposure of the liquor forces trying to gain support in the State Legislature. It stresses Citizenship.

Even though inflation continues to create problems, you can receive the RECORDER under the Church Budget Plan for the same price it was in 1960 - only $2.00 per year. This cost is reasonable. The church membership can be informed at the price of 4 cents a week.

BROTHERHOOD REPORT

The Brotherhood is the educational organization of a local Baptist church that is commited to the task of providing Missionary Education for the men, young men, and boys. The Program consists of the Teaching of Missions, providing opportunities to engage in Mission Action, the support of World Missions by praying and giving, and providing information regarding the work of the church and denomination.

Your Associational Officers are anxious to assist any local church in beginning or strengthening their Brotherhood Program. They make available officer-leader training a Central Workshop in the Fall, and for individual churches, as actual requests are received. Rev. Claude Carter, the Mission Action Leader, has been active in a ministry to prison inmates and parolees, and correlating the religious services at the county and city jails.

Plans for the future include activities that involve men and boys in Mission Action and training events.

Respectfully submitted,
Harold Bridges

CAMP COMMITTEE REPORT

During the week of 9-13 August 1971, one hundred, fifty-seven young people and staff members were challenged by the Theme, "Give Me Thy Heart," based on Psalm 119:1, on the Campus of Wingate Junior College. The thorough planning and preparation on the part of the Committee was evident in the smooth operation of the week's activities.

A competent Corp of Bible Discussion Leaders directed in a Study of the life and writings of David. The Reverend and Mrs. Takao Sato placed the Mission causes be-

fore the group, each morning; the Reverend James I. Murphy, Chaplain, presented the challenge of truly "giving your heart to Him", and Wiley Oakley led the singing. Rev. Donald Porter led the recreational events, and Mrs. Jarvis Langdon directed the crafts. The Reverend Kenneth M. Wilson is to be commended for the overall direction of the Associational Youth Camp.

In many ways, the Camp of 1971 is a most successful accomplishment. Results are to be derived, yet. Committed lives of youth will continue to bear fruits.

CHRISTIAN EDUCATION REPORT

Education is not an option for the Christian; it is a devine imperative. It is important - if man's God-given capacity to think, to grow, and to achieve, are to be developed and utilized correctly.

Because no effective substitute has been found for the genuinely Christian college, Baptists must continue to nurture and support adequately their Christian institutions of higher education.

Respectfully submitted,
Charles Reeves

CHURCH TRAINING REPORT

Many of us remember fondly the B.Y.P.U. and the tremendous need that Baptist Young People's Union met, but change was inevitable, and Training Union became a "family affair". In the past few years, change has come again. The Church Training Program has three major areas of training; Training in Member Training; New Member Orientation, and Potential Leader Training. Change has come in the time of meeting, but there is no change in the need for training Christians to do their work.

Training is essential; it is not optional, but imperative. The local Church Training Director should work at scheduling learning experiences for each teacher, officer and leader in each program organization, and for each committeeman in the church to be thoroughly trained to do his job.

Your Associational Church Training staff stands reach to assist any church in the beginning and/or implementation of their Church Training Program.

Respectfully submitted,
W.H. Ledbetter
Church Training Director

COOPERATIVE PROGRAM REPORT

The Cooperative Program is the Life-line of World Missions. It is a tested, tried, and proven method of financing the Kingdom's work. It is motivated the Great Commission, it is rooted in the New Testament practices; it is the product of generations of the best Baptist leadership; and it gives hope for the future.

Last year, * of our churches contributed through the channels of the Cooperative Program $ During these days of inflation and the constant rising of

prices, we must increase our gifts to not only take care of the needs and the new challenges, but to care for the additional rise in costs.

Did your church sufficiently raise the Cooperative Program funds in your Budget? If you need assistance and information, your Committee stands ready to offer such help.

Respectfully submitted,
Mrs. R.G. Creech

SEMINARY EXTENSION COMMITTEE REPORT

The Committee met and discussed through - the possibility of opening an Extension Center. After considering the fact that, in our immediate area there were several institutions that offered adult educational courses, it was deemed wise to make a survey to determine if there was a real need for this Center. There was no evidence of a need.

Your Committee stands ready to open and operate a Center as the needs arise.

EVANGELISM COMMITTEE REPORT

Evangelism is of great interest to all of our churches. This is evident as we recall the interest shown by people of our churches in attending Youth Evangelism Night, 2 February 1971 ... almost 20,000 ..... with 1519 decisions!

Another Youth Evangelism Night is scheduled for 18 August 1972, in Greensboro, N.C.

One way to witness for the Lord is by personal witnessing. Our Association has scheduled a Week of Lay Evangelism Schools, 17-23 January 1972, to train our people in witnessing, using the WIN materials.

Our Committee, under the direction of Rev. Ralph Holt, Jr., held a Youth Rally at Snyder Memorial Baptist Church, in Fayetteville, 18 September 1971.

The 26th State-wide Evangelism Conference is scheduled for 7-9 February 1972, at the Cumberland County Memorial Auditorium.

Our prayer for the New South River Area is that we will be drawn closer to God and allow the Holy Spirit to use us in bringing about a Holy Ghost Revival.

Respectfully submitted,
Edward E. Rogers

P.S. - Of interest to our men - The interest of October 1971 - a Regional Evangelism Conference for Baptist and Methodist Men, at the Methodist College, 18 October 1971, at 7:30 P.M. Sponsored by The Division of Evangelism, in cooperation with Brotherhood Department and N.C. United Methodist Conference.

FOREIGN MISSION REPORT

The sending out and maintaining of Missionaries is primary in the Southern Baptist Overseas Missions, through the channel of the Foreign Mission Board. At the close of 1970, the Board had an Overseas Missionary Staff of 2501. This included 165 Missionary Associates, 4 Special Projects Medical Personnel, and 121 Missionary Journeymen. Appointments during the year totaled 182 Career, 18 Associates, 64 Journeymen, 1 Special Project Medical Couple, and 6 Career Re-appointments. Between January and May 1971, 35 more were added. On 1 May 1971, these Missionaries were located in 76 geographical or political entities.

The major areas of work for our Missionaries are: Evangelism and Church Development; Schools and Student Work; Publication Work; Hospitals and Medical Care; and Benevolent Ministries.

At the end of 1970, Southern Baptists contributions for Foreign Missions totaled $31,503,218 (a per capita gift of $2.71, one cent more than in 1969). The 1970 Lottie Moon Christmas Offering had reached a total of $16,220,105 by 1 May 1971.

Approximately 50 percent of the Southern Baptist Convention Cooperative Program funds are made available annually for Foreign Missions. This is the basis upon which sustained advance can be built. Still needed urgently on overseas fields are land, buildings and equipment, amounting to several million dollars in cost.

Respectfully submitted,
Mrs. J.F. Strickland

HOME MISSION REPORT

An extensive restructuring of the staff of the Home Mission Board climaxed in the Year 1970. The plan is to strengthen and expand the Board's efforts to assist churches in Missions and Evangelism.

The three new Sections are: Planning and Coordination, Program Implementation, and Program Services. Within the Planning and Coordination Section, there are four regional coordinators who will work with the State Convention in Budget and Mission Planning.

A Personnel Division was created, composed of the Missionary Personnel Department, plus the offices of Personnel Development and Office Personnel Services. This Division takes on the added function of including Counseling Services for Missionaries.

At the close of 1970, there were 2222 Home Missionaries. Of these Missionaries, approximately two-thirds are supported jointly with State Conventions and serve the fifty States, Puerto Rico, and Panama.

The Home Mission Board is giving increasing attention to its efforts to assist the churches in carrying out our objective of winning our land for Christ.

Respectfully submitted,
Edward E. Rogers

HOMES FOR THE AGING COMMITTEE REPORT

This year completes the twentieth year of service of the North Carolina Baptist Homes for the Aging. This Ministry has grown in the two decades from one Home to five Homes and a Nursing Care Unit, with total accommodations for one hundred-sixty residents and seventy-six patients. Two of the Homes - Rest-haven and the

Hayes Home - and the Nursing Care Unit, are located in Winston - Salem, and the other three homes are located in Albermarle, Hamilton, and Yanceyville.

At least eight percent of the persons who live in the Homes are financially needy, and receive direct benefits from love gifts. The Homes could not exist without the special offering and the Cooperative Program support.

In many ways, this year has been a good one. The Homes are now operating in the black for a change, and the Director is optimistic. Of unusual interst during the past year has been the construction of the new addition of the Nursing Care Unit in Winston-Salem. It will be ready for occupancy by 1 September 1971, and will care for twenty additional patients. This addition was made possible by the generosity of Jude and Mrs. William York of Greensboro.

Pray for your Baptist Home for the Aging and remember that namely any ministry to an older person is in the name of Christ.

Respectfully submitted,
Charles Chason

INSTITUTIONAL MINISTRIES AND CHAPLAINCY PROGRAM REPORT

The main thrust of the work of Institutional Ministries and Chaplaincy this year has been through other existing organizations, individual churches, members of the Committee and interested individuals.

In several instances churches have helped financially in certain areas of the Nursing Homes. Birthday parties have been held in several of our Nursing Centers at least once a month, and three of our Baptist Churches furnished entertainment for the Christmas Party at Tokay, put on by Nursing Home Operators, Recreational and Parks Commission and Area Churches.

Extension work, through the combined efforts of several of the Committees and the Cumberland County Coordinating Council on Older Adults, Incorporated, has helped in correlating activities for some of the Nursing Home Patients. Our Association again this year, sponsored a Booth at the Fayetteville Woman's Club Exposition '70 and Mrs. Louise Saunders, Executive Director of the Cumberland County Coordinating Council on Older Adults, was helpful in making this an attractive Book - bringing attention to the needs of our older Adults.

MILITARY MINISTRIES COMMITTEE REPORT

The basic responsibility of the Military Ministries Committee is formulating plan and making recommendations concerning military-related persons. With objective i mind, the Committee has engaged in several activities during the past year.

A packet of resource materials, related to ministering to military persons, wa prepared and mailed to each Pastor in Association.

In the early Spring, a Retreat for Chaplains and Pastors was planned, but had to b cancelled due to the lack of response.

Chaplains from Fort Bragg have been invited to speak and fill the pulpits in se eral of our Churches. When asked to do so, special Commissions Services have be conducted regarding the service men who will be a special missionary on tou

The major accomplishment of the Committee's work has been the ministry to t

service-connected Orientals. Rev. Takao Sato, a Senior at Campbell, jointly sponsored by the Baptist State Convention and the Association, is now living at Spring Lake, and directs this ministry. Brother Sato has established Bible Classes at Grace, Eutaw, and Spring Lake/First Baptist Churches. A period of Bible Study, an English Language period, and choir practice is the procedure for the meetings. In addition to his Bible classes, he is busy witnessing to, counseling with the Orientals. He often serves as a Pulpit Supply, and served as Camp Missionary, this Summer.

Your Committee is anxious that a Christ-centered ministry be offered to every military-related person in our area.

STATE MISSIONS REPORT

People all across the State are discovering - and rediscovering - the vital work of State Missions. They are beginning to see a definite State Mission responsibility as part of the total World Mission concern. Other people, however, have yet to capture the vision of State Missions. They have little or no identification with Missions in our State.

State Missions is the sum total of the Programs of our great State Convention, manned by competent, dedicated leaders. The purpose is to strengthen and lengthen the arm of the local Church.

The Goal for the State Missions Offering for this year is $250,000. Each Church is urged to contribute generously to this Offering. In many instances, portions of the money is used in our own Association.

Respectfully submitted,
Mrs. Grady L. Carter

STEWARDSHIP COMMITTEE REPORT

Commitment to Christ is the most urgent need confronting Christians today! Christian Missions wait for a stewardship commitment. Missions in your Church, Association, State, Nation and around the World, wait for a stewardship commitment. on the part of Church Members.

The crises of prosperity confronting America stands as a great threat to every Christian. Our Society is dominated by a materialistic and secular concept of life. The future effectiveness of our Christian witness will depend, to a large extent, on how well we learn to deal with prosperity in a Christian manner, on our ability to effectively confront materialism, and on our willingness to make the commitment that God can use to produce Miracles in a great Missionary awakening.

Materials are available through the South-wide Stewardship Department to be used to develop real Stewards in every Church. Your Stewardship Committee stands ready to assist with this task.

Respectfully submitted,
Ed Gilchrist

STUDENT COMMITTEE REPORT

The Ministry to students is in transition on the Campuses in our area. Your Committee has been ready to assist - in any way - when called upon.

Efforts to establish a Baptist Student Union on the Methodist College Campus have not proven successful. Churches have been encouraged to minister to individual students in their membership.

SUNDAY SCHOOL REPORT

The Sunday School Year of 1970-71 has been one of adjustment and adapting to the many changes that came about 1 October 1971. From all indications, these major changes were made in good fashion, and organizations continued smooth functioning.

We have emphasized MISSIONS in Sunday School. First, through local Vacation Bible Schools in every Church. Our Association had a complete corps of graded workers attend the State VBS Clinic, at Wingate College, 6-7-8 January 1971. Strong support was given Missions Schools in the highly populated areas of the Association. Many successful efforts are reported.

There are definite plans formulated for the coming year, to offer more - and specialized training for Sunday School Officers and Teachers, with special emphasis on teacher development. We have the cooperation of our State Convention's Sunday School Departments, as well as that of other educational organizations, in these efforts.

A complete slate of officers has been enlisted, and prospects are encouraging for the coming year. We urge you to lead your Church in participating in all opportunities on the Associational level.

WOMANS MISSIONARY UNION REPORT

We had a very thrilling experience in WMU work in our Association, this year. We served as Hostess for the North Carolina WMU Convention, which was held in March, in the Cumberland County Memorial Auditorium, in Fayetteville, N.C. So far as our records show, this was the first State WMU Meeting ever held in our Association. Three years of planning was necessary in order for us to be ready for this Event. The response which the ladies gave was tremendous. It included those from the smallest WMU organizations, as well as from the largest in our Association. My heart was made glad as I observed the capable and cheerful way in which our people worked. The number of volunteers amounted to serveral hundred women. I believe this experience was good for us. It gave us a feeling of unity, strength and dedication.

Our Annual Associational WMU Meeting was held in April, at Roseboro/First Baptist Church. The Pastor and the ladies there accepted us graciously. It was a very inspirational meeting, the Minutes of which may be read in our 1971 Associational Minutes.

It was necessary for us to have six Executive Meetings during the year to plan our

work and discuss important business of the organizations.

In October, our Leadership Training Institute was held at Judson Baptist Church with very good attendance. The Pastor and ladies there were also wonderful Host and Hostesses.

I wish to thank all the ladies and pastors with whom I have worked these four years, for their splendid cooperation. This has been a thrilling experience for me. I wish I could have done more in very special ways in every Church. I now pledge my support to the leaders who are to follow me. I beg each of you to do the same, that our work in our local Churches may be made stronger because of our dedication, thereby making it stronger on the Associational, State, National level, and all around the World.

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INC'

The child care and family service ministry of North Carolina Baptists has undergone many new and thrilling experiences during the past year. Since the Associations last met, our program of services has been strengthened in various ways.

The desire for a home to serve Western North Carolina has become a reality. The first two cottages on the Broyhill Home campus near Waynesville have been completed, providing for twenty-five additional children in group care. Also urgently needed is the maternity home that has been opened in Asheville, during the past year.

The Ten Star Builders Program, designed to inform Baptists and other friends of the Children's Homes in Eastern North Carolina of the services we are rendering to children and their families, was launched last fall. The initial response has been encouraging. Funds are being raised in Lenoir County for the W.C. Reed Memorial Gymnasium and plans are to have the dedication of this building on Sunday, 7 November 1971.

Foster homes in Eastern North Carolina now number sixteen with spaces for twenty-five children. Five years ago we had only one foster home in the Eastern area. This is encouraging growth. Additional foster homes are needed. This affords opportunity for a meaningful and rewarding ministry for children and foster parents alike.

The purpose of the Children's Homes is to provide children loving care in the spirit of Christ. The pursuit of this basic goal has led the Homes to develop a variety of services, all family centered. Some children need resident care. For these we have both group homes and foster homes. Some families can remain together with outside help and for these we have family services in the form of counseling or financial assistance. For the unmarried girl who is pregnant, we offer maternity care. For the graduate in our care, we assist in higher education. For churches involved in day care, nursery school education and kindergarten, we provide a demonstration program and consultation service. We welcome individual inquiries regarding any of these services as the need may arise.

Our services are made available through strategically located facilities throughout North Carolina; in the East at Kinston, Pembroke, Fayetteville and Raleigh; in the Piedmont at Chapel Hill, Thomasville and Charlotte; in the West at Asheville and Waynesville.

Trustees, staff members and children of the Baptist Children's Homes are grateful for the harmonious relationship we share with North Carolina Baptists. The church-

es have expressed their confidence and support through increased Cooperative Program gifts and a 1970 Thanksgiving Offering of $380,000. Individuals continue to give generously and to become involved in our varied ministries. We accept this support as an investment in all that we are doing and we pledge ourselves to translate your investment into quality Christian child care.

MUSIC COMMITTEE REPORT

Again this year, may I express my appreciation to the very fine Music Council the Association has had to lead them in the improvement of their Associational Music Program.

The Music Council provided special Musical Devotionals for the 1970 Annual Associational Meeting. Mrs. Joann Northern, Special Guest (Soprano Soloist), rendered a twenty-minute sermon in song at Magnolia Baptist Church, in Stedman, N.C. on Wednesday, 21 October 1970, and Methodist College Choir gave a short Concert for the Associational Meeting at LaFayette Baptist Church, in Fayetteville, N.C., on 22 October 1970.

On 18 January 1971, at Stedman Baptist Church, the Music Council sponsored an Associational Choral Reading Workshop. There were approximately twenty-five directors, organists, etc., in attendance. Since this Workshop was received so well, plans were made to hold another Workshop of this nature in the Fall. Special efforts have been made to help the smaller churches of the Association in their music programs, and special emphasis has been placed on entering the First Timers Festivals in the Fall, as well as in the Regional Choir Festivals and State Youth Festivals in the Spring.

ASSOCIATIONAL FOUNDATION REPORT

The North Carolina Baptist Foundation, Inc., was organized in 1920. It has a fifteen-member Board of Directors who are elected by the Baptist State Convention. The policies and procedures of the Foundation and the support of the same is in the hands of the Baptist State Convention of North Carolina. In other words, this is your Foundation, and you should know more about its services and activities.

During the past twelve months, the Foundation has had a gradual growth, in that several individuals and churches have made contracts with the Foundation to accomplish specific purposes such as: supporting an agency or institution of the Baptist State Convention, the Southern Baptist Convention, and world-wide objects. In one or two instances, individuals through their wills have added to existing memorials that were established during the lifetime of the donor. The Foundation stands ready to render service to individuals and churches as their requests are made known. We wish to serve you.

CHRISTIAN SOCIAL MINISTRIES COMMITTEE REPORT

Members of the Association responded with Christian concern when a tornado ravaged an area in northern Fayetteville. Churches and individuals sought to meet the needs of those who found themselves without food and shelter, or bereaved by loss of loved ones.

Those who found themselves restrained in jail, because of law violations, were able to hear the proclamation of the Gospel. Rev. Claude Carter continues to work with offenders, by presenting the boundless love and mercy of God through worship services in our jails.

Alcoholism remains a tremendous problem in our Society. This year, the Association assumed full responsibility for a Rehabilitation Program for Alcoholics, when it opened "The Samaritan Goodwill Center" in a building leased from Fayetteville/Second Baptist Church.

Throughout our nation, people have become aware of the tremendous problem of drug abuse. The concern exhibited by various Christians in our local churches has been most encouraging. Several concerned people rented an old service station on the corner of Hay and Robeson Streets, for the express purpose of helping deeply-troubled people who are-or may be-drug abusers. The possibilities of the outreach of this program are unlimited. There still exists a need for more workers and an improved program.

The Christian Social Ministries program of our Association continues to progress to the glory of God's Kingdom, even though it is hampered by the lack of a Director. During the past year, a contact was made to several people - throughout the State and Southern Conventions-in an effort to secure the right man for the job. However, to date, the right man has not come to us. This Committee requests that the members of the Association continue to pray that God will send to us the right leader for the position of Director of Christian Social Ministries.

James I. Murphy

INTERRACIAL COOPERATION REPORT

An important event of the past year was to welcome the Reverend Leo Williams, Jr., to the staff as Director of Christian Education. He is serving as a part of the expanding cooperative ministries sponsored by the General Baptist State Convention and the Baptist State Convention.

This Summer a record number of 30 young people and adults were appointed to serve in a variety of places throughout the State. They have ministered primarily to young people in Bible camps, week-day programs, day-care centers, and Vacation Bible Schools. From the mountains to the coast they have ministered in churches of both conventions, reaching the youth of all races.

For the first time applications for Summer work were rejected because funds were not available. The Summer of 1972 may result in the same problem unless additional resources are provided. We are hoping that individuals and churches will see fit to help provide funds for this project.

Another objective of the department is to provide programs and materials to General Baptist churches and associations upon request. This is another way whereby the various departments may cooperate in reaching, teaching, and training people. Leaders of the General Convention are invited to reciprocate by providing messages and materials to aid individuals and churches in the Baptist State Convention. This exchange of talents and information helps us to get the best from both conventions while improving relationships between the races.

As our young people become better acquainted in public schools, colleges, and in the military, they are placing greater demands on their churches and denomination to be racially inclusive in their ministries. We are eager to help pave the way for those congregations who believe that the Great Commission involves a challenge to reach all people with the gospel.

Those who serve within these cooperative ministries are especially happy to provide their services to churches and associations of both Baptist State Conventions. In addition to the Director, they are Mrs. Mary E. Washington, Office Secretary; C.C. Craig, Jr., Raleigh; Leo Williams, Jr., Raleigh; J.Z. Alexander, Raleigh; Benjamin Daniels, Winston-Salem; and Mrs. Alcovia O. McCall, Asheville.

Respectfully submitted,
Corbin L. Cooper

THE SAMARITAN GOODWILL CENTER

WOMEN'S DIVISION

The Planning Committee for the Women's Division has pursued several avenues for support in the past year:

1. Contacing churches within the areas of Cumberland County and Fort Bragg. With this plan of contact, three churches committed for monthly support and five agreed that after the operations begin they will offer support.
2. Opening and operation was offered by a local establishment; at which time the Committee voted and agreed unanimously to this plan of operation. With our support along with this establishment's support, we received notice that the operation expense for one year would total $15,000. With this information, it was voted to abandon this source of operation.
3. The Committee - in a called meeting - agreed to visit each church with promotions, talk, and pictures of our operation in the Women's Division.
4. We have at present been in contact with a Group that indicates their willingness to help with expenses and work all areas of responsibilities equally.

We hope and pray to have the Women's Division open within the next few months.

Respectfully submitted,
Claude Carter

During the year, a recommendation was presented to the Executive Committee that the institution known as the Fayetteville Rescue Mission come under the sponsorship of the New South River Baptist Association. After several meetings of the Board of Directors for the Fayetteville Rescue Missions, and in conjunction with the Deacons of Fayetteville/Second Baptist Church, as well as the Associational Planning Committee for a Home for Alcoholic Women, the recommendation was officially approved. This was an enlargement of the original plans, but it seemed so definitely God was opening doors of greater opportunity.

The plans for the Alcoholic Home for Men - The Fayetteville Rescue Mission - included an updating and upgrading of the Program now being provided in the same facility.

A new Charter was applied for and a new Board of Directors approved by the Executive Committee of the Association. The Board of Directors are as follows

M.M. Beard-Chairman
John Lawrence-Vice Chairman
Wilbur Jackson-Treasurer
Mrs. Juanita Cain-Secretary

SHAW HEIGHTS BAPTIST MISSION CENTER REPORT

The Shaw Heights Baptist Mission Center has made much progress during this past year. Working closely with the Shaw Heights Mission Center Committee, many improvements and forward steps have been made.

Among them are:

1. The securing of a part-time Secretary to give the Pastor and the Mission Center more assistance.
2. The Snyder Memorial Brotherhood was enlisted to accomplish the necessary work on the Mobile Unit being used as a Classroom.
3. Encouragement was given to the Youth Singers, through the purchase of Youth Music and the piano being tuned.
4. Scholarships for underprivileged children was discussed.
5. A Mobile Unit - size 20' X 55', with a 13' X 13' room attached - was purchased from Faires, Incorporated. This Unit, at a cost of $6,000, was authorized by the Associational Executive Committee, with the understanding that the Unit was to be the property of the Association and that the Center would be responsible for the payment. This unit is being utilized in a wonderful way, for additional ministry at the Center.
6. The Budget - for the Year of 1971 - was approved, in the amount of $10,988.
7. Eighteen decisions for Christ resulted from the week-long Revival in May.
8. Twenty persons have been baptized within the past year.
9. A qualified grade school teacher tutored children two mornings each week, during the Summer months.

10. Employment was secured for both men and women in the general area of the Center.

11. Families have been assisted in the locating of housing in the area of the Center.

12. Food has been provided several families, as their needs became evident.

13. Clothing from the Center's Clothes Closet made it possible for children to attend school, men and women to seek employment, and entire families to attend Church.

About 25 Churches in the Association have been involved in the ministries at the Shaw Heights Mission Center. Clothes have been furnished for the Clothes Closet; food has been provided for the pantry; supplies for children's work available - through the courtesy of our Churches; cabinets have been donated while others have been made for the Center; several hours of painting equipment have been donated by the young people; literature and books have been given; finances have been provided. Recently, the Brotherhood from Cedar Creek voted to provide funds for a telephone at the Mission (this responsibility has since been assumed by an individual who is a member of another Church.). Without all this concern from the Churches - and individuals in the Association - the quality ministry at Shaw Heights would not be a realization.

Until this year, the Association has not been financially involved in the support of the work at the Center. The State Cooperative Program funds (and State Missions) have been undergirding the Pastor's salary for the last three or four years. Missions Investors Club funds have been used previously, to give temporary support in emergency needs. The Association has been involved in this work through "Shared Leadership" and leadership guidance.

New South River Baptist Association
Fayetteville, North Carolina 28304

Gentlemen:

We have made a limited examination of the books and receipts of the New South River Baptist Association for the fiscal year ended September 30, 1971.

The following schedules are submitted:

Scheduled "A" Statement of Recorded Cash Receipts and Disbursements
Schedule "B" Statement of Recorded Loans Outstanding
Schedule "C" Statement of Recorded Cash Disbursement and Budget Comparison
Schedule "1" Statement of Contributions from Churches

Our examination was directed primarily to the verification of the financial condition of the Association, and included a general review of the Income and Expense accounts, for the purpose of preparing the Financial Statement for the fiscal year ending September 30, 1971. It was made in accordance with generally accepted auditing standards applicable in the circumstances and comprised such test of the accounting records and supporting evidence and such other auditing procedures as we considered necessary.

In our opinion, the accompanying statement presents fairly the recorded cash receipts and disbursements of the New South River Baptist Association on a basis consistent with that of the preceeding year.

Respectfully submitted,
Julian C. Odom
Public Accountant

Changes recommended for the Constitution and By-Laws

CONSTITUTION:

"Article VI - Officers and Their Election"

Section 1. Delete from the second lines the words, "Financial Recording Secretary, Auditor" and insert the word "Trustees" instead.

Section 2. Delete this Section from the Constitution. This will be recommended as a part of the By-Law VI

Renumber the remaining sections because of the Deletion of Section 2.

"Article VII - Trustees and Their Election"

Delete this Article by placing the entire Section on "Trustees and Their Election" under "Article VI - Officers and Their Election" as the new Section 5.

"Article VI, Section 5"

Change to read, "There shall be Three Trustees of the Association, one preferably a lawyer, serving Terms of three years, each on a rotating basis. On Nomination by the Committee on Nominations, one new Trustee shall be elected at the Annual Meeting. The expiration date of each Trustee's Term of office shall appear by his name in the Associational Minutes."

Renumber the remaining portion of the Article - or rather the remaining Articles.

"Article IX - Missions Council"

Reverse the two paragraphs now in this Article so that the second paragraph beginning with, "The Council shall consist ....." will be first in the Article.

Add the word, "Parliamentarian" after "Treasurer."

Delete the last sentence in the first paragraph as it now appears, that is: "Recommendations may be made through this Council to the Executive Committee and/or the Association."

Add this paragraph: "It will meet regularly two weeks prior to each Executive Committee and Annual Associational Meeting. It will consider, review and/or prepare recommendations concerning the Associational Program for action by the Executive Committee and/or the Association. Add Section 5: "Family members of the Staff shall not be employed by the Association for work in the Associational Office."

Dear Friends:

In the capacity of Administrative Secretary, I am neither required nor expected to submit a Report. However, I feel I must avail myself of this means of expressing my sentiments.

The overall Program of The Southern Baptist Convention isn't new to me, since I have been affiliated with it's Churches for a lifetime ..... starting at the tender age of three years. However, working in the New South River Baptist Association (since February 1970) has been a unique experience for me ..... another treasure for my book of memories.

If and when the time comes - for my family to journey onward .... to another location .... I shall labor until the last possible moment and leave with the same reluctance and regret as when I left my fulltime Christian duties, in the familiar surroundings of my native State .... Virginia.

Thank you - one and all - for your warm acceptance of me - into your Churches - into your homes - but, most of all, into your hearts! There is no reward as great for me .... as true Christian friendship and fellowship.

May God's blessings abound in your lives, as you continue to seek His Will for your lives - both as individuals and as members of your respective Churches .... and the Association.

Yours in Christ,
Dorothy G. Rodger
Administrative Secretary

P.S. On behalf of the Office Staff, I wish to apologize for the appearance of some of the pages in our Book of Annual Reports. However, under the circumstances, we had no control over the situation. The typing and printing-as well as assembling-was accomplished in our new office-with ladders all around us-men working in the ceiling above us-dust falling all over us-the Masters-the machinery, etc.-men going in and out of the office, with iron pipes, wiring, lumber etc.-men varnishing the doors, door frames, baseboards, etc.-electric drills blasting-electric saws grinding-sawdust flying. In addition to these handicaps, we had only about one-fifth of the electricity by which to work.

We are not complaining ... just wanted you to understand why the Book of Advance Reports is not the "finished product" we had both anticipated and planned.

It is our firm belief that our new office-when completed-will serve as an Honor to our Lord and a credit to the name of "Baptists". We invite you to visit us - first office on the Upper Level of the La Petit Plaz (the Mall with the green carpeting in front-next to Eagles), approaching from the stairway at the rear of the Mall. New Phone 485-8791.

REPORT ON "THE CORNER"

I.
SYNOPSIS

The endeavor at "The corner" is unapologetically Christian. It was conceived in prayer, born of faith, and nurtured by the work of dedicated lay people. Its exclusive aim is to meet people where they are and to offer guidance to where Christ would have them be. Because it is innovative and lacks expertise, it has incurred public misunderstanding and encountered operational deficiencies. However, these

same facts are true of first century Christianity. The consensus of those involved is that its mission be continued and improved.

II.
INFORMATION

1. AGE: "The Corner" is approximately seven months old. Operation began when a concerned layman negotiated the use of the property and personally advanced the first month's rental.

2. LOCATION: "The Corner" is located on the corner at the intersection of Hay Street, Bragg Boulevard and Robeson Street. This strategic location affords a Christian witness at the focal point of the drug traffic, youthful restlessness, and inquisitive searching for a way of life. The location was chosen purposefully.

3. PURPOSE: "The Corner" seeks to minister to the total man with the total Gospel seeking to meet both his body needs and his non-body needs in the Spirit of Christ. No discrimination is made because of sex, race, appearance, grooming, attire, culture, or religious heritage. The aim is to meet people where they are and to offer guidance to where Christ would have them be.

4. PERSONNEL: Work at "The Corner" has been done by concerned Christian Volunteers without any remuneration. Christians of all communions are invited to serve. Extreme emotionalism and Christless Humanitarianism are both discouraged. Personnel has been and continues to be the most critical need.

5. FINANCES: Money, supplies, and refreshments have come from individual and institutional voluntary sources. No funds of the New South River Baptist Association have been used. Approximately $300.00 per month is needed to finance the present operations.

6. PROGRAM: The program is un-structured in the traditional sense. Personal witnessing, religious dialogue, and prayer are usually in evidence at "The Corner." The young people have requested a more guided Bible Teaching and personal development program but lack of personnel has restricted development of such a program.

7. LOCAL CHURCH: Involvement in a local church is encouraged. Transportation and lack of welcome precludes many of the young people from attending.

8. POLICE: "The Corner" is paradoxically located. Its environment holds opportunity in one hand and jeopardy in the other. Its proximity to HAY Market Square houses of prostitution, homosexual hangouts, liquor and drug suppliers, and bus and hitch hiking points encourages scrutiny by the Police. Conferences with Law Enforcement Agents reveal a sympathy with the aims and motives of "The Corner" but also contain a warning for "The Corner" to discourage law breakers active in the area. An agreement has been reached that is mutually acceptable. Each will cooperate with the other to avoid embarrassment.

9. THE PUBLIC: Informed segments of the public are in sympathy with the endeavor. Lack of understanding has led to some complaints. A better public image and relationship is needed.

10. WEAKNESS: The greatest weakness is the lack of participation by churches. This could be remedied with strong leadership and an educational program to inform churches.

III.
EVALUATION

In view of the experience gained and the potential available, the consensus of those involved is that the mission be continued and improved.

The New South River Baptist Association could provide the strong leadership and educational program needed to improve church participation and meet the critical personnel shortage. The financial challenge would assume insignificant proportions if the sense of Ministry could be established.

Those who have pioneered this work will welcome the leadership and the undergirding of the New South River Baptist Association.

PROGRAM SUGGESTIONS

INTRODUCTION: Three considerations, other than financial, are pertinent in planning the ministry of "The Corner." They are personnel, plant, and program.

1. PERSONNEL: Christian Lay People are the key to meaningful ministry at "The Corner."
   (a) QUANTITY: A minimum of two mature Christian adults should be on duty whenever "The Corner" is open. Youth involvement is essential and unlimited.
   (b) QUALITY: Compassionate love for the unlovely is the prime priority. The most desirable traits are the ability to listen and the ability to respond on a one to one basis. The most undesirable traits are argumentativeness, legalism, and inflexible traditionalism. For the volunteer, maintaining a positive attitude in the face of disappointment is absolutely essential. On the job training is the best method development quality personnel.
2. PLANT: The corner is not a church building in architecture or decor and should not assume that image. Non-traditional expressions of Christian experience should be allowed in the architecture and decor of the building as creative atmosphere for the Young People. The following are suggested improvements.
   (a) BETTER OUTDOOR LIGHTING: This will create a better public image and discourage unlawful activities on and adjacent to the property.
   (b) CONTROLLED PARKING: This will allow free access and permit Christian activities on the lot while at the same time discouraging drug dealing from parked automobiles.
   (c) POSTING: Informative signs posted in prominent places should detail aims and prohibitions. This will make for better public relations and discourage unlawful activities.
   (d) CUSTODIAL CARE: Lot cleaning, window washing, and general custodial care by interested church youth groups as a Saturday morning project would enhance public symphathy and commend civic concern.
3. PROGRAM: The majority of the program participants have had little or no church experience. Those who have been related to a church have rejected its institutionalism and imperfections. The program should emphasize Christ and the great area of agreement in Christianity and de-emphasize denominational differences. The following suggestions include the idea that a study should be made of similar operations in our state.
   (a) BIBLE STUDY: A session in which objective and subjective Bible Study is under the guidance of a qualified Bible student. A book, an idea, or a theme previously announced should be studied at least once each week. The lecture method should be discharged. Group dynamics and dialogue should be encouraged.
   (b) LOCAL CHURCH: "The Corner" should be closed on Wednesday in order to involve the local church. The churches should be encouraged to invite the "street people" to a meal and worship on Wednesday evenings. This

opportunity could be on an assigned basis with the individual church selecting its week for participation. "The Corner" would be the pick up point and the church involved would provide transportation.

(c) MUSIC: One night per week should be scheduled for music. Groups from participating churches could select their night and plan the program around a musical theme that would allow for choir presentations as well as group involvement.

(d) PREACHING: One night per week should be scheduled for an evangelistic proclamation of the Gospel. Pastors, young people, or laymen could be the messengers. A "talk-back" session following the sermon should be allowed in order for unanswered "hang ups" to be resolved.

(e) HELPING AGENCIES: One night per week should be scheduled for various helping agencies to be available. Mental Health Workers, doctors, dentists, and vocational assistance people should be invited.

(f) PERSONAL WITNESSING: This should be the every day theme of "The Corner." However, one night per week should be devoted to a Christian Development and Witnessing Clinic in which the participants would receive instruction and "in the field" training.

(g) FELLOWSHIP: Prayer should be the food of this fellowship. The participants should be allowed to request prayer and give testimony in a guided group. The session could be ended with special refreshments for that particular night.

(h) WEAKNESS: The key to a program at "The Corner" is enough reliable people to carry it out. While there is the program to be maintained, there are also housekeeping chores and policing to be done. The insufficient amount of help has precluded a comprehensive program in the past. This weakness can be over come with strong leadership and the undergirding of the New South River Baptist Association.

CONCLUSION: These suggestions can be improved upon to be sure, but, they can not be implemented without additional personnel support. Only a sense of mission and calling can cause one to want to serve our Lord at "The Corner." There are many more ideas for program expansion that can be considered, but the above represent the essentials.

RECOMMENDATIONS OF THE LONG RANGE PLANNING COMMITTEE

OF THE

NEW SOUTH RIVER BAPTIST ASSOCIATION

I. USE OF POWELL PROPERTY:

1. Whereas this property consisting of 20 acres, or less, of virgin land, located adjacent to the Walstone Memorial Baptist Church property is most valuable to the needs of the Association as it is in its natural state for camping, picnics, retreats, day camps, etc.

2. Whereas such property available in that large of a block and that close to the churches of our Association is becoming more and more difficult to find.

3. Whereas the offices of the Association need to be located in a more easily vacated situation than a permanent facility built on this property would allow, in the event future needs of the Association should warrant the change.

4. Whereas an extensive investment in an adequate building for such offices could mean that much of the missionary work needing to be done in our Associa-

tion might conceivably have to be left undone during the debt retirement of such a facility.

5. Whereas the location of offices on the Powell property would have them located inconveniently for most of the persons needing the ministries of staff members located there.

6. Whereas the property is zoned "Residential" and such a zoning would not allow us to build an office facility on the property.

This Committee makes the following recommendations:

1. That a committee be appointed to begin immediate studies and plans for the development of the Powell Property as a Memorial Park in keeping with (1) above.

2. That the Association continue to provide office space on a rent or lease bases, until the Association shall deem it wise to make other arrangements.

II. RELOCATION OF OFFICE:

Your Long Range Planning Committee was forced to take what we believe to be "Emergency Action" in regards to the relocation of the Association Administrative Offices, when it was announced that the new Wachovia Building would be built on the property on which the offices are now located. The first indication was that the move would have to be made by Sept. 15; however, that time has been extended to October 1.

Your LRP Committee appointed a Sub-Committee to do the actual "leg work" in "running down" appropriate facilities. This Committee has "logged" many hours in looking at and negotiating for these facilities. Finally, on Monday morning, August 30, the Committee approved the following recommendation for consideration of the Executive Committee and the Annual Session of our Association:

That we sign a one (1) year lease with the Bordeax Shopping Center Management for 1472 square feet of office space on the following terms (what they offered, not we demanded):

a. Said office space to be partitioned in accordance with plans and specifications submitted by the Association staff.
b. Partitioning walls to be insulated against noise; electrical outlets to be located on every 10 feet of wall space; floors to be covered wall to wall with carpet; walls to be finished in wood paneling.
c. All utilities, heating and air conditioning to be furnished by Bordeaux Management; janitorial services to be provided, also.
d. Said lease may be signed in renewal one year at a time for a total of 4 years at the same rate as the first year.
e. New South River Baptist Association agrees to pay $3.00 per square foot per annum (or $368.00 per month) for the above space and services.

* NOTE: The N.C. Baptist Children's Homes maintain offices in the area as our Association does. They have indicated that they wish to continue to have their offices with us and have agreed to pay their pro rata share plus a fair amount for the services provided by our staff. The estimated amount of this will be $68.00 per month.

Motion was seconded and carried, without opposition.

The Moderator, Rev. Dwight Cooper, requested that anyone making a motion - or speaking for any purpose, speak loud and clear, in order that all present might hear. He then presented the appointment of Committees, to include: Committee on Committees: Mrs. Mary Bowen (Calvary), Mr. Stanley Owen (Village Drive) and Mrs. Leona Penland (Grace); Committee on Enrolment: Mr. Earl Faircloth, Chairman Mrs. Mary Faircloth, Mrs. Joyce Autry, Mrs. Wilma Faircloth and Mrs. Roxie Chamblee (all of Autryville) and Mrs. Brenda Hall, Mrs. Romia Hall, Mrs. Trudy Hall and Mrs. Louise Horn (all of Long Branch); also, Mrs. Peggy Ray, Mrs. Mary Roberts, Mrs. Sue Sutton, Mrs. Yvonne Carlton and Mrs. Linda Toombs (all of Central); Place & Preacher Committee: Rev. Robert Bowen (Calvary), Rev. Clarence Bobbitt (Magnolia), Rev. Emory Holden (Central), Rev. Larry King (Mt. Pisgah) and Rev. Carl

Strickland (Tabernacle).

Rev. Robert Bowen requested that members of the Place and Preacher Committee meet with him, in the Pastor's Study, before lunch, in order to plan for next year's Annual Session.

In the absence of Marion Clark, Rev. Henry Herring (Eureka) made a motion that the recommendations on Pages 55-57 of the Book of Advance Reports be adopted as changes to the Constitution. Motion was seconded, with vote scheduled for Thursday's Session.

The Auditor's Report for 1972 and the Proposed Budget for 1973 were presented by Russell Davenport, Chairman of the Finance Committee. He commented that the Association had performed extremely well, during the past year and that he was grateful for the response of the Churches, in their September contributions to the Associational work. He paid a special tribute to L.Y. Perry, Bookkeeper. Russell Davenport then made a motion that the Budget be adopted as proposed. Motion was seconded, with vote delayed until second Session.

The Moderator, Rev. Dwight Cooper, said he would not take the time to discuss the Executive Committee Report in complete detail. However, he called attention to: (the election of Jeff Roberts as Vice-Moderator, filling the vacancy left by James Parsons, when he departed this area to become affiliated with the Wilmington Association; (2) the Fiftieth Anniversary of the New South River Baptist Association for which he requested the prayers of all; (3) Rev. Charles Stevens' testimony of his tremendous experience, while attending the Pastoral Care Course at Baptist Hospital, which Rev. Cooper suggested as worthy of hearing by those who had not already availed themselves of the opportunity; (4) New meeting time for the Executive Committee - to be the Monday after the second Sunday of each month at 7:30 P.M., rather than at 11:00 A.M., with the exception of the November meeting, which would conflict with the Baptist State Convention and will therefore be changed to the following Monday. Motion that the Executive Committee Report be accepted as read was seconded, with vote scheduled for Thursday's Session.

Rev. Cooper said that the feeling of worship already experienced in this Session would go throughout the entire two-day Session. He added that he knew it was a temptation to read all the reports contained in the Book of Advance Reports, but requested that they delay doing this, until after the day's Session. He said that those who participated in the periods of worship were not "Just people" to read the scriptures, offer prayer and/or messages in song, but were there to seek the wisdom of God.

Rev. Charles Stevens expressed his feeling that the Fiftieth Anniversary would be a very significant day. He mentioned that the first meeting was in March 1924, and was held at the Autryville Baptist Church, and said we would be praying that some of those present for the first meeting in 1924 would also be present at the Fiftieth Anniversary Meeting in 1974. He said the Committee has been busy making plans.

Rev. Stevens stated there was one thing that he failed to do and for that he apologized. He asked the Volunteers, who had helped to assemble the Book of Advance Reports,. to stand and be recognized, as he expressed since appreciation to them, on behalf of the entire Association.

The first message of the morning Session was brought by Rev. Charles A. Stevens, Associational Missionary. He said that he wished to read the same Scriptures that he read at the Annual Meeting nine years ago, when he first became the Superintendent of Missions at the New South River Baptist Association, because he believed that they were the heartbeat of the heart-throb of the work that is being attempted by the Association. Following the reading of Matthew 9:36-38 and John 4, he offered

prayer. Rev. Stevens then journeyed back - in memory - to the day when he was first approached about the possibility of becoming the Associational Missionary. He was conducting a General Bible Study at Bonnie Doone Baptist Church. He said that his evening was ruined - just by the proposal. On the following day, a group of men took him on a tour of the area, pointing out the work to be accomplished. At about 11:30, that morning, he said to the Committee, "Fellows, take me back to the Church ... I've had about all I can take". Now, as his term of duty is nearing the tenth year, he said, "We should have a consciousness that God wants us in the position we are in". He reminded those present that the Association was not attempting to do something instead of the churches doing that something, but it was a matter of the Association and the churches "doing something together that we cannot do alone". He said that the chapter in Matthew became alive, again and again to him ... "as Jesus saw the multitudes, he became filled with compassion", adding that "that is the reason we have the World on our Doorstep on our Newsletter .... people from here go all over the World; the challenge has been so real". He continued, "In recent months, we had the opportunity to have Dr. Russell Bennett with us, for a special study. There were some statistics that seemed to reach out. I am sure that Bill Ross will be touching on these in some of his work. Rev. Stevens shared his experiences of his six-week Course in Pastoral Care, at the Baptist Hospital in Winston-Salem, after which he closed with prayer.

The Moderator, Rev. Dwight Cooper, asked for a report of enrollment. Rev. Harold Smith, Clerk, reported 226 Messengers and 78 Visitors.

Special music was offered by Terry C. Terry, after which he led the congregation in the singing of "Jesus, The Very Thought of Thee". While the Campbell College Choir members were assembling themselves together in the choir loft, Dr. Cammack presented the Guest Speaker - Mrs. Kenneth Bragg - Missionary on furlough from the Chofu Baptist Church, Tokyo.

Under the direction of Dr. Paul Yoder, the Campbell College Choir presented the following selections: "Oh Be Joyful" (Psalm 50)' "The Shadows Are Falling" (a new Christmas Carol - to be a part of their Concert on the first Tuesday night of December)' "I Stood by the River Jordan to See the Ships Sail By" (a Negro Spiritual), "Poor Man Lazarus" (based on the story of Lazarus and the rich man), "Dip Your Finger in the Water Coming - Cool my Tongue Because I'm Tormented in the Flame" and "Shall We Gather At The River".

Mrs. Kenneth Bragg told of her excitement about the home provided for them - and other missionaries on furlough - by the members of Snyder Memorial Baptist Church. She said that the entire family enjoys the home, every day, and appreciate the opportunity of fellowship with the wonderful people of Campbell College. She told of her husband pastoring the First Baptist Church in Princeton, _____ , in 1965, and of her being asked to teach the Mission Study Book "Which Way Brazil". It was in her study of this book that she became aware of the need for someone to go to Brazil. In 1966, her husband was asked to be the Chairman of the "School of Missions". She said, "I tagged along ... we were being exposed ... I went just as his support ... not thinking that the Lord would be speaking to the "Braggs". This was an English-speaking church - an opportunity to tell people about the love of Jesus. We thought it was our responsibility to be equipped as well as we could be, so we attended every seminar - every meeting that we thought would help. We do not grow unless we come to the place that we can recognize the Lord in our lives. Another missionary once said, "When you cross the river, you will find out that you have sins that you didn't know you had". Mrs. Bragg told of their many experiences that led them to final victory over "attitudes" that had hindered and hampered the work of the Lord in this area. She said, "It doesn't take but one bad attitude to

spoil the whole church. I didn't know that God's power is something that you can live every day regardless of circumstances. The power is in God's word." She then read Phillipians 4:16.

The Moderator recognized Rev. E.C. Chamblee, Pastor of the Autryville Baptist Church, who gave instructions for lunch, after which Rev. G.N. Ashley, Pastor of Long Branch Baptist Church - serving as Co-Host for the occasion - was asked to offer blessing for the noon meal.

Warren Mallard opened the afternoon Session by introducing Bob Haynes, Choir Director from Snyder Memorial Baptist Church. "All The Way My Saviour Leads Me" was presented as a duet, by Bob Haynes and Owen Widman (a choir member from Snyder Memorial), after which Bob Haynes rendered a solo, asking the congregation to join in on the singing of the chorus. He then sang "Set My Soul Afire, Lord". Hearts continued to be blessed as Cindy Haynes (daughter of Bob Haynes) played "The Lord's Prayer" on the hand bells. The congregation sang "Rise Up, Ye Men of God".

The afternoon Devotional was presented by Rev. Samuel McLamb, pastor of Parkersburg Baptist Church, after which prayer was offered by Rev. Julien Gruber, Pastor of Beaver Dam Baptist Church.

Rev. J. William Ross, Director of Church Development for the Association, was recognized by the Moderator. After a few remarks, pertinent to the overall Church Development Program, Bill Ross called upon the Associational Leaders who, in turn, shared their aspirations for the new year - in their various capacities: Educational Council - Wayne Ham (Snyder Memorial); Sunday School - Rev. W.H. Calcutt (Mt. Elam); WMU - Mrs. Pauline Mercer (Macedonia) and Brotherhood - Rev. W. Harold Bridges (Walstone Memorial), In the absence of other leaders, Bill Ross conveyed some of the plans for the Church Training Program (W.H. Ledbetter of Eutaw Heights) and the Music Program (Mrs. Millie Turner of Faymont). The closing remarks of Bill Ross were: "The power and resources are available. The only thing that can prevent us from going forward is our own lethargy".

Announcement was made by the Moderator that a ride back to Buies Creek was needed by Mrs. Kenneth Bragg.

Marse Grant, Editor of the Biblical Recorder spoke on the "Together We Advance" program for our Southern Baptists, stressing the need of a 10% increase in gifts - in a three-year period, and a 10% increase - each year - in Sunday School enrollment, Associational Missions and Baptisms. He said, "More people seem to be interested today in serious Bible study than in the last 20 or 25 years. We need stronger teachers - particularly for adults and young people. The young people are being well-educated, today. We are asking for drop-outs from Sunday School, when we let a weak teacher stand before them. You don't build a strong church without a strong Sunday School." In speaking of Associational Missions, he stated, "The Associations were here long before any Conventions were formed in the States, the first having been established in 1707 and our own Sandy Creek Association was founded in 1756. The nature of the Association has not changed a great deal. In the beginning - as now - they were formed to promote missions & establish new missions. There are 80 Associations in the State of North Carolina. This is another thing I like about our Baptist churches - two-third's have a membership of less than 200 and eighty-three percent has a membership of less than 500. We are a State of small churches. The churches ought to increase their Associational Missions gifts by at least 10%.". Continuing, Marse Grant commented, "Our churches really have an opportunity for new ways of reaching people. I believe that our denomination speaks for itself - in the approach it uses. Southern Baptist Radio & TV Commission is also trying to spread the gospel, but we operate on public service time, rather

than paid time. I want us to keep an open mind. We (Baptists) are not the only ones in God's Kingdom. We do not ever leave that impression! If my appraisal of the "spirit" among our people, this year, is correct, we are going to continue to grow and go forward. TOGETHER WE ADVANCE!"

Rev. Dwight Cooper, Moderator, recognized Calvin Knight, from the Baptist Hospital in Winston-Salem, and Marilyn Grant, Wife of Marse Grant.

New Pastors - Rev. Julien (Randy) Gruber (Beaver Dam) and Rev. Sam McLamb (Parkersburg) were recognized by Rev. Charles A. Stevens, Associational Missionary.

Floor was opened for Miscellaneous Business. There being none, congregation then joined in the singing of "Hark, the Voice of Jesus Calling".

The Moderator recognized Rev. W.H. Calcutt and Russell Davenport, members of the General Board of the Baptist State Convention. Comments from Rev. Calcutt were as follows: I was amazed to learn what has been happening across the State. There is no limit to what we could accomplish, if we put our hearts and hands to it. Some of the struggling churches have specific needs. It is through the Cooperative Program that the pastors of these churches receive help. Money is also available for purchase of lots and building sites. Many in our own Association have received help. Fifty-four Association - throughout the State - are receiving help, financially. This year's Budget is $72,000. There are always more requests for aid than the Convention is able to grant. These requests reflect basic needs that exist. You help Fruitland Bible College, whose enrollment of 211 includes 157 from our State (all of whom are accepted upon recommendation from our churches). You have a part in the deaf ministry, the Cherokee Missionary endeavors, the Oriental and Spanish work; also the work that is carried on in our Children's Homes, at our Camps (CaRAway, Mundo Vista, etc.), the Baptist Hospital and our Homes for the Aging. The Cooperative Program is an arm with a 25,000-mile reach in circumference." To these comments, Russell Davenport added, "We have a mission call in our own churches. Beyond the church there is the New South River Baptist Association - our next best means of doing local mission work. The Cooperative Program is our second avenue of mission work. Eight million dollars was the Goal for 1972. This Goal has been increased by a half-million for 1973. I attended a meeting at Mundo Vista, last week, where Dr. Crouch reported that this has been one of the most fruitful years in the history of the State."

Rev. Charles Stevens, Associational Missionary, suggested that the Ministers' Chorus be dispensed with, due to the program running late. The people in general did not favor this suggestion, and the Ministers' Chorus sang "Standing On The Promises of God". Congregation joined in the singing of the last verse.

Scriptural reading was offered by Rev. Clarence Hopkins (Mt. Gilead). He chose I Col. 1:1-20.

Rev. James Hester (Carroll Memorial) presented the afternoon Message, after rendering prayer. Among other factors contributing to world conditions of today, he stressed the deterioration of the home. He said, "In the home, we don't hear about the Cross. Parents are negative. Parents are trying to get young and the young are trying to get older. We don't hear talk about the Cross. We like to talk about things that we can change. We have been dealing with the people from long distance. Need to be more concerned about the sin-sick throughout the area of our Association - more than "all over the world". Gone are the days when our buildings and our churches are used one day a week. This was the biggest waste! We are beginning, now, to minister to our aged. Many are leaving the established church. Some are switching from church to church. Some of those who are in the church are as stiff as those in the morgue. We need a new discovery of the book - the Bible. We can trace the deterioration of the church and the home to the straying away from the

Scriptures. We are looking for new gimmicks. We are finding it harder and harder. We are in trouble when two of the most important platforms in politics are "abortion" and "women's lib". We must get the power back, and it can only be done at the Cross. We must put our eyes on the Cross and our hearts on Jesus.

Rev. Dwight Cooper, Moderator, remarked "I thank God for this Session, today. The Holy Spirit has led us".

The Chairman of the Place & Preacher Committee, Rev. Bob Bowen, stated that a place was needed for next year's Annual Session, adding that we would like to be in a position to announce "the place" during the next day's meeting.

The Moderator asked if there were any new pastors present, at this time, who had not been previously recognized. There were three: Rev. Bill Maynard (Liberty); Rev. Ed Hamblin (Gethsemane)' and Rev. Verlin Secrist (Sharon).

Motion was made for adjournment. It was seconded and carried.

Rev. Emory Holden (Central Baptist Church) offered the closing prayer.

49th ANNUAL SESSION

CENTRAL BAPTIST CHURCH

THURSDAY, October 19, 1972

(Second Day

THEME

"Living The Spirit of Christ in Faith and Conquest"

Rev. Dwight Cooper, Moderator, introduced Harold Holt, Minister of Music at Fayetteville/First, who was in charge of the music for the second Session of the Annual Meeting. After leading the congregation in the singing of "Lord, Speak to Me, That I May Speak", after which he rendered three solos, "So Send I You", "Be Thou My Vision" and "How Great Thou Art". Congregation then joined in the singing of "Send The Light".

Scriptures from Ephesians 4 & 5 were read by Rev. Robert Doan, new Pastor of Antioch. Beofre offering the morning prayer, Rev. Lawrence Tew - new Pastor of Wade - stated that one of the greatest ways we can share ourselves with the Spirit is through prayer.

The Moderator called for Registration Cards to be given out to those who had entered through the back door and perhaps had not registered.

Rev. Jeff Roberts was called upon by the Moderator to present a report on Christian Social Ministries. Acting on behalf of Rev. James Murphy, Chairman of the Christian Social Ministries, Rev. Roberts said, "The work that we are about to present to you is more than just Christian Social Ministries. In fact, the evangelism of these ministries is more than in some of our churches. Each person will have eight minutes. We have "Whoportunites" in this field of endeavor and we are just scratching the surface, but I am thankful that we are scratching the surface.

a. RUDOLPH BROCK, Director of The Samaritan Goodwill Center expressed his appreciation to the people of the Association for making his work possible. He said that the Center was a home for the homeless, as well as men alcoholics, adding that it was because of the love and concern of our people that these men are provided warm beds and food. He said that God had given him new life and he felt that the Center was where God would have him. He requested prayers for the men and

for himself.

b. CLAUDE CARTER stated that this ministry would have received little acceptance, had it been entered into with the attitude that the inmates were drunks, robbers, etc. He affirmed that, of the 1950 men converted during this three-year ministry, he knew that 700 were saved and were witnessing for the Lord, adding that he was in constant touch with them. He said that these men can be useful citizens - if we will help them. He added that a man's sentence oft-times begins upon his return to society.

c. A Report on the work at Shaw Heights Baptist Mission Center was offered by RUTH FAIRES. She said that they have many ministries, in order to win people to CHRIST. She commented that they had many "jewels" helping them, one of whom is CONNIE COLEY, serving as Secretary, Treasurer and Counselor. Another dedicated servant - GENEVA SEAGROVES - was presented. She told of her work with the 3 - 5 year old kindergarten children, of the blessing the Center had been in her own family, of the youth work, the food bin and clothes closet. She expressed appreciation to the people of the Associational churches, for their assistance in many ways.

d. KEITH KERBAUGH, Director of The Corner, presented LARRY and BARBARA - a husband and wife who were saved through the ministry at The Corner. In commenting on his conversion and his current way of life, he said that he had found strength from the Lord and he thanked GOD for JESUS and what HE had done for him. BARBARA said that her life was a complete mess, before JESUS came into her life. She said that she had given the LORD a crumb and HE had given her a loaf of bread. She affirmed that, had it not been for The Corner, she would not be saved and living a happy life, today.

e. TAKESHIA IIDA stated that his ministry among the Oriental Families in this area was very meaningful to him. Ironically, his becoming a Christian was actually the result of his intention to destroy the work of the CHRISTIANS in his native land. Having been reared in an atmosphere of Shintoism and Buddhism, he felt it necessary that he learn everything he could about CHRISTIANITY. Through his regular attendance at every worship service possible, his attitude changed. He realized that the spirit of the people was prompted by love and, in reading the BIBLE, he learned of GOD'S love. Within a year, he was baptized. After three years of ignoring the call of GOD, he gave his life for full-time CHRISTIAN service during a Summer Retreat. Sadly, in closing, he said that, in Japan, only one out of every thousand is a CHRISTIAN.

f. MRS. ELLEN HOOD, Area Representative for the Baptist Children's Homes, was introduced by REV. CHARLES A. STEVENS, Associational Missionary. ELLEN reminded the people that, although the Children's Home is not in our Associational Budget, members of our Associational churches do support their work through the Co-operative Program. She advised that LARRY SAWYER was now able to devote his full-time to Odum Home, at Pembroke and that she was available - in the Associational office - whenever the people of our area were in need of her services, as Social Worker for the Baptist Children's Homes.

JEFF ROBERTS, Vice Moderator, closed this part of the program by commenting that the people at The Corner were doing what GOD leads them to do, but that work was not detracting from the work of the church, adding that JESUS loves the whole wide world.

The congregation joined in the singing of the hymn, "TO GOD BE THE GLORY" as led by TERRY C. TERRY.

The Moderator asked if there were any visitors present from other Agencies or Associations.

The Clerk reported a Registration today of 121, stating that there were 321 Regis-

trants, at the Wednesday Session.

REV. ROBERT BOWEN, Chairman of the Place and Preacher Committee, recommended that REV. HAROLD T. SMITH (Cedar Creek) be the Preacher for the 1973 Meeting and that REV. ED E. ROGERS (Faymont) be the Alternate and that the first day's session be held at Cedar Creek Baptist Church and the second day's session be held at Highland Baptist Church. This recommendation/motion was seconded by REV. JEFF ROBERTS and carried.

REV. ROBERT BOWEN, Chairman of the Membership Committee, presented the name of LaGrange Park Church for membership in the Association, stating that LaGrange had been operating as a Mission, until May 28th, at which time it was constituted as a church. Current enrollment in Sunday School 225; 16% of church receipts given to the Co-operative Program and 2% give to the Association. Motion was made by REV. BOWEN that LaGrange Park Church be received under the watch care for one year and that, next year, motion be made that they be accepted into the Association. Motion was seconded and carried.

The Moderator called for other items of business to be considered, at this point. There being none, REV. COOPER (Moderator) commented, "I CAN'T BELIEVE THAT THE SAME THING IS HAPPENING AGAIN TODAY THAT HAPPENED, YESTERDAY. I CAN'T BELIEVE I AM IN A BAPTIST MEETING." (he was referring to the sweet sweet spirit throughout the entire meeting). "I WANT TO INTRODUCE BILL ROSS AND WILL ASK HIM TO INTRODUCE OUR SPEAKER, SO THERE WILL NOT BE ANY BREAK."

Referring to the Scriptures in Matthew 16, BILL ROSS said that those who have made a profession are those that HE uses to build HIS church and that we have the power and insight to do HIS work. In stressing the work of the Church Development Division of our Association, he reminded those present that never can the salt and the light of CHRIST be seen and expressed and never can our churches make their impact on our society of today, until we - the people of the churches - are prepared. He advised that trained and competent leaders were available to assist with the work of the various phases of our church programs. He said that church developing is a challenge and all 26,000 members of our Associational churches are needed to accomplish the work.

WARREN MALLARD was called upon by BILL ROSS to present JOAN NORTHERN.

Before the special music, BILL ROSS made a few introductory remarks about the Guest Speaker - REV. ROY SMITH, Director of the Town and Country and Seminary Extension Department of the Division of Missions. He stated that REV. SMITH was a very able and competent individual, who could be working in a more lucrative position were it not for his answering the call of GOD to serve in this capacity.

Solo renditions of "TO BE USED OF GOD" and "FILL MY CUP, LORD" were offered by JOAN NORTHERN.

ROY SMITH said that he thrilled to the testimonies of those doing the Lord's work - especially at a time like the current age, when the church - in many places - is being written off as no longer being a significant factor. He admitted that there many evidences of retreat in the CHRISTIAN world. He said that the New Testament is serious, in stressing that a church must become involved, if it is to be a dynamic force. He pointed out that we must accept the whole of the CHRISTIAN'S commission, which would take us into all the world geographically, socially, spiritually. He reflected that many of us have limited our concern to that which we know about or that which burdens us and, more often, we have limited our love and concern to our kind of people. He affirmed that, if a church is to fulfill its mission it must meet every need, every sore and every hurt. He said that it is hypocritical for us to pray for - and give to - causes such as The Corner - unless we are will-

ing to get into the work. We must, he added, have the same kind of concern that caused JESUS to walk among the people of this world and minister unto them - to come down to their level. He reminded those present that we - as CHRISTIANS - must go forth, under the guidance of the HOLY SPIRIT and - by this means only - can we turn the world right side up!

The Moderator recognized the pastor of Central Baptist Church, EMORY HOLDEN who, in turn, welcomed everyone to their church and gave instructions for supper in the fellowship hall.

WARREN MALLARD opened the evening session with a Memorial Service. He said, "WE NEED TO PAY OUR BEST TRIBUTE TO THOSE WHO HAVE GONE AHEAD OF US. WE CAN DO THIS BY GIVING ATTENTION AND CONCERN - AND RECOGNIZING THEIR EFFORTS. LET US THINK OF THESE PEOPLE AND OFFER SILENT PRAYER, AFTER WHICH T.Q. WHITMIRE WILL PRAY."

Appreciation was expressed to the TERRY'S for their preparation and presentation of the music for this year's Sessions. After leading the congregation in the singing of "THERE'S A SWEET, SWEET SPIRIT IN THIS PLACE", TERRY C. TERRY rendered a vocal solo: MRS. CANTRELL, a member of Eutaw Heights, sang "I PLACE MY LIFE IN THE HANDS OF GOD", accompanied on the violin by TERRY C. TERRY. A violin rendition of "IS HE SATISFIED WITH ME" was offered by TERRY C. TERRY. He was followed by HAROLD GREGG BRIDGES (son of REV. W. HAROLD BRIDGES of Walstone), who sang "ALL ON THE ALTAR, DEAR JESUS". The congregation then joined in the singing of "IN THE CROSS" and "I SURRENDER ALL". A rendition of "WHO WILL STRIKE A LIGHT ACROSS THE DARKNESS", "SEARCHING QUESTIONS" and "OH LORD, TOUCH MY HEART" were offered by TERRY C. TERRY. Under his direction, the congregation sang "ALL HAIL THE POWER".

The evening devotion was given by REV. JACK GREGORY, Pastor of Highland Baptist Church, after which REV. ALAN W. GRIFFIN, Pastor of Trinity Baptist Church, offered prayer.

REV. DWIGHT COOPER, Moderator, said "WHO WANTS TO CATCH UP WHEN WE HAVE EXPERIENCED WHAT WE HAVE, ALREADY TONIGHT."

A report from the Constitution Committee was presented by REV. HENRY HERRING (complete report elsewhere in this book). His motion that the report be accepted as presented was seconded and carried by a two-third's standing vote, with no oppositions.

RUSSELL DAVENPORT, Chairman of the Finance Committee, referred the attention of those present to page 52 of the Book of Advance Reports. He made a motion that the corrections as indicated (Salary of Director of Church Development to be reflected as $6,600, rather than the $6,500 shown, thereby resulting in a change in the total figures) be accepted. This was seconded by REV. HENRY HERRING, after which the Moderator called for discussion. There was none. Since these figures had already been approved by the Executive Committee, the Moderator then called for a vote to the Amendment. Vote carried. The Moderator then opened the floor for discussion of the overall Budget, as presented. Considerable discussion followed, REV. W. HAROLD BRIDGES, Pastor of Walstone, said "WE REALIZE THAT THIS IS A CHALLENGE AND WE WILL NEED TO GET BEHIND THIS THING AND SUPPORT THE BUDGET IF WE VOTE FOR IT. THERE IS A CERTAIN AMOUNT OF 'ABSOLUTES' that have to be met, before everything else'".

RALPH FAIRES (a member of Eutaw Heights on loan to Shaw Heights Baptist Mission Center) stated that he had been impressed with the spirit of the people who attended the last two regional meetings and felt they really wanted to see things accomplished in our area; and they would increase their contributions, in order that the program might be carried out. He reminded everyone that $12,000 of the pro-

posed Budget was for New Work.

A vote for acceptance of the Budget was called for by the Moderator. The standing vote numbered 81 for and 14 against.

In view of the fact that our time was running out, REV. EMORY HOLDEN made a motion that we extend the time allotted for reports for another ten minutes. Motion was seconded and carried.

REV. FRED HALL, who presented the Report from the Nominating Committee. He made a motion that the officers reflected on pages 35 and 36 of the Book of Advance Reports be accepted as presented, with the addition of one name - WAYNE HAM as Chairman of the Educational Council. Discussion was called for by the Moderator, who also asked if there were any nominations from the floor. REV. EMORY HOLDEN stated that, due to the Constitutional change, the PARLIAMENTARIAN would be appointed instead of elected. Motion for acceptance of the slate of officers was seconded and carried. REV. EMORY HOLDEN was appointed PARLIAMENTARIAN.

REV. A.C. HUGHES was recognized by the Moderator and presented the Report of the Committee on Committees. He stated that the name of C.J. Faircloth, as Chairman of the Finance Committee, should be added to page 64 (the loose page given out, at the door), in order to complete the Report. His motion that Report be accepted was seconded and carried.

REV. RONALD LOFTIS was recognized by the Moderator, for presentation of the Report from the Resolutions Committee. The gist of the Report (complete Report elsewhere in book) was an expression of appreciation to Autryville, Long Branch and Central churches, for hosting this year's Annual Session; to Campbell College Choir, the Good News Singers and other Musicians appearing on the Associational Programs; and leaders and committees having had a part in the planning and preparation for the inspirational programs. The motion for acceptance of this Report was seconded and carried.

The Moderator recognized REV. HAROLD T. SMITH, Associational Clerk, who made a motion that the Book of Advance Reports be accepted. Motion was seconded and carried. The Moderator asked if there were anything else to be said.

REV. CHARLES A. STEVENS, Associational Missionary, announced that two young ladies of our Association had something to share with those present; one young lady being MARTHA BLALOCK, the new Choir Director of Carroll Memorial Church and the other being ROBIN RHYNE, daughter of REV. GERALD RHYNE, pastor of Lebanon Church and HELEN RHYNE of the Associational office.

After singing, "I'LL GO WHERE YOU WANT ME TO GO", MARTHA BLALOCK said that she had found herself, since she let GOD have HIS way in her life. She told of her Summer work among the migrants of Kansas City, under the sponsorship of the Home Mission Board. She said that the young people who were involved in this missions outreach gave love - both physical and spiritual - to the migrants, many of whom found a new life. She felt that their efforts - despite the obstacles and unusual circumstances encountered - were well worthwhile. She said that the LORD had filled here with the HOLY SPIRIT. Commenting on the young people of today, she affirmed that their would be a revival among the students at Pembroke, this year, where she is a student, herself.

ROBIN RHYNE acknowledged her good fortune in having had CHRISTIAN parents and a CHRISTIAN home, throughout her entire life. She shared two recent experiences in her life that brought her to a greater realization of what GOD means in her life and what she feels is her responsibility as a child of GOD. A week-end Revival at their church (Lebanon), as led by students of Appalachi College, was the starting point for a new self, although she had been a professing CHRISTIAN for years. She admitted the difficulty encountered in the presence of non-CHRISTIAN

young folk, but praised the LORD for HIS sustaining strength! Super Summer '72 - as sponsored by the Home Mission Board - was the highlight of her life. Together, with 250 other young people, she learned the joy of witnessing to others about JESUS - in shopping centers and many other areas - and said that witnessing about JESUS was necessary if one wished to keep their hearts full of HIM.

These testimonies were climaxed by vocal presentations from "THE GOOD NEWS SINGERS". Prior to their singing, the Director - DON NEAL - told of starting this group with about 40 young people, at Village Drive Baptist Church, and that they had continued to GROW and GO, as the LORD had blessed. His closing remark was "WE HOPE YOU WILL BE BLESSED." Various members of the group gave testimonies. The purpose of this group is three-fold: (1) TO LEARN ABOUT CHRIST; (2) TO TELL OTHERS ABOUT CHRIST; (3) TO HAVE CHRISTIAN FELLOWSHIP. As they sang the number "PASS IT ON", they did just that, as many of the young people circulated throughout the congregation "passing it on" by patting the hands of those they passed. The finale was "JESUS, GO-GO-GO".

The Moderator expressed appreciation to THE GOOD NEWS SINGERS, to the Host Churches, again, and to REV. EMORY HOLDEN again. He then said, "YOU WILL NOTE FROM YOUR BOOK THAT REV. FRED HALL IS OUR NEW ASSOCIATIONAL CLERK. I THINK WE SHOULD SAY 'THANK YOU' TO REV. HAROLD SMITH, WHO HAS SERVED IN THIS CAPACITY FOR ABOUT FIVE YEARS."

Another expression of thanks was directed to WARREN MALLARD and TERRY C. TERRY, for having planned such inspirational music for both Sessions. The Moderator's closing remarks were "WITH THE SINGING OF OUR HYMN, THE 49TH SESSION WILL HAVE BEEN OVER, BUT THE SPIRIT WILL REMAIN ALWAYS."

The congregation joined in singing a hymn, after which the 49th Annual Session was adjourned.

CHURCH DEVELOPMENT REPORT

As I continue to serve as Director of the Division of Church Development, I have a growing appreciation for the Apostle Paul. He truly was a "church developer". Everywhere he saw a need, a church was established to hold forth the witness, and he was constantly engaged in strengthening the existing churches. His devotion to Christ, and dedication to His teaching, serve as guidelines for me, as I endeavor to minister in our area.

Statistics seem cold and impersonal. However, as I recount my blessings, joys and - even disappointements - I have to say that this has been a wonderful year! As opportunities have come, I have led conferences and workshops; taught books and studies; spoke at several types of meetings; supplied pulpits; met with committees; counseled with pastors and laymen, worshipped with congregations and attended meetings and events.

As the New Year approaches, I am convinced that the "great Commission" is my - as well as Paul's - pattern of work. The emphasis will be placed on outreach, and teaching the Christian skills. I shall make every effort to enlist all the leadership of every church in our Association, to become a more effective worker in His Kingdom. Pray with me that this year's work will be one that will bring men to Christ, and glory to His name.

Sincerely,
J. William Ross

CAMP COMMITTEE REPORT

During the week of August 7 - 11, at Wingate College, 27 Staff Members and 271 Campers - including Counselors - from twenty-four local churches had a thrilling expereince!

Every person attending will admit that the daily schedule was well filled. Without difficulty, each Camper was on hand for breakfast at 7:30, and was ready for the film time at 8:30, experiencing the reality of GOD through science and faith. Eleven well-prepared Bible Discussion Leaders presided over the next hour. By this time, everyone had a king-sized thirst, and the "break period" afforded an opportunity to browse in the college store and enjoy refreshments. Missionaries GEORGE and MARGARET BRASWELL made Iran and the Baptist work come alive as they shared of their experiences.

There was a well-fixed pattern of every person appearing on time for the Noon meal and Supper, at the College Cafeteria ... where delicious food was served.

According to scheduled age groups, PAT HERRING - Lifeguard - directed the swimming; GRADY McKEITHAN - the choir; MRS. MARGARET TATUM - the crafts; and JOHN LANTOWSKY - the recreation.

The Camp Chaplain - JAMES PONDER - challenged every Camper with a message, each evening. The high spot of the week came on Thursday evening, when some thirty-five Campers made commitments to CHRIST. Some were first 'commitments to CHRIST, and others were re-commitments. It was a thrill to hear the testimonies of these fine young people.

There was a time of sadness ... Friday Noon. Reluctantly, packing was accomplished and homeward bound Campers exchanged good-byes ... as they anticipated a similar week, next year, at Wingate College (the dates being 6-10 August 1973). Truly, "we walked in HIS paths". Isaiah 2:3.

STUDENT COMMITTEE REPORT

With great zeal, your Committee planned and arranged for a STUDENT RETREAT, at Camp Dixie, 28 - 30 April. This RETREAT had to be cancelled, due to lack of response. There are explanations for the failure of response.

There is a cooperative effort with the Baptist Student Union, at Fayetteville State, and other institutions in the area.

BAPTIST HOSPITAL REPORT

The distinctiveness of the Baptist Hospital's ministry lies not alone in it's CARE for charity patients, but also in the type of service it renders to all it's patients, and to many other people throughout the world. As an Academic Center, it is engaged in research and in education, as well as DIRECT PATIENT CARE.

The quality of DIRECT PATIENT CARE, provided at Baptist Hospital, is distinct in at least two respects. First, it is a specialized type of medical care, provided for referral patients who have RARE OR COMPLICATED MEDICAL PROBLEMS. Because

of the highly-skilled specialists in almost every area of medicine, and the elaborate equipment available for diagnosis and treatment, it is able to provide the kind of CARE which is available only in a large medical center. It is one of only 108 such medical centers in the United States. A second distinctive of the Hospital is CHRISTIAN CONCERN for the total person. A SPIRIT of CONCERN is found among all staff members. The Department of Pastoral Care seeks to minister specifically to the SPIRITUAL and EMOTIONAL needs of patients and their families.

Even with the tightening of admission policies and procedures, only one person in twelve months-i.e., one in approximately 17,000 applications for admission - was not assisted. In 1971, charitable allowances, amounting to $1,370,000, were issued to patients who were unable to pay in full. The MOTHER'S DAY OFFERING of $371,000 helped make this charity work possible.

The new patient tower is being completed and some departments have already moved into the lower levels. Complete occupation should take place by January 1973.

Your Committee urges each church in our Association to support this worthy ministry.

REPORT ON BAPTIST HOMES FOR THE AGING

Our Baptist Homes for the Aging now operate five resident Homes, with two located in Winston-Salem, and one each in Albermarle, Hamilton, and Yanceyville. These Homes have a capacity for 162 residents. In addition, there is a NURSING CARE UNIT located in Winston-Salem, with a 63 patient capacity. In these Homes, the staff specialized in TENDER, LOVING CARE.

The Special Offering and the Cooperative Program reflect an encouraging increase. Through these two vital sources, the Homes have derived almost 30% of the total operating budget. The significant fact about this support from our Baptist people, is that the majority of the residents in the Homes are persons with real financial needs.

Ministry to an OLDER PERSON is a direct ministry to CHRIST, and is one of the fine things that we - as Baptists - are doing. Be sure that you and members of your congregation are a part of this ministry.

CHRISTIAN EDUCATION

Together we seek to provide opportunities for students to seek Truth in an atmosphere of freedom, guided by persons who are committed to GOD as He is revealed in JESUS CHRIST. This ideal always exceeds our grasp. However, it is the ever present goal toward which we strive. The prayers and active support of North Carolina Baptists are necessary ingredients in helping the actual and the ideal to move more closely together.

The Baptist colleges in North Carolina continue to be grateful for the vital financial support which comes through the Cooperative Program. Outside of student

charges, the Cooperative Program is the largest financial source of annual income for our colleges.

One way our churches can help to relieve the financial burden of our schools is through participation in the Baptist College Scholarship Offering Day. Every year, many of our churches provide student aid funds for needy North Carolina Baptist students by means of this special offering on Father's Day. Other churches prefer to include this as a regularly budgeted item. We urge more of our churches to enter into this investment in our youth.

This inclusive enrollment of the seven North Carolina Baptist colleges during the past academic year was 16,609.

FOREIGN MISSIONS REPORT

The Missionary Organizations, WOMAN'S MISSIONARY UNION, AND BROTHERHOOD, do a fine job of promoting the WEEK OF PRAYER FOR FOREIGN MISSIONS, the Offering and the Study of the graded book series. However, when we look at a lost world, we must "tighten our belts" and work more faithfully at the task of WORLD MISSIONS.

On 1 January 1972, Southern Baptist Missionaries were under appointment to 75 georgraphical or political entities. Overseas missionary staff numbered 2,526. The areas of work included: Evangelism and Church Development, Schools and Student Work, Publication Work, Hospitals and Medical Care, and Benevolent Ministries.

STATE MISSIONS

State Missions is a multiplicity of special ministries too big for any one local church. These ministries to areas of need may be altogether supported by State Missions budgeting, or a cooperative budgeting arrangement of the local church, the association, the State Convention, and the Home Mission Board. Such specialized ministries include work at CHEROKEE and PEMBROKE, promotion and coordination of World Missions Conferences, support of part-time CHAPLAINCIES in several correctional institutions, assistance in witnessing to and enlisting for service ORIENTALS and SPANISH SPEAKING PEOPLES. A specialized ministry to the DEAF includes evangelizing, teaching and counseling the deaf.

Also included is a cooperative plan for SEMINARY EXTENSION and a rapidly growing RESORT MINISTRY. FRUITLAND BAPTIST INSTITUTE is an area of State Missions. Our cities need Baptist Centers and other expressions of CHRISTIAN social and evangelistic concern. State Missions continues a specialized ministry with OTHER RACES.

State Missions serves the pastor and local church. New churches are encouraged by loans and grants of lot aid. Needy churches are given financial aid until they can become self-supporting Pastors are directly helped through Annuity supplements.

State Missions is a cooperative ministry by the churches to people who need GOD and other churches that need help.

BIBICAL RECORDER

The BIBLICAL RECORDER is nearing the 100,000 mark in circulation - thanks to churches and individuals all over the State who have helped to bring this about.

Not only in circulation progress, but in other ways, this has been a good year for the RECORDER. During the year, WOODROW W. HILL, well-known pastor and writer, came with the RECORDER as field representative. He will be speaking in associations, churches, pastors' conferences and in other meetings all over the State.

The RECORDER seeks to keep North Carolina Baptists informed on important issues. This is a heavy responsibility and the editor and his staff feel keenly the need of your prayers as they seek to be good stewards to North Carolina Baptists. If your church does not have the RECORDER in the budget, or if it does not have a club at all, please take the leadership in seeing that this situation is corrected in the coming year. The RECORDER will be 140 years old next January 18. Those responsible for its publication each week recommit themselves to this important ministry of the printed word.

ANNUITY REPORT

The Annuity Department is a cooperative effort among the Southern Baptist Annuity Board of Dallas, Texas, the North Carolina Baptist State Convention, and the local church.

The Board, in it's 54 years of existence has paid out in benefits a total of 92.1 Million, including over 10 Million during 1971.

On 1 March 1972, DAROLD H. MORGAN took over as Executive President, succeeding R. ALTON REED, who had been President for over 19 years.

The Annuity Board offers a protection plan for disabilities, death, and retirement to every pastor, church staff members, association employees, and denominational agency employees.

Retirement contributions may be made on the full salaries of pastors and other personnel by taking advantage of Plans B and C as well as Plan A.

In our Association, we have 53 of the 75 churches participating in the Pastoral Plan, along with 58 staff members enrolled in the Protection Plan.

We recommend that 10% of the total salary of the pastor and the staff members be in the budget of each church, for the Protection Plan as provided for their care and protection.

STEWARDSHIP REPORT

Southern Baptists continue to make large advances in their mission support porgram, even at a time when many major denominations are cutting back. Cooperative Program receipts - at the Southern Baptist Convention level and in many States ... North Carolina included - are well ahead of a year ago.

To help the churches of our Association grow in support of this Cooperative effort, may we suggest:

1. That each congregation remember the needs of people around the World.
2. Every church observe Promotion Day for Cooperative Program on the third Sunday in April, and the Program during October, each year.
3. Contributions through the Cooperative Program be on a percentage basis rather than a fixed dollar figure.

The Stewardship Commission of our Convention now offers to the churches four church budget subscription options: Program of CHRISTIAN Stewardship; Committed to Tithe; Stewardship Revival; and Simplified Church Budget Development and Promotion.

In the area of Church Fund Raising, the Commission offers two plans: The Building for Today's Challenge, and the Together We Build program.

COOPERATIVE PROGRAM REPORT

The Cooperative Program is a part of the tithes and your offerings given through your church. Thus, your dedicated life with a part of your day-to-day labor goes toward witnessing to a lost world.

The Cooperative Program is sharing your love of GOD through 6,000 state, home and foreign missionaries. Last year, they were instrumental in bringing more than 66,000 people to CHRIST, who in turn followed Him into the waters of baptism.

The Cooperative Program is ministering to the needs of the sick through 21 Baptist hospitals and 105 clinics in many nations. You helped more than 1,000,000 patients last year, who could not pay the cost of their care. The Cooperative Program aids in bringing shelter, food, clothing and other necessities of life to 8,000 homeless children plus more than 2,000 elderly people through Children's Homes and Homes for the Aging throughout the world.

Last year 1,020 Baptist churches in North Carolina increased Cooperative Program giving by 10 percent or more over what they contributed the previous year. Did the church where you serve increase this much?

Will you do two things?

1. Will you lead the church where you serve to make a worthy increase in Cooperative Program giving?
2. Will you pray for your missionaries and other Cooperative Program causes each day?

BAPTIST FOUNDATION REPORT

The North Carolina Baptist Foundation, Inc., is a charitable corporation. It was chartered on 24 November 1920, under the laws of the State of North Carolina. As a charitable organization, it and it's donors presently have certain tax savings.

It was created by the Convention for the purpose of procuring endowment funds and for administering such funds, for all such funds, for all institutions and agencies, owned and controlled by the Convention. It is independent of the causes it serves, but committed to their best interests. It is not a competitive agency, but a service agency dedicated to the task of undergirding all of our Baptist work.

Any property owner who wishes to do so - Baptist or non-Baptist, resident or non-reisdent, man or woman, young or old, can use the Baptist Foundation through cash, securities (stocks, bonds, notes, mortgages); real property (farms, woodland, houses, lots); and any and every kind of property, real or personal. These gifts can be in the form of a living trust, gift annuity, or by bequests in wills.

The Baptist Foundation stands ready at all times to aid individuals in making adequate preparation to use of the foregoing methods in providing for any agency or institution fostered by the Baptist State Convention of North Carolina, or any of the Southern Baptist Convention agencies or institutions.

When one uses the Baptist Foundation, one is EXTENDING HIS STEWARDSHIP IN PERPEUTITY. This can and does bring a great deal of satisfaction and joy to the person who uses the Foundation for this purpose.

If you have any further questions or need a representative to visit you, you may contact The North Carolina Baptist Foundaion, Inc., P.O. Box 26508, Raleigh, North Carolina 27611.

HOME MISSIONS REPORT

Due to the rising cost of living and a slowdown in giving, our Home Missionaries number 2,229-a number close to the same figure as one year ago. However, more than 400 Missionaries were appointed in all categories, serving in all fifty states, Puerto Rico, and Panama. Two-thirds of all missionaries are jointly supported by state conventions, and only one-third are entirely supported by the Home Mission Board.

The Division of Evangelism will premier in October a weekly television presentation featuring KENNETH CHAFIN, the SPRING STREET SINGERS, and spcial guests. Added staff members are REID HARDIN- in renewal evangelism and WILLIAM POWELL- bus evangelism.

909 Southern Baptist ministers are serving as chaplains in the military, in hospitals, institutions and industry.

Church Loans has broadened it's service to consider requests from groups in the older established states of the Convention and from "Negro and other ethnic Baptist Churches."

The Disaster Relief Board contributed $1,000 to the area when Hurricane FERN hit the Texas coast, in the Fall of 1971. Earlier in the year, $50,000 was given to assist the California Baptist General Convention and the churches in recovering from the earthquake which shook the San Fernando Valley area.

The Strategy Planning Group has been assigned the responsibility for response to the needs that the discontinued "Crisis Committee" did handle.

A total of 960 Student Summer Mission Personnel were under appointment in 1971. Eighty-seven of those sponsored by the Board received no compensation and 21 paid their own travel expenses. More than 900 are expected to be appointed in 1972.

Church Extension continues with a major emphasis, "Extend Now" - using laity in leading home BIBLE fellowships, using organized work such as Sunday School, VBS and other organizations as first units, plus community events which help to start work within an area.

Mission Leaders in Language Work led in starting 90 new congregations. This work reports 886 couples and 121 single missionaries under appointment.

The Department of Interfaith Witness distributed more than 200,000 copies of pamphlets, informing Southern Baptists of how to relate to other faiths and work across religious lines.

The goals of the Pioneer Missions are now incorporated in other programs.

The ASSOCIATIONAL ADMINISTRATION bulletin serves as an effective link in providing planning, conducting, and evaluating the work in associations, the sharing of findings through conferences and publications, and through the development of associational strategy awareness conferences.

The Mission Leaders are studying the rural-urban areas and are developing a strategy to assist churches and associations as changes take place.

Mission Leaders are initiating plans for conducting local church urban training on a large scale. An extensive emphasis is being placed on long-range planning projects for metropolitan associations.

Income for the Home Mission Board continues to exceed $15 million, but the increase each year amounts to less than three percent while operating costs have increased by six percent annually. Slight increases in salaries and fringe benefits have eaten away at continued expansion of Home Mission work. Reduced funds have slowed the appointment of many qualified people. This financial pinch is being felt in all mission work, forcing Mission Leaders to stretch the mission dollar in many ways.

The SBC Executive Committee asked the Convention for a 9.8 percent increase for the HMB for 1973. ARTHUR B. RUTLEDGE, executive secretary of the Home Mission Board, said he thought churches were responding well to the appeals for increased giving through the ANNIE ARMSTRONG EASTER OFFERING, promoted by Woman's Missionary Union.

EVANGELISM COMMITTEE REPORT

The Great Commission is being carried out through the work of the HOLY SPIRIT in our churches as they send forth workers into the fields. There were 396 laymen involved in the WIN program of Evangelism and 18 leaders trained, as clinics were held in three of our churches: Eutaw Heights, Salemburg, and Faymont, 17 - 23 January 1972. State-wide, there have been more than 6,000 youth and adults from 425 churches involved in this outreach ministry.

Our Evangelism Committee, under the leadership of REV. ROGER JACKSON, spear-headed a Youth Rally in Salemburg, 18 March 1972 (Associational Youth Night), with approximately 300 in attendance.

The second State-wide Youth-Evangelism Night was held 18 August 1972, at Greensboro, with another almost packed house. Many decisions were made for the LORD.

The twenty-sixth State-wide Youth-Evangelism Conference was held at Fayetteville, 7-9 February 1972, with over 2,400 pastors and lay persons attending, hearing outstanding speakers challenging the pastors to involve people in the total ministry of evangelism through the church. The twenty-seventh State-wide Evangelism Conference will be 5 - 7 February 1973, at Ovens Auditorium, in Charlotte.

Let our prayer here in the New South River Association, be for continuing action in the "Going for CHRIST, going to people with a challenge about their relationship to CHRIST.

THE FIELD REPORT OF THE ORIENTAL MINISTRY - BY TAKAOSATO

This Ministry is jointly sponsored by the Baptist State Convention of North Carolina and New South River Baptist Assocoation. As the Minister to the Orientals, I have been serving in three aspects, which are Bible Class, Family Counseling and Pulpit Supply, as requested.

BIBLE CLASS:

There are three Bible Classes, which are held weekly. The schedule is as follows:

Monday	7:00 P. M.	Eutawh
Monday	7:00 P. M.	Eutaw Heights Baptist Church (Designed for Japanese-speaking people who cannot attend day classes).
Tuesday	10:30 A. M.	Grace Baptist Church (Designed for Japanese-speaking people).

Thursday	10:30 A. M.	Grace Baptist Church (Designed to involve any Nationality; therefore, the class is taught in English).

Each Bible Class consists of three sessions. The first session is the study of English language; the second session is the study of the Bible and the third session is choir practice. Occasionally, the Oriental Choir receives invitations to sing in churches throughout the Association.

FAMILY COUNSELLING:

One of the major problems for the wives of servicemen is that of communication, since some of the ladies had no training in the English language. This, in many cases, results in misunderstandings in their relationships. I have - in several instances - served as mediator. In two cases, I served as interpreter, at Court. I have also worked with the American Red Cross, Legal Assistance Officer at Fort Bragg, and the Salvation Army, to help meet the needs of these families.

PULPIT SUPPLY:

I made myself available to the churches, for speaking engagements, serving as Supply Pastor on several occasions. During other services (Sundays and Wednesday evenings), I have shared my testimony and enlightened the congregations as to the accomplishments in the Ministry to the Orientals. I have directed the Japanese Choir, for special presentations in various churches.

On 12 May 1972, I preached a message - in the Japanese language - at the First Baptist Church of Havelock, N.C., where they have a similar type Ministry - also sponsored by the State Convention.

SUNDAY SCHOOL REPORT

When statistics were compiled for our Sunday Schools, in the Association for 1970-71, we saw a considerable drop in enrollment, but a slight rise in average attendance across the Association. We feel that this reflects some changes in our counting enrollment such as Cradle Roll, etc. It also reflects that people who attend Sunday School are becoming more diligent about it and that, as a rule, the quality of Sunday School work is rising - thus causing more interest.

Our Associational Sunday School Officers have spent a great deal of time in training, this year, and passed along the knowledge they have gained in the Vacation Bible School Clinics, leadership sessions in individual churches, and conferences with church leaders. Our workers stand ready to assist any church or mission, in any way possible. Please feel free to ask for someone to conduct a clinic to meet a specific need in your church. We feel we can best meet your needs in this way.

We look forward to our Bible Teaching Clinic, in September. This will be an excellent opportunity for teachers to get Bible background, for teaching during the coming year. Many of the books being taught, by the visiting professors and preachers, relate to the Sunday School curriculum in Uniform and Life and Work lessons for 1972-73.

CHURCH TRAINING REPORT

In general, we are still confused about Church Training. Too many people still think in terms of "Training Union" or "B.Y.P.U." The objective of these programs

have changed, and Church Training is simply training Church Members, potential Church leaders, and provide orientation for New Church Members. Instead of unions, Church Training Council will gladly assist any interested persons (groups).

Our program of work has been primarily that of consultation, and a two-night Workshop, in the Spring.

Training is not optional, but it is imperative. Invite your Associational Church Training Council to assist you.

ASSOCIATIONAL WMU REPORT

This past year held many BLESSINGS for both the Associational WMU Officers and members of our Organizations throughout our churches.

Through the combined efforts of our officers, and the splendid cooperation of the church staff at Fayetteville/Second, we were able to conduct a successful Leadership Course, in their beautiful Sanctuary - and other adequate rooms, in October 1971.

Our District Meeting, in February, ended in an air of excitement about the proposed MISSIONS FAIR in April 1973. Even now, the WMU Officers are busily planning their respective booths.

April 1972 proved to be a BLESSING in disguise. We were unaware that our Guest Speakers, chosen by our District representatives, were engaged in ministry to "THE UNLOVELY" on the Aurora Strip, in Atlanta, Georgia. BILL and CAROL BLESSING - unaffected and unpretentious - used the "TELL IT LIKE IT IS" approach in their

presentations. As they continued to share their experiences with us - in the second Session .... our ladies became more conscious of our attempted work at "THE CORNER" - here in Fayetteville - and the many needs, here. The presence of the HOLY SPIRIT was in evidence, as our ladies voted - unanimously - to contribute Six Hundred Dollars ($600.00) to "THE CORNER". Because our hearts were BLESSED by both BILL and CAROL BLESSING, our ladies voluntarily collected a love offering for them!! The hospitality of the Pastor - and the WMU - in allowing us the use of their spacious Sanctuary, and providing us a delightful lunch - made us happy that we availed ourselves of their facilities for our Annual Associational WMU Meeting.

Ladies from 14 of our churches participated in the June Prayer Retreat, at Camp Dixie. Althouth this was the first Prayer Retreat - on an Associational basis - the ladies pray it will not be the last. REV. CALHOUN JOHNSON former Missionary to Peru, opened our minds to recognize the "GARBAGE IN OUR HEARTS" that MARS OUR SOULS and SHADOWS THE LIGHT of our WITNESS. There was hardly a dry eye, as the ladies recommitted themselves to JESUS.

To all of my co-laborers (especially the WMU Officers for 1972 and the Associational Office Staff), I am indebted for continued support, throughout every effort. Most of all, I am grateful for their love and genuine concern.

My heart was warmed by the welcome extended me, in the many churches where I SHARED our MISSION STUDY BOOKS. Truly a time of great CHRISTIAN fellowship!

It was reassuring and rewarding to me - as WMU Director for 1972 - to learn that many of our WMU groups were concerned about their inactivity - to the extent that they resolved to rectify the situation. My encouragement to them - during my visits with their groups - was to:

1. Place their EMPHASES on:
   a. "OUTREACH" - instead of "ORGANIZATION" (although we recognize and appreciate the fact that WMU is one of the five organizations of the church).
   b. "SERVICE" (a responsibility we accept with SALVATION) - rather than "project" (Mission Action).
2. Accomplish all the "MISSIONS POSSIBLE", in the name of JESUS, and leave the IMPOSSIBLE to God.
3. INVOLVE all the ladies of the church - insofar as feasible - in their activities (since they are MEMBERS of WMU by virtue of their church membership).

A "WOMAN'S" power - through her "UNION" with CHRIST - prepares her to be a "MISSIONARY" in her own Community. It is only as we STUDY, that we become aware that Missionaries' SUPPORT is dependent upon our GIVING and PRAYER, aware that Missionaries' SUPPORT is dependent upon our GIVING and PRAYER. It is only through ACTION, we prove that we care, and fulfill our MISSION - as with others we share.

MOBILE HOME MINISTRIES REPORT

Mobile Home Ministries, this past Summer, was conducted by MISS PATSY PLYLER - a member of Temple, who is a graduate of Columbia Bible College, Columbia, S.C. The ministry was conducted in Trailertown, Leisure Living, Dreamland, Brookwood, Sunset Park and Fairlane Acres, for the ten weeks during the Summer. Many activities were used by PATSY and many approaches were utilized, in order to share the "GOOD NEWS" with the children in the various Parks.

All in all, the ministries program, in the six parks, was very valuable and, of course, the experiences of the past three years have given insight and encouragement toward more effective work for the next Summer.

We are grateful to the City and Metropolitan Missions Department, of the Division of Missions Office in Raleigh, for their financial aid in this Summer Ministries program. We appreciate the assistance and encouragement that REV. E.C. UPCHURCH has continued to give in this direction.

SUPERINTENDENT OF MISSIONS REPORT

This past year has been one of changes, adjustment and expanding service, through the Associational program of work.

Relocating the Associational Office - from the downtown Green Street location to the Bordeaux Shopping Center - was a major change. Within the first three months of the new Associational year, the number of "visitors" and calls for service almost doubled - over the same period of time - at our former location.

How grateful we are for the Association providing more acceptable and adequate facilities for us, who are co-laborers in HIS service.

We have had - this year - a much greater number of requests from churches and individuals, for varied kinds of services from the staff and through the office work.

During this year, I had the privilege of attending the first six weeks of study in the Department of Pastoral Care at the Baptist Hospital in Winston-Salem. Nothing, I believe, could have aided me more, in an understanding of myself and in having a new perspective about the work in our Associational program.

We have seen an increase in cost of operation, this year, in several areas:

1. Increased rent - new facilities double that of previous facilities.
2. Increase in cost of paper and postage.

This has caused us to re-examine some things we are attempting for HIM, through this office.

There is so much loneliness, discouragement and despair today, all about us, and we miss "SEEING" this unless we are really aware of persons. Our staff seeks to make all our work person-centered, with a consciousness of individual needs and circumstances. May GOD grant that we have increased compassion for all persons and trust HIM to so fill us with his HOLY SPIRIT that his power can be known in new ways by those we come in touch with.

A new effort of informing the people of our total Associational Program, was made this year - through our "CHALLENGE NIGHTS" Emphasis. There were seven group meetings conducted during the Summer, with 350 leaders from our churches in attendance. The response to these "CAHLLENGE NIGHTS" sessions have made

us realize that we must use every means possible to give a clearer understanding of our total program.

Above all, I thank GOD for the co-laborers HE has given to us, in the New South River Association. Our office staff - BROTHER BILL ROSS, DOT RODGER, HELEN RHYNE, BROTHER PERRY, and "TAK" (now at Louisville) have been especially close and meaningful in my personal life - through prayer and wonderful CHRISTIAN fellowship.

Those who serve at the Mission Center, The Corner, The Samaritan Goodwill Center, The Inmate Ministries - how we thank GOD for each of these, for their labor of love.

Thank you for your prayers and support - personal and financial. May GOD grant us a great year for 1972-73.

"NOW UNTO HIM WHO IS ABLE ... " Ephesians 3:20

Prayerfully,
CHARLES A. STEVENS
Supt. of Missions

ORDINATION COMMITTEE REPORT

It was the privilege of the Ordination Committee of your Association to be called upon five times during this Church year, to examine men who had felt the call to the GOSPEL MINISTRY. It is signigicant that each one of these men had been called

to serve as pastor of one of the churches in our Association. We are grateful that God still calls and that men still answer that call.

The following were examined by our Committee:

16 January 1972	Robert Doan	Examination requested by Antioch Ordained by Carroll Memorial
23 April 1972	William Maynard	Examination requested by Liberty Ordained by Liberty
30 April 1972	Julian Gruber	Examination requested by Beaver Dam Ordained by Central
21 June 1972	Verlin Secrist	Examination requested by Sharon Ordained by Judson

CITY AND METROPOLITAN MISSIONS DEPARTMENT ASSOCIATIONAL REPORT 1972

Metropolitan Missions Department, a ministry of the Division of Missions, promotes three programs of work; namely:

1. Urban Church Missions - This is designed to render assistance to urban church areas through conferences, church extension ministries, pastoral and lot assistance, and shopping center missions.

2. CHRISTIAN Social Missions - This area of work is for rural and urban areas. It majors on community weekday missions, youth and family services, literacy missions, migrant and relief missions.

3. Interfaith Witness - This is designed to share the CHRISTIAN faith with others and seek the LORD'S leadership in witnessing.

Some of our accomplishments this year were as follows:

!. State-wide Metropolitan Missions Conference, High Point.

2. Urban seminar in co-operation with Home Mission Board and Southeastern Theological Seminary.

3. Assistance to churches: pastoral aid to twenty-nine (29) churches in the amount of $32,000; lot aid for twenty-three churches in the amount of $29,000.

4. Literacy workshops to train teachers to teach and tutor non-readers.

5. A Baptist-Catholic Conference at Wild Acres in co-operation with Home Mission Board.

6. Two Interfaith Witness Conferences - Asheville and Raleigh.

CHRISTIAN SOCIAL MINISTRIES COMMITTEE REPORT

This year has seen a growth in concern among our churches for CHRISTIAN SOCIAL MINISTRIES. Several churches opened kindergartens and day schools for children; members involved themselves in positive action against "massage parlors" which were infesting our city. Members are also expressing alarm and formulating plans of action to deal with the growing problem of pornographic literature in our society.

Realizing that many have fallen victim to the ills of our time, programs of rehabilitation are continuing in CHRIST'S name. RUDOLPH BROCK continues to direct the work at THE SAMARITAN GOODWILL CENTER for men. His faithful work, with men who have an alcoholic problem, is to be commended.

CLAUDE CARTER exemplifies the redemptive spirit of our Association, as he leads out in a program of sharing the GOSPEL with lawful offenders in our jails. He - and those who assist him - provide worship services and counselling for those who are contained in our jails, and this does not go unnoticed.

A young man, KEITH KERBAUGH, is presently directing the outreach ministry at "THE CORNER". Proclaiming the love of GOD - as it is revealed in JESUS, THE CHRIST - KEITH, and those who work with him gladly face the dangers of the inner city. Those involved in prostitution, drug traffic, social revolution, etc., become the congregation, as the workers at "THE CORNER" proclaim the redemptive love of CHRIST.

The churches of this Association are supporting these - and other programs - with prayers and/or finances. Many have given of their time, as they involve themselves in this work. Winning the lost to CHRIST is the good news of the GOSPEL; CHRISTIAN SOCIAL MINISTRIES is a method of spreading the GOSPEL Thank GOD for all who are involved in HIS work.

There is still much to be done. As of yet, we do not have a Director of CHRISTIAN SOCIAL MINISTRIES. Many have been interviewed - and some have even visited our Association - but, so far, none has felt led by GOD to accept this position. Please make this a matter of prayer during the months ahead.

WALSTON PROPERTY COMMITTEE REPORT

Our Committee has discussed recommended use for this property and considered long-term use of the property. At this time, we do not have long range use plans for the property, but we do recommend that the Association allow the churches to use the area as a camping site for ROYAL AMBASSADOR or YOUTH GROUPS. We have investigated zoning regulations and, in accordance with these, have applied for a special use permit for the property, which must be approved by the City Council.

To prepare the site for camping, it will be necessary to clear out an access road. The Committee hopes to proceed with doing this, when the undergrowth dies down in the Fall. Clearing will be kept at a minimum, in order that youth groups can have full experience in setting up camp, etc. Regulations for use of the area will be drawn up by the Committee, and scheduling of use of the area will be done through the Association office.

Consideration is being given to the possibility of erection of covered shelters,

for picnicing, etc. If use of the area - as a camping site - is feasible, this might be our next step.

ROYAL AMBASSADOR leaders and youth group sponsors will be interested in knowing that the tract of land includes some 20 acres and has a stream running across the property. It lends itself to a good local camping area, so that a great deal of time will not be expended in travel and medical or other emergency help will be nearby. Cooperation in keeping the area clean will be of primary importance, and those using the site will want to leave it as they found it.

HUMAN RELATIONS COMMITTEE REPORT

Several meetings have been held during the Associational year, in an effort to more thoroughly and more definitely give direction to the work needed by this Committee. Our basic intent has been to formulate a job description and to arrive at a more accurate awareness of the job task which is: "AS CHRISTIANS, BE INSTRUMENTS OF ORDERLY CHANGE WITH THE GOAL OF ACHIEVING EQUAL OPPORTUNITY FOR ALL PERSONS AND TO PROMOTE RESPECT AND GOOD WILL FOR THE PEOPLE OF OUR COMMUNITIES. MAINTAIN OPEN AND EFFECTIVE CHANNELS OF COMMUNICATIONS, TO ENABLE EXCHANGE OF IDEAS, NEEDS AND COOPERATIVE EFFORTS TO WARD THE SOLUTION OF PROBLEMS."

Many suggestions have been agreed upon as worthy of consideration and participation - by all interested groups - especially between blacks and whites.

These include:

1. Joint Retreats - with both races - at CaRAway and other places.
2. Meet with County Commission, on Human Relations - when it meets, for better understanding and assistance.
3. Before making any plans that may involve blacks and whites, invite the blacks in on the discussion and planning stages.
4. Use integrated visitation teams.
5. Support of Head-Start program and other similar agency activities.

We trust that, in the next few months, more concrete action will result.

THE SAMARITAN GOODWILL CENTER

This past year, the LORD has blessed us in so many ways! The following is just a portion of what HE has provided:

5,040 - Sleeping accommodations for the residents
1,000 - Sleeping accommodations for transients (and food)
600 - Job Placements
9,000 - Clothing provided

Through this ministry, 25 accepted CHRIST and 6 of these men were baptized. There were also 20 rededications.

Gifts for the CENTER have been numerous. We have traveled 28,000 miles, col-

lecting and delivering. We have an outlet, located on Person Street in Fayetteville and we welcome all to come and visit, at any time.

A WOMEN'S DIVISION will be activated, as soon as a suitable location is available.

Your continued prayers are coveted.

INMATE MINISTRIES

Throughout the past year, we have contacted every CHRISTIAN organization in the Fayetteville area. This has brought forth 450 professions of faith, and we feel the program has been blessed by our LORD.

Many of our Inmates requested that we (the jail staff) make personal calls to their families. Our records indicate that 54,750 calls were made, for the year ending 1 July 1972. Aid to the families, in the amount of $850 (for rent, food and light bills) was rendered to families of Inmates. This amount is above and beyond the aid (amount to several hundred dollars) given by our church members.

We have traveled 18,000 miles on paroles and singing programs, in various prisons. As a result ... 12 paroles were granted.

Our thanks to members of our respective churches, for their prayers and monetary support, as well as to MRS. JAUNITA CAIN and the Women's Division - for their support in this ministry.

If it is GOD'S will, we anticipate an even greater program, in the coming year.

New South River Baptist Association
Fayetteville, North Carolina 28304

Gentlemen:

We have made a limited examination of the books and receipts of the New South River Baptist Association for the fiscal year ended September 30, 1972.

The following schedules are submitted:

Schedule "A" Statement of Recorded Cash Receipts and Disbursements
Schedule "B" Statement of Recorded Loans Outstanding
Schedule "C" Statement of Recorded Cash Disbursement and Budget Comparison.
Schedule "1" Statement of Contributions from Churches

Our examination was directed primarily to the verification of the financial condition of the Association, and included a general review of the Income and Expense accounts, for the purpose of preparing the Financial Statement for the fiscal year

ending September 30, 1972. It was made in accordance with generally accepted auditing standards applicable in the circumstances, and comprised such test of the accounting records and supporting evidence and such other auditing procedures as we considered necessary.

In our opinion, the accompanying statement presents fairly the recorded cash receipts and disbursements of the New South River Association on a basis consistent with that of the preceding year.

Respectfully submitted,

CONSTITUTION COMMITTEE REPORT

RECOMMENDED CHANGES-CONSTITUTION & BY-LAWS

CONSTITUTION:

ARTICLE IV - MEETINGS

Section 3. (2nd line), after the words "ASSOCIATION FOR EACH 50 MEMBERS", add "OR FRACTIONAL PART THEREOF".

ARTICLE VI - OFFICERS AND THEIR ELECTION

Omit from the list of Officers, "FINANCIAL RECORDING SECRETARY, AUDITOR" ... "AND PARLIAMENTARIAN".

Explanation - The task of the FINANCIAL RECORDING SECRETARY is now being taken care of by the bookkeeper - a part-time staff member.

According to Robert's Rule of Order, the Parliamentarian should not be an elected officer; he may be an appointed officer, appointed by the Moderator. The position of Auditor is considered later in this Recommendation.

ARTICLE VIII - MISSIONS COUNCIL

In the listing of those who serve on the Missions Council, after the words "CHRISTIAN SOCIAL MINISTRIES STEERING COMMITTEE", drop the word "AND". After the words, "NEW WORK COMMITTEE", add "AND THE CHAIRMAN OF THE EMPHASES COMMITTEE".

ARTICLE IX - COMMITTEES

B. Sub Section (2) Church Development.

Move (c) "EMPHASES COMMITTEE" to new Sub Section (5)

Move (d) "MILITARY COMMITTEE" to Sub Section (4) "MISSIONS AND FELLOWSHIP" to become (e) "MILITARY COMMITTEE".

In Sub Section (4) "MISSIONS AND FELLOWSHIP", add New Committee (f) "WALSTONE MEMORIAL PARK COMMITTEE"

BY-LAWS III - DUTIES OF OFFICERS

Section 1. (second line), after the words, "CONSTITUTION & BY-LAWS, APpoint", insert "A PARLIAMENTARIAN,"

IV - DUTIES OF COMMITTEES

B. (d) Membership: Add to the existing statement, these words: "IT SHALL FUNCTION AS A LIAISON AND/OR ADVISORY COMMITTEE, UPON THE REQUEST OF ANY SISTER CHURCH, WHO DESIRES AID IN RESOLVING DIFFICULTIES OR MISUNDERSTANDINGS WITHIN THEIR FELLOWSHIP. AT NO TIME, WILL THIS COMMITTEE EXERCISE OR IMPLY AUTHORITY OVER ANY SISTER CHURCH ON SUCH MATTERS."

(e) Nominating: At the close of the first paragraph, ending with the word "CONSTITUTION" add ", AND AN AUDITOR".

(f) Order of Business: At the close of the paragraph, after the words: "BUSINESS BECOMES NECESSARY." Add "THE MUSIC DIRECTOR SHALL BE IN CHARGE OF THE MUSIC PROGRAM OF THE ASSOCIATION AT AND BETWEEN ANNUAL MEETINGS."

Sub Section (2) Church Development Section

(c) Emphases Committees: Make this a new Sub Section (5) "EMPHASES COMMITTEE". "THE SPECIAL EMPHASES COMMITTEE WILL BE COMPOSED OF NINE MEMBERS WHOSE DUTIES ARE TO KEEP ABREAST OF TRENDS AND ACTIVITIES, TO ASSIST AND PROMOTE, AS WELL AS TO IMPLEMENT AND ENCOURAGE INVOLVEMENT AND SUPPORT OF THE VARIOUS PHASES OF OUR DENOMINATIONAL PROGRAM, SUCH AS: ANNUITY BOARD, BIBLICAL RECORDER, CHRISTIAN EDUCATION, COOPERATIVE PROGRAM, FOREIGN MISSIONS, HOME MISSIONS, HOMES FOR THE AGING, HOSPITAL, STATE MISSIONS, ETC. THE CHAIRMAN OF THIS EMPHASES COMMITTEE WILL, BY VIRTUE OF HIS OFFICE, SERVE ON THE ASSOCIATIONAL COUNCIL.

Explanation - Instead of ten committees of 3 members each, the nine-member committee will become a division of work in the framework of the Associational program, responsible for liaison denominational relationship.

Move (d) Military from Sub Section (2) Church Development to Sub Section (4) "MISSIONS AND FELLOWSHIP".

(a) Military

Re-letter the remaining committees under Sub Section (4) accordingly, i.e.

(b) New Work
(c) Ordination
(d) Pastoral Aid and Lot Grant
(e) Radio and TV

Add a new Standing Committee:

(f) "WALSTONE MEMORIAL PARK COMMITTEE. THIS COMMITTEE, COMPOSED OF NINE MEMBERS SHALL BE RESPONSIBLE FOR THE PLANNING AND DEVELOPING OF THE WALSTONE MEMORIAL PARK IN THE MOST PRACTICAL WAY POSSIBLE FOR USE BY CHURCHES AND/OR CHURCH GROUPS OF THE ASSOCIATION."

VI - ASSOCIATION STAFF

Drop "SECTION 3. THE MUSIC DIRECTOR SHALL BE IN CHARGE OF THE MUSIC PROGRAM OF THE ASSOCIATION AT AND BETWEEN ANNUAL MEETINGS."

This has been added to By-Law IV B. (f)

Relocate Section 4 and make it: "BY-LAW VI - AUDITOR. THE AUDITOR SHALL, AT THE CLOSE OF THE ASSOCIATIONAL YEAR, MAKE AN AUDIT OF THE TREASURER'S RECORD."

In the present By-Law VI, renumber Section 5 - Make it "SECTION 300.

Renumber the remaining By-Laws:

It is also recommended that the words "MISSIONS COUNCIL" be changed to "ASSOCIATIONAL COUNCIL" wherever they appear in the Constitution and By-Laws. (This is being recommended in order that the terminology be the same that is more generally used across the Southern Baptist Convention and to eliminate possible confusion with the missions section of our Associational program).

SUPERINTENDENT OF MISSIONS REPORT

This year has been one of frustrations and victories, challenge and achievements, personal losses and associational advances and improvements.

Much I could report is included in other reports from committees or individuals. I will attempt to summarize some of the major events of the year. Several events involving the associational staff need to be mentioned.

In the early part of this associational year, Brother Bill Ross had the privilege of attending the School of Pastoral Care for the first six weeks of the three months course. How grateful we all are that he was able to attend.

During the next six weeks I was able to attend the second session of this special schooling. I think each of us feel the same about the School of Pastoral Care. It's tremendous!

Of course during my session at the hospital, Bill became very ill - how glad I am that I was able to be in school there at that time. During the early part of the school my mother passed away with a heart attack. During the weeks which followed, the pressure was almost unbearable.

How grateful I am for the patience of our associational people and our churches - There were times during several weeks that I was far from my best and had to adjust my schedule accordingly.

Bill, by the Grace of the Lord, recovered from his illness and has been able to be back at work for several weeks - How wonderful it is to have him back!

During the summer, our secretary, Dot Rodger, who had been with us for a little over three years resigned because of Mr. Rodger's transfer to Raleigh. We were very fortunate to secure Mrs. Carolyn Surrett, who has had three years experience as secretary in Associational Missions work. She has proven herself to be very capable and qualified for this very important position on the staff.

We're looking forward to Rev. Ronald Pinkerton moving into the association as Director of the Christian Social Ministries Program. After interviewing a number of persons, we feel we have been very fortunate to have a fine, capable, dedicated young man like him to respond to "the call" to join our associational staff.

This year has been a very encouraging one financially. A number of our churches have responded with increased per-centage giving for associational missions. Others have already voted to do this for the coming year. In this way we can continue to im-

prove our associational program. How grateful we are for this encouragement.

We're looking forward to the utilization of our new enlarged office facilities. This will enable us to do ever more effectively some things we have felt for some time were worthy of our particular attention.

Be praying with us as we make plans to establish a Satellite Office in the Sampson County area. Office personnel will be able to rotate or simply spend a day or so a week within the area. In this way we can not only be "closer" to the particular needs but we feel we can be more definitely available - when needs arise.

Be praying for us that this coming year will be much more effective and that we can claim more victories for Him. Remember, we belong to you - We are your staff members - Call us when we are needed.

Thank you again for over ten years of wonderful fellowship and service together in the work of the Lord - especially in the area of The New South River Baptist Association.

Sincerely,
Charles A. Stevens
Superintendent of Missions

REPORT OF THE DIRECTOR OF THE DIVISION OF CHURCH DEVELOPMENT

The past year has been a very significant one. In October each organization was off to a good start with plans and preparation. In January and early February, I was permitted to attend the School of Pastoral Care at the Baptist Hospital in Winston Salem. The self-discovery process which I had begun at an earlier experience was to continue. During this six weeks period I faced the strengths and weaknesses in my life, and accessed my abilities. This training resulted in personal growth, and prepared me for the next developmental period in my life.

A routine health check on February 28 revealed the need for further examination which resulted in five months of testing, treatment, surgery, and recuperation. During this critical period my Christian experience was deepened in such a way that no other experience has done. Bible verses became precious promises. I learned to trust needs to the Lord, and learned a new and wonderful meaning of prayer. I learned to wait on the Lord, and experience His presence afresh. Even though this was a period of suffering, it resulted in a period of spiritual growth.

As the year closes, I am aware of the great number of persons who serve in the volunteer positions of leadership, and make possible the progress which is reported. It would be the height of ingratitude if I did not express appreciation to the members of the Mission Council, the Executive Committee, the Pastors, fellow Staff Members, and the members of the churches who were so faithful in their prayer support for me as a staff member, and especially during my illness.

Respectfully submitted,

SUNDAY SCHOOL REPORT

At the time of the writing of this report, it is too early to say that we have been able to reach our increase of 10 percent in enrollment in our association, but indications are that we have had gains. The facts will be revealed when all the Uniform Letters are in.

The main thrust for the past year on the part of the Sunday School leadership has been consultation for the local church workers, with support and attendance at the regional workshops provided by the State Convention.

Again the project areas for major emphasis for the coming year are!

-Reach people - strive for an increase of 10% for each local Sunday School

-Improvement in our teaching God's Word.

-Challenge our Sunday School members to share their faith with others.

Your Associational Sunday School workers will implement these by offering mass and area conferences and workships, and will be happy to offer assistance to each local church.

Respectfully submitted,
W.H. Calcutt

CHURCH TRAINING REPORT

We are beginning now to realize and receive the benefits of the changes and transition that we have been experiencing in Church Training. We have moved from the BYPU (Baptist Young People's Union) to TU (Training Union) to Church Training and Ministries in the concept of Training. This has resulted from the conviction on the part of the denominational leadership that a useful Christian must be a trained Christian. The training and ministries program has been expanded to not only include New Member Orientation, Church Member and Potential Leader Training, but Ministry to all persons with special problems in the church and community.

Your associational leadership will be organizing to meet the challenge of Training and Ministry. We will be working primarily on a basis of consultation with each local church. Call on us for assistance.

Respectfully submitted,
W.H. Ledbetter

BROTHERHOOD REPORT

The task of Missionary education for men and boys in a local church is exciting and challenging. In many respects we have had a good year. In many churches we have seen the work among the men and boys revived, as well as many new units begun. The members of the Brotherhood Council have been called upon many times to assist in training sessions for leadership. We pledge our continued leadership in the all important area of Missionary Education for men and boys.

Respectfully submitted,
Harold Bridges

WOMAN'S MISSIONARY UNION REPORT

This past year held many blessings for both the Associational W.M.U. Officers and members of our Organizations throughout our churches.

Our district meeting was held in Lumberton which was a challenge to all that attended.

Our Leadership Course was held at Magnolia Baptist Church in October, 1972. We are grateful to this church for opening their doors to us and the wonderful fellowship we shared together.

Our Annual Meeting proved a great blessing. This was held at Eutaw Heights Church. Our hearts were blessed by the choral group from Cape Fear High School, and also the music brought by Eutaw Heights Church. Rev. G. Clayton Bond was guest speaker. He shared with us the need for caring for our fellowman, and the needs of the people in Togo. A Scholarship fund was established, and was awarded to a worthy girl in the Association entering college this fall.

Our ladies enjoyed a Prayer Retreat at Camp Dixie in June. This always is a blessing, sharing our testimonies with each other, telling what Jesus Christ has done in our lives.

This past year the ladies in 12 of our churches agreed to donate refreshments to "The Corner" each weekend. This has been their way of saying "I love you" to those who do not know Jesus, and sharing in Mission Action.

I wish to thank the churches that invited us to help begin new Organizations. One Girl's Action and one Baptist Young Women were organized. We covet your prayers that each church in the Association will have a WMU.

I wish to thank all my co-laborers for their support during the year. Everyone has so graciously been available when needed.

WMU Emphasis for 1973-1974 is Mission Support

Watchword: "The Word was made flesh, and dwelt among us, . . . full of grace and truth" (John 1:14)

My prayer for the coming year would be to lead members increasingly to experience the Lordship of Christ, the sovereignty of God, and the indwelling presence and power of the Holy Spirit.

- To lead members to claim the inner strength of the Christian life through Bible reading and prayer.
- To equip members to exert Christian influence where political, economic, educational, and social decisions are made.
- To equip and encourage parents to provide Christian nurture and education for their children.
- To lead members to claim the inner strength of the Christian life through Bible.

CHURCH MUSIC REPORT

It is the objective of your Music Committee to assist the churches of the Association to establish, conduct, enlarge, and improve their music programs. We have sought to fulfill our objective by serving in a consulting position for each music staff member of the local church, and promoting the regional and state music program. We were pleased at the number of choirs for our area which entered the Choir Festival.

As we begin a new year, it is our desire to be of assistance to each church in its music program.

Respectfully submitted,
Millie Turner

EVANGELISM COMMITTEE REPORT

The Christian's marching orders are given in the "Great Commission," and your Evangelism Committee endeavors to keep this challenge before us as we plan and promote activities that will assist the members of each local church to be a faithful witness.

Our Chief accomplishments of the past year have been in supporting and promoting

state and regional evangelistic efforts, and a two-session rally held on August 25 and 26, and assisting with Lay Schools of Evangelism.

For the coming year plans are already under way for a great evangelism rally in connection with our Fiftieth Anniversary Celebration in March of 1974. We are planning for a clinic in personal witnessing and will promote schools of lay witnessing.

It shall be a delight to assist any local church in the effort to win people to the Lord.

Respectfully submitted,
Roger Jackson,
Chairman

CAMP COMMITTEE REPORT

Three hundred sixteen staff members and campers registered for the exciting week of August 6-10 at Wingate College. The week was filled with Bible Study, Mission Study, Films, Recreation, Crafts, Fellowship, and fun and food. It was a time of inspiration during the evening worship sessions, and many young people became of a new awareness of the presence of Christ.

A special word of commendation is offered to the persons who served as general staff members, Bible Discussion Leaders, and the counselors from the local churches.

Plans are already under way for next year's camp. The dates will be August 5-9, 1974. Reserve these dates on your calendar now.

Respectfully submitted,
Mrs. Nadine Strickland

SEMINARY EXTENSION REPORT

After efforts of last year were not successful to establish Seminary Extension Centers in our Association, we had not had a concerted effort to do so this year. We are aware of the many opportunities for adult study through the colleges and institutions in the area.

The beginning of the Cape Fear School of Theology is an effort to offer the curriculum suggested by the Department and other areas of study. This is to be a cooperative effort.

Harold Bridges

STUDENT COMMITTEE REPORT

Ministering to students, like other areas of ministry, is in transition. In the past the students lived on the campus but today we find most of them as day students, and the campus is not their center of activity. However, your Student Committee is and has been exploring opportunities to serve the students on local campuses.

Respectfully submitted,
Jean Parker

EARLY CHILDHOOD EDUCATION REPORT

The term, "Church Weekday Early Education," may sound new, but it is a familiar ministry. It includes all of the weekday programs of a local church for the preschool child including the Kindergarten nursery school for three year olds, and the day care program.

A fellowship of the staff members of each local church has been formed, and is actively endeavoring to assist in personal enrichment for each member, as well as serving as a resource group to assist churches that might be interested in beginning or improving their Church Weekday Early Education Program.

Respectfully submitted,
Bill Ross

MILITARY MINISTRIES REPORT

This committee met with chaplains from Pope Air Base and Fort Bragg for the purpose of discussing ways and means by which our local churches could minister to the service man and his family. A follow up meeting was held with Rev. Joe Watterson (Department of Chaplaincy Ministries, Baptist State Convention) and other pastors of interested churches.

It was found that a few of our churches are involved very deeply with the military and are making plans for further ministries to them. We invite those churches that are planning to offer specific programs for servicemen, to call the Military Ministries Committee. We would be glad to work with you and share what information we have with you. We would also be interested in knowing what you are presently doing for the serviceman. This information would be helpful in future work of the committee.

Chairman

INSTITUTIONAL - CHAPLAINCY REPORT

This committee has served to help individual churches upon request with visitation to various Nursing Homes and with problems relating to the older Adult. Some of these problems have been solved with assistance especially from the Comberland County Coordinating Council for Older Adults. Research done by the chairman for a master's degree at North Carolina State University on The Learning Abilities of the Older Adult is available to churches upon request which might be helpful as a guideline as individual churches venture out in promoting more programs for the Older Adults.

Respectfully submitted,
Catherine Taylor,
Chairman

ORDINATION REPORT

The Ordination Committee of the New South River Baptist Association met at the request of First Baptist Church, Spring Lake, for the purpose of examining Brother Takeshi Iida for Ordination to the work of the Gospel Ministry.

After examination as to his experience of Salvation, his call to the ministry, and his beliefs, especially concerning Jesus Christ, the Trinity, the Word of God, the Church and Missions, the Ordination Council of the New South River Baptist Association unanimously recommended him as a fit and qualified candidate for ordination. It was further noted that a report of his examination be referred to the First Baptist Church, Spring Lake for further action covering his ordination as they deem appropriate and wise.

Respectfully submitted,
Charles A. Stevens

CHRISTIAN SOCIAL MINISTRIES REPORT

This committee has functioned primarily in interviewing prospective Directors of the Christian Social Ministries program. We have met several times as a committee and one time with representatives of all the other committees of the Christian Social Ministries division of work. Many factors have been involved such as personality characteristics, our own staff relationship with a new staff member, financial commitments, and salary adjustments.

Through the leadership of the Lord, we became aware of a young man interested in the work. Over a period of several months, conferences have been held with him. He

has visited the field of work and the decision was made to extend to him a call. He will be moving on the field October 15th. Surely the prayers of each of us will be with him as he begins his ministry. His area of work includes a ministry with The Samaritan Goodwill Centers - Men's Division and Women's Division; The Corner, Shaw Heights Mission Center and other committee work such as Human Relations Committee, Children's Home Committee, and Institutional and Chaplancy Committee.

We are glad that Rev. Ron Pinkerton will be with us as we meet in annual session.

Respectfully submitted,
Mrs. E.C. Garber

MEMBERSHIP COMMITTEE REPORT

We recommend that LaGrange Park Baptist Church be duly received into the full membership of the New South River Baptist Association according to stipulations set forth in Article III - Membership of the Constitution and By-laws of said Association.

We also recommend the Arran Lake Baptist Church be received under watch-care of this Association in keeping with Article III - Section 3 of the constitution and By-laws - Following in the request: "On Sunday evening, April 15, 1973, the Arran Lake Baptist Mission became the Arran Lake Baptist Church. We, the members of the Arran Lakes Baptist Church therefore request membership into the New South River Baptist Association."

Respectfully submitted,
Robert L. Bowen, Chairman
Membership Committee

MOBILE HOME MINISTRIES REPORT

For the last several years we have been able to have a college student, employed by the Baptist State Convention, Metropolitan Missions, Department, Rev. E.C. Upchurch, Director, to work with us in our Mobile Homes Ministries Program.

Our emphasis previously had been to attempt to have a two day a week program in as many as nine mobile home parks if possible. Volunteers, as many as 40, from several different churches made this possible for a summer or so. This year the emphasis was geared toward the possibility of developing a program that would not be just a summer program but a continuing year round program. Volunteers were more difficult to enlist this year but much was learned in an effort to begin a sustained ministry in some of the larger trailer parks in our area.

Mobile ministries were provided for at least four other parks in the Spring Lake area by Central and First Baptist Church. We believe soon there will be a continuing ministry in several of the parks where the "Word of God can be shared and people learn of Jesus who is the way the truth and the life.

Charles A. Stevens

HUMAN RELATIONS COMMITTEE REPORT

Interracial rapport has been the chief objective of the Human Relations Committee this year. Results in this area are difficult to measure by standard statistical proce-

dures. But, when measured by biblical criteria, the quality of right relationships proves to be at the very center of Christian orthodoxy. This then, shall continue to be our goal.

Advances were made in mutual understanding and trust through participation with the Laymen's League of the Union Baptist Association. Dialogue sessions were conducted at the Beauty Spot Baptist Church and at the Baptist Union Baptist Church of Hope Mills. The Layman's League initiated invitations to these meaningful meetings. Our Association was represented by members of the Human Relations Committee and other interested laymen.

We had the privilege of sharing in the Baptist Fellowship Conference at Lake Junaluska this summer. This was a cooperative effort between the Interracial Ministries Department of our State Convention and that of the General Baptist Convention. The sessions did much to enhance and strengthen relationships between the two groups.

We face the year ahead with optimism and hope for more meaningful exchanges on the personal, church, and associational level. Pray with us that the ministry of reconciliation may be accelerated through us according to His will.

THE SAMARITAN GOODWILL CENTER

This year in our ministries of both men and women division, we are very happy to report the Lord has been very good. He has made it possible for us to provide in the men's division 5,475 beds and 16,425 meals. Twenty-seven have been led to Christ. We have helped seven needy families and have found 230 jobs for the men living in the home. Our outlet located on Person street in Fayetteville has brought us tremendous support in our ministry.

The women's division has given a home for 20 women starting the 22nd of January and has served 5,400 meals, 270 beds, and has gotten jobs for 6 ladies. We have had 450 visitors since opening. Many have come with food and gifts.

To our churches, we thank you so very much for your support and prayers. God is leading us in a new program for the coming year. We feel it will bring a much needed result in our ministry.

Submitted Respectfully,
Claude A. Carter

INMATE MINISTRIES

Our many thanks to all of you who offered prayers in behalf of our support. Through this our Lord has led in such a great way. The past year 700 have been led to Christ by the men and women of all Christian faiths in Cumberland County and Fayetteville area. Eight paroles have been granted. The men and their families send their thanks to you for your support.

We also have been blessed this year with "We Care Program," which is directly in support of our ministry. This ministry, which caters to families in need, completes our circle of support.

Many thanks to the business men of our city who have given jobs in support of the parolees and our work release program.

Claude A. Carter

STEWARDSHIP REPORT

I. COOPERATIVE PROGRAM

There is a real need to revitalize within Baptists the claim of Christ to actively support his Great Commission to teach and witness to the whole world as our one purpose. The 1973-74 Cooperative Program emphasis is designed to bring about this revitalization. The theme is "Operation One: One Lord, One Mission, One People."

Operation One is an effort to familiarize every Southern Baptist with the mission needs of the world and challenge them to respond in a positive way through greater involvement in mission giving. Each church is challenged to increase its gifts through the Cooperative Program by at least 1% of the total church budget income and increase associational mission giving in keeping with the amount suggested by the local association.

Operation one will climax on Sunday, October 28, 1973, with a convention-wide day of church commitment to world missions. Each church is challenged to return a commitment card to the state office and the local association indicating their commitment to the financial support of world missions.

CHALLENGE YOUR CHURCH TO A BOLD STEP IN THE SUPPORT OF WORLD MISSIONS

II. CHURCH BUDGET SUBSCRIPTION AND STEWARDSHIP DEVELOPMENT

The stewardship commission of the Southern Baptist Convention now offers to churches several church budget subscription program options. In addition, a church may still select and build its own budget subscription program using stewardship activity guides.

WE RECOMMEND:

A. That a stewardship chairman be elected in every church in our association.
B. That an association stewardship conference be held to make available to interested churches the various church budget subscription program options, and that the state stewardship office be contacted to provide materials and assistance for this conference.
C. That every church conduct a stewardship emphasis this year.

III. WILLS, TRUSTS, AND ESTATE PLANNING

Each year millions and millions of dollars are lost to the cause of Christ because the Christian in whose hands God entrusted those material things, did not practice Christian estate planning. Increasing emphasis needs to be placed on making our people aware of their stewardship of possessions beyond their normal tithe and ordinary lifetime gifts.

To assist in this awareness we recommend:

A. That each church in our association conduct a MAKE YOUR WILL EMPHASIS in January.
B. That pastors focus special attention on the work of the State Baptist Foundation during the month of September.
C. That each church invite qualified community leaders to discuss the setting up of wills and trusts by the membership.
D. That a year-round emphasis be made upon the stewardship of accumulated possessions and resources.

IV. CHURCH FUND RAISING

The securing of funds for church buildings is becoming a tremendous problem to many Southern Baptist churches. Often the congregation is torn as to whether their major emphasis lies in world mission causes or their own local expansion needs.

The Stewardship Commission now offers two ways for a church to overcome this dilemma. Fund raising programs designed to assist the church in raising capital funds and thus avoid long term debts are now available.

The Building for Today's Challenge program is a "do-it-yourself" program designed for the smaller church.

BAPTIST HOMES FOR THE AGING REPORT

One of the most meaningful things that you do as a Baptist is the share that you have in the ministry of your North Carolina Baptist Homes for the Aging. As you look back with us upon the twenty-two years of this ministry, and the last year in particular, there are distinctive blessings that we would like to call to your mind and heart.

In the first place, there is no greater realization that we can have together than the awareness of the fact that this special ministry to older people is a venture of faith in God. It always has been. We hope that it always will be. God has brought us from one Home to five resident Homes, with two located in Winston Salem (Resthaven and the Hayes Home), and one each in Albemarle, Hamilton, and Yancyville. These Homes have a capacity for 162 residents, and there is a Nursing Care Unit in Winston Salem, with a capacity for 63 patients, and serving all of the Homes' residents, when nursing care is needed. Four out of every five persons who come to us in our Homes for the Aging are persons whose income is very limited. They look to you, through your love gifts, for a supplement to their care, and all of us look to the Lord continually for His great love. This, therefore, is a venture of faith.

Never forget that this is your ministry, on behalf of Christ, to older persons and that they simply could not be ministered unto without your love gifts. Specifically, during the past year, through your gifts, you contributed $185 a month for the care of the majority of the residents in your five Baptist Homes. Through the Special Offering you contributed 20% of the total income of the Homes, and through the Cooperative Program, you gave 10% of the total budget needed. The tie that binds this ministry to the hearts of our Baptist people and our Baptist Churches is a very special one and a very distinctive one indeed.

Be glad also for the fact that your love gifts make possible quality care. It has often been said of the ministry of our Baptist Homes that there is no finer care that an older person can receive this side of Heaven than the care given in our Homes for the Aging. Everything that we do for Christ should be this way and we are certainly trying to give Him our best day by day in our ministry to the older people in our care. There is someone serving around the clock, watching over the residents and patients even as they sleep. One of our Supervisors, or "Mothers," as they are often called was given the name of "Guardian Angel," when a resident, during an illness discovered later that the "Mother" was keeping vigil just outside her door.

God bless you for your share in this ministry to the Aging, which is both special and distinctive. Pray for us, come to see us, and continue to support this ministry as liberally and loyally in the future as you have in the past.

CHRISTIAN ACTION LEAGUE REPORT

The Christian Action League is actively engaged in an all out campaign to defeat the referendum in a vote against liquor-by-the-drink on November 6, 1973. The plan of action is to organize a local county chapter in each of the 100 counties of the State. A multi-media advertising campaign costing $250,000 is being projected to cover the State with the truth about what liquor-by-the-drink will do in North Carolina. All this is aimed at getting the people to the polls on November 6. Complacency on the part of day supporters could be the biggest danger that is faced in this campaign. Dr. Charles Petty, who has recently moved to Raleigh from Texas and who is the Director of the Christian Life Council of the Baptist State Convention had this to say about "The Texas Story":

"In 1970 Texas approved liquor-by-the-drink sales. The vote was 52% for and 48% against.

The irony was that the "drys" won 203 counties while the "wets" won only 51 counties.

The drys lost for two basic reasons. The first was they didn't work very hard. Those in urban areas said, "We can't win so why work?" Thus, they didn't work and the urban areas were lost by wide margins.

Those in rural areas said, "we can't lose, so why work?" Thus, they didn't work and the rural areas were won by narrow margins. Unfortunately, the large urban losses offset the small rural victories which resulted in a statewide defeat of the "drys" (979,868 for LBD, 914,481 against LBD).

The second reason for the defeat was an economic one. To tell your story takes money. The "wets" had it, the "drys" did not. Thus, a one sided story was told and Texans believed what they were told. "Drys" must remember that every vote counts and every voter must be told the truth. "Go quickly and tell."

As concerned Christian citizens we can do several things:

1. Pray for the success of this campaign and for all of those who are involved in in its promotion.
2. Help the local unit of the Christian Action League in your County in its efforts to inform the people alert the citizens and get the dry vote out on November 6.
3. Give of your financial resources, of your time and talents in this most vital vote for the welfare of our state.

WALSTONE PROPERTY COMMITTEE REPORT

This committee has no new plans to suggest for the use of the Walstone property. Projected plans for securing permission to temporarily rezone the area for overnight campoutswhich were announced last year have materialized. We now have permission for Royal Ambassadors and other groups to campout overnight on the property. If you wish to do so, please call the Associational Office for information. The area is rather heavily wooded, consists of twenty acres with a stream running across the property. You will find it an ideally located area for close-by campouts.

COOPERATIVE PROGRAM REPORT

Increasing the percentage given through the Cooperative Program is an excellent follow-through for the special offerings your church receives.

Failure to have a good follow-through,in anything, would be frustrating at the least and tragic at the most. Failure to have a good follow-through when you are fishing would cause all of your fish to get away and this would be frustrating. It would be tragic not to have a good follow-through in a baptismal service.

A good follow-through is the lifeline between good planning and good results. You will get excellent results if you plan well your special offerings and let your major emphasis be on the lifeline: YOUR COOPERATIVE PROGRAM.

Would your church give more if you received more money? If so, you need to have a thorough stewardship program in your church.

Last year 1,138 churches increased Cooperative Program giving by 10 percent or more over what they gave the previous year. Four of the associations in North Carolina had 100 percent of their churches giving through the Cooperative Program in 1972. These four associations were: Anson, Flat River, Tar River, and Yates.

Will you do four things?

1. Will you lead the church where you serve to increase Cooperative Program and associational mission giving by 10 percent or more?
2. Will you have a special prayer for your missionaries and other Cooperative Program causes during each service in your church during the October Cooperative Program prayer month?
3. Will you send your check for Cooperative Program each month to Baptist State Convention of North Carolina, P.O. Box 26508, Raleigh, North Carolina, 27611?
4. Will you help us have a good stewardship workshop in your association next spring or summer, so we can:
   (1) Study recommendations for pastor and staff salary increases; (2) Get an overview of available program helps for each church in stewardship; and (3) Receive a report on where you are in your goals for associational and Cooperative Program giving?

BIBLICAL RECORDER REPORT

This has been another good year for the Biblical Recorder, thanks to your support and confidence. One of the milestones reached in the past year was passing the 100,000 mark in circulation. This occurred in May and circulation has now risen to nearly 106,000 - the highest in the 140-year history of the recorder. This has been achieved largely because more churches are putting the Recorder in the budget, thus saving money and also time and effort that is put forth each year to renew their subscriptions under the Club Plan of four or more.

All of these things are encouraging to those getting out the Recorder each week. They feel their obligation to North Carolina Baptists is to get out the finest paper possible - one that is attractive and filled with interesting and helpful material. In addition, news coverage of meetings such as the Committee of 11 is needed if North Carolina Baptists are to settle this issue which has come up in the last two state conventions. Associate Editor Toby Druin has covered every meeting of this committee which is studying the baptism issue in our state. The Recorder will carry the full report of this committee 60 days before the convention meets in Greensboro. The Recorders coverage of these important meetings will do much to help messengers arrive at the right decision in November. This is the Baptist way - full information which comes with freedom of the press.

As you know, the Recorder has for years led the fight against liquor-by-the-drink. Now the issue is up to the people in a statewide referendum on November 6. The Recorder will continue to give you information that will help win this fight against the liquor by the drink if this passes - which we hope and pray it won't. If individual Baptists will become as concerned about this evil as the Recorder is, a great victory for decency will be won in November.

Those of you who receive the Recorder know what it contains each week - timely editorials, news of your fellow Baptist churches and fellow Christians, excellent photographs and covers, interesting personal columns, letters to the editor, and many other features. It is a Baptist family journal devoted to that which is wholesome and helpful.

Those of you who don't get the recorder should subscribe immediately, either by putting the Recorder in your budget for only $2.50 a year or by starting a club of four or more for only $3.00 a year. Where else can you get so much for so little?

CHRISTIAN HIGHER EDUCATION REPORT

CHURCHES AND COLLEGES WORKING TOGETHER

In North Carolina, Baptist churches and Baptist colleges enjoy a supportive partnership. It is still true that most of our pastors, missionaries, church staff members and denominational leaders are educated in Baptist colleges. Another outstanding example of church-college cooperation is the Baptist Youth Corps, which provided dedicated student leadership for more than eighty North Carolina Baptist churches during the summer of 1973. On campus, the college presidents interpret to the faculty and staff that our churches and colleges play important, complementary roles in the Christian missionary enterprise.

COOPERATIVE PROGRAM

Your North Carolina Baptist Colleges continue to be grateful for the support which comes through the Cooperative Program. During 1973, more than two million dollars will be given to support Christian higher education. Your colleges share this support as follows:

Campbell College	$340,721
Chowan College	212,951
Gardner Webb College	249,153
Mars Hill College	296,002
Meredith College	296,002
Wake Forest University	517,471
Wingate College	217,210

THE IMPORTANCE OF BAPTIST STUDENTS

The Colleges make a special effort to recruit North Carolina Baptist students. In fact, no qualified student is turned down in any of our colleges because of inability to pay. The churches help to make this possible through the cooperative program and the Baptist College Scholarship Offering on Father's Day. Baptist colleges stress the importance of the individual student, and are anxious to enroll the youth from our churches who plan to attend college. Churches can help their students and their colleges by encouraging interested young people to apply for enrollment in one of the seven North Carolina Baptist Colleges.

COUNCIL ON CHRISTIAN HIGHER EDUCATION

Since 1945, the cooperative efforts and relationships of North Carolina Baptist Colleges have been coordinated by the Council on Christian Higher Education of the Baptist State Convention. The Council office is eager to assist both the churches and the colleges as together they help to create persons and a world as Christ would have them.

NORTH CAROLINA BAPTIST HOSPITAL REPORT

In May of this year Baptist Hospital observed its 50th Anniversary. The hospital opened its doors in May of 1923 "to bring the healing art more definitely under the dominion of the Great Healer."

The anniversary was celebrated jointly with the dedication of the new Reynolds Tower, a 16 story patient care facility. The completion of the Tower brings the total bed capacity to 655, placing Baptist Hospital within the top 10 percent (in size) among hospitals in the United States. When the renovation of older sections of the hospital is completed the total number of beds will be 717.

Construction has begun on an ambulatory care building which will house the emergency room, several outpatient clinics, the Physical Therapy Department, and an Oncology (cancer) Clinic and Research Laboratories. This building and the above mentioned renovation will complete the present Medical Center Development Program.

Last November the Baptist State Convention heard the report of the Committee of 15 and adopted its recommendations:

1. A Medical Center Committee, composed of 8 Trustees from the Baptist Hospital Board and 8 from the Wake Forest University Board, has been appointed. This committee will consider matters involving the Medical Center and its

future operation.

2. In January the hospital trustees appointed a committee of three to review appropriations from the Mother's Day fund and assist hospital personnel in making decisions on some specific requests for assistance. The Hospital continues to provide care for people who cannot pay, valued at far in excess of the total Mother's Day Offering. The auditors confirmed value of this care in 1972 was $1,390,000 - nearly four times the amount of the Mother's Day Offering - and this does not include the value of physicians' service, provided without cost to these service patients.
3. The Department of Pastoral Care is expanding its services to provide training for lay people. Dr. Mahan Siler joined the staff June 1 to head up this new work. The Department also anticipates the establishment of several sattlelite counseling and training centers in the state, beginning in the near future. Your Cooperative Program gifts support the work of this department.

The hospital's financial operation is "in the black," and there has not been a general room rate increase in two and one-half years. As of this date, the Mother's Day Offerings are running ahead of last year.

SOUTHERN BAPTIST THEOLOGICAL SEMINARY REPORT

The Southern Baptist Theological Seminary gratefully acknowledges the essential and prayerful support of the churches in the Southern Baptist Convention. Each Student on the Louisville campus represents thousands of hours of dedicated service by pastors, Sunday School teachers and others.

Southern Seminary enrolled a record number of regular students in 1972-1973. The current total of 1,326 surpasses the previous high of 1,319 established in 1956-57. When special students are added for the current session, the cumulative total is 1,422.

Candidates for the pastorate within the current student body represent a sharp in crease over recent years.

Southern Seminary continues to be the most representative of the SBC - related seminaries, with students drawn from 41 states and 14 foreign countries. No single state or region dominates the student body. In fact, the home state of Kentucky produces only 12 per cent of the enrollment. The education advantages of a genuinely inter-regional style are apparent within the life of the seminary.

Carson Newman College in Tennessee, Samford University in Alabama, and Baylor University in Texas currently claim the largest "alumni chapters" within the seminary student body.

The academic structure at Southern is divided into the Schools of Theology, Church Music and Religious Education.

For the first time, the Doctor of Ministry degree had been offered with 48 students enrolling for the first semester and 66 for the second semester. Approximately 75 per cent of those enrolled are in the functional major of pastor. The second largest category is chaplain-counselor. The Doctor of Ministry program is a vocationally related graduate emphasis designed to better equip various ministers for their service to God within the SBC.

In spite of a large annual gift from the SBC Cooperative Program, Southern Seminary's budget allows for only one-third as much investment in each student as in the average accredited seminary in America. This means much lower faculty salaries than in the typical seminary and not as much flexibility to develop new programs required by the needs of the churches.

The SBC Cooperative Program provides 46 per-cent of the total operating budget; 22 per-cent comes from auxiliary enterprises; 12 per-cent comes from approximately $10,000,000 of endowment; and 3 per-cent comes from other funds functioning as endowment. Student fees provide 10 per-cent, with gifts and grants providing 2 per-cent. Income from other sources provides 5 per-cent.

FOREIGN MISSIONS REPORT

The sending out and maintaining of missionaries is primary in Southern Baptist overseas missions through the channel of the Foreign Mission Board. On January 1, 1973, Southern Baptist Missionaries were under appointment to seventy-six geographical or political entities. At the close of 1972 the Board had an overseas missionary staff of 2,507. This included 174 missionary associates, two special project medical personnel, and 128 missionary journeymen.

Underlying all our missionary endeavors is the ultimate purpose of leading people to new life in Jesus Christ and the cultivation of New Testament churches. Organized churches with which Southern Baptist missionaries are related on mission fields now total 6,554, of which 75 per cent are self-supporting.

The program of evangelism and church development includes many types of ministry: radio and television, English language churches, lay-leadership training, stewardship promotion, camps and conferences; work with the women, men and youth; music, and religious education. In several countries, increased emphasis is being placed upon the transfer of responsibility from missionaries to capable national leaders. Local conventions are sending their own missionaries and starting new outreach work.

The training of national leaders is a prerequisite to strong indigenous churches. Educational institutions under Baptist auspices in various lands may include all levels from Kindergarten through university. Of special importance is the development of pastors and other church leaders through theological schools and also in programs below the full seminary level.

Publication ministries are an integral part of the Southern Baptist overseas missions, as all kinds of Christian literature are provided for purposes of evangelism and the developing of vigorous church life. Our missionaries are related to publishing centers in twenty-five lands and to informal literature productions programs in a number of other countries.

The program of hospitals and medical care serves the physical needs of thousands of people who would otherwise be neglected and often opens strategic doors of evangelistic witness. Benevelent ministries include agricultural programs, good will and community centers, children's homes, and direct relief work.

Approximately 50 per cent of the Southern Baptist Convention Cooperative Program funds is made available annually for foreign Missions. This is the basis upon which sustained advance can be built. Still needed urgently on overseas fields are land, buildings, and equipment, amounting to several million dollars' worth.

HOME MISSIONS REPORT

An effective, well-trained mission force, for the most part supported and supervised in cooperation with the State Mission Boards, serves in all fifty states, Panama, and Puerto Rico. For the third year, this force has remained at 2,200 not because of a lack of volunteers, but because inflation cut away at the agency's ability to finance a larger number. More than one hundred fifty qualified workers have contacted the board for appointments, but funds are not available.

More effective ways to conduct missions in the homeland through volunteers and with no increased funds continue to be found by the Home Mission Board. The laity have become the key force within the three major emphases of the Board: evangelism has activated a force of more than 125,000 lay evangelists through the lay evangelism schools; Christian Social Ministries depend 90 per cent on the volunteer for their work, and church extension enlists the lay person to lead in Bible fellowships in homes, many growing to form the basis for new missions and churches.

The denominations emphasis in church extension, called "Extend Now," received a major thrust through the Department of Church Extension which assisted 450 churches and missions with pastoral support. During the year 75 churches became self-supported and phased out pastoral aid. The world's largest high-rise complex, Co-op City Bronx, New York, was entered with a pastoral ministry. Four state capitals had been without an SBC ministry, but two of these (Albany, New York and Montpelier, Vermont) were entered during the year.

It may well be that the most significant challenge of our time is the challenge to claim America for Christ to a degree never before true. What happens in and through the churches of this land has supreme significance, humanly speaking, in the programs of the missionary causes around the world.

STATE MISSIONS REPORT

North Carolina is a state rich in heritage and proud of her accomplishments, and believes in the greatness of her future. Homes and schools, farms and factories, shops and stores, churches and colleges - these provide for the physical and spiritual needs of her greatest asset - the people, four and one half million of them. In a state so blessed people should seek and serve God, yet statistics reveal that at least fifty per cent of the population is lost and unchurched. Baptist are concerned about these millions outside Christ. Baptist believe that state missions is world missions; and, that evangelism and missions are synonymous terms. To this end the General Board of the Convention prayerfully seeks to budget and direct the missionary activities.

The first major area of service in State Missions is reaching the lost and the unchurched. Rev. William C. Lamb is the Secretary of the Department of Evangelism. The Rev. Burrel F. Lucus is the Director of the Sunday School Department, and the Rev. Maruice Cooper, is Director of the Training and Ministries Department of the Convention. The Department of Church Music is another Teaching and Training Department of State Missions. Mrs. Joseph O. Stroud is the Secretary. The Brotherhood and Woman's Missionary Departments is the ministry of State Missions at work through the local church giving special emphasis to Evangelism, Cooperative Program, the Youth Mission Organizations, and Stewardship. The Baptist Student Union is the tie between the local church and the college student.

The Division of Missions is direct missions in action. The Division is directored by Dr. Howard J. Ford. There are ten departments - City and Metropolitan Missions; Town and Country and Seminary Extension; Interracial Ministries, Deaf Ministries, Chaplaincy Ministries, Fruitland Bible Conference, Insurance and Annuity Promotion, Communications, Special Ministries, and Burnt Swamp Indian Work.

With the varied programs and work the staff of the Baptist State Convention is making, its impact on our great state.

BAPTIST CHILDRENS HOMES REPORT

Christian Child Care is a creative opportunity. The Baptist Children's Homes of North Carolina are committed to quality care which nurtures a whole person, physically, mentally, emotionally, socially, and spiritually. It is our hope that each child in our care will have the opportunity to develop the full potential which is his by God's creation.

Hundreds of dependent children are served from three primary centers of operation, namely: Kennedy Home in the East: Mills Home in the Piedmont: and Broyhill Home in the West. From these centers North Carolina Baptists provide group care, foster home care, family services, preschool education, higher education, and materinty care.

In Eastern North Carolina the Ten Star Builders Program continues to offer exciting opportunities for a great host of friends to share in developing modern facilities and the must up-to-date services for needy children and families. Although a new cottage for children is being constructed on the Kennedy Home campus, the major emphasis of the Ten Star Builders Program for 1973-1974 will be in the direction of the expan-

sion of Odum Home at Pembroke, North Carolina. A challenge gift has already been promised for the construction of a Recreation Building. A campaign is underway this fall to raise funds for two family-style cottages for children and a residence for the Director.

In Eastern North Carolina we have a strong and growing group of families who have opened their hearts and homes to foster children. However, from time to time we have a need for additional foster homes for some children who have special needs which cannot be met adequately in group care. If you are interested, write or call our nearest office.

The Baptist Childrens Homes of North Carolina has always operated on a very conservative budget. For this reason we have very little margin from which to cope with today's high cost of living. Therefore we make a strong appeal to our Baptist people and other friends for increased financial support to the Cooperative Program, the Thanksgiving Offering, and special gifts. A fifteen percent increase is desperately needed in order to enable us to continue an effective ministry at the present level. It shall be our purpose in the future, as in the past, to keep faith with our Baptist people in providing a Christian home and way of life for the boys and girls we serve. Thank you for the numerous ways you help to make this ministry possible.

BAPTIST FOUNDATION

The North Carolina Baptist Foundation, Inc., is a charitable corporation, chartered under the laws of the state of North Carolina by the Baptist State Convention in 1920. The Foundation, as an agency of the Convention, encourages, receives, and manages gifts and bequests for benefit of all Baptist institutions, agencies, and causes fostered and supported by the North Carolina and Southern Baptist Conventions. The Foundation is not a competitive agency, but a service agency dedicated to the task of undergirding all Baptist work. It encourages the donor to use the local church as a channel for directing the income from Foundation trusts to the benefiting cause. The operating expense of the Foundation is received from the cooperative program of the Convention.

The Foundation Executive Secretary is available to assist churches and individuals interested in a program of perpetual stewardship, particularly as it relates to estate planning, involving gifts to Baptist institutions, agencies, and causes. The foundation provides a means for establishing trusts to benefit these Christian causes as well as providing an opportunity for perpetual stewardship witness. Through gifts of property, cash, or securities during lifetime, donors and/or other beneficiaries can receive annuities from the Foundation during their lifetime, and can also receive certain tax benefits provided for such gifts.

Responsibilities for the administration of the Foundation is vested in a fifteen-member board of directors elected by the Baptist State Convention. The present board consists of thirteen prominent and successful business and professional men and women and two outstanding pastors, all of whom are dedicated to the best management of the sacred trust funds now placed in the Foundation. The investment policy calls for investment in quality securities with diversification, good income, and balanced growth potential.

At the fiscal year ending June 30, 1972, the cost or inventory value of all securities, notes and principal cash of all funds being administered by the Foundation exceeded $713,560.00, (real estate not included). During the preceeding year, beneficiaries of existing trusts were paid $23,483.82. A total of $105,531.08 has been paid to Baptist institutions, agencies, and causes during the past five years from the income of invested Foundation funds.

For information relative to establishment of a trust fund through a gift or a bequest or for details regarding a gift annuity, life income agreements, or charitable remainder trusts, please contact The North Carolina Baptist Foundation, Inc., P.O. Box 26408, Raleigh, North Carolina or telephone 919-833-1605.

ANNUITY REPORT

The Annuity Board of the Southern Baptist Convention this year added new benefits or increased benefits for most active and retired pastors, church staff members and denominational workers it serves.

For annuitants (retirees, widows and disabled persons) on the roll December 31, 1972, monthly checks have been permanently increased by 6 per cent. Just before Christmas, 1972, more than 7,000 annuitants received "13th Checks" amounting to the size of two extra months benefits. The "13th Checks" are paid in addition to the regular monthly payments.

Participants in Plans A-10, A-11 and A-25 on January 1, 1973 had their accrued credits increased by 10 percent in "good experience credit," and Plan B participants received an additional interest credit based on the board's good experience on its investments. In addition, the Board approved (subject to action by state conventions) an increase in widow benefits under Plan A to 50 per cent of the potential or actual retirement benefit; previously it was 40 per cent. This increase applies to those retiring January 1, 1973 and thereafter.

At the same time, a temporary income benefit under Plan A was established for a widow, child or dependent parent of those who die before early or normal retirement, or after disibility retirement, and who have met the required participation. The temporary income benefit can amount, at maximum, to $333.33 per month for 36 months (or a total of $12,000-) if the participant died before age 40. The length of payment of the benefit decreases with the age at death. This benefit is payable to those who died January 1, 1973 or thereafter.

More than 9,000 insurance policyholders transferred from the previous Health Benefit Plan with Blue Cross, Blue Shield to the new plan begun January 1, 1973 with Eetna Life Insurance Company.

The Board reported several records for its operations in 1972. Funds held in trust for over 38,000 participants in retirement plans passed $300 million for the first time. Investment income reached a new high for 1972 of more than 22 Million. Retirement and other protection benefits paid out for the 12 month period surpassed $10 million for the first time.

The total amount of money paid in "13th Checks" exceeded one million dollars, also for the first time. Good investment results in 1972 on funds held to pay benefits account for this dividend.

Income from premiums and dues topped $30 Million, another record.

Information on the Annuity Board may be secured by writing Development Office, Annuity Board, SBC, 511 North Akard Building, Dallas, Texas 75201

CAMPUS MINISTRY REPORT

We have focused, during the school year 1972-1973, on Christian growth, development of a Christian life style, and the strengthening of churchmanship among students on the 30 campuses in North Carolina where Baptist Student Union groups are active.

In addition to local BSU programs, which range in complexity from the fullest involvement possible in a student center to twice-a-month meetings around the table of a cafeteria, the Department is committed to providing summer service opportunities for students, projecting a variety of state programs in collaboration with student leaders, and working with church leaders of college students.

Baptist chaplains seek to be effective ministers of the gospel on campuses as well as advisers for student groups, worship, evangelism, discussion groups, outreach teams and retreats are important dimensions of our ministry as we seek to build fellowship centered in commitment to Christian faith and move onto the campus as agents of His love.

We have two requests: First, work at getting to know us in order that you can more realistically support your ministry through prayer and constructive discussion of our joint tasks. Second, give us a chance to share with you and learn from you in your church or association by inviting us (or groups of students from the campus nearest you) to participate in a worship service, class meeting or special event.

The department is our denomination's only channel for work on the state and non-Baptist campuses in North Carolina. Pray for us and the churches located near these centers of education.

James Y. Greene, Director
Department of Campus Ministry

CITY AND METROPOLITAN MISSIONS

Urban Missions continues to challenge Baptists. The accelerating, revolutionary character of change had made ministry hard if not difficult. Perhaps a part of this is due to the lack of the Christian response to the present challenge. Perhaps another part may be that our attitudinal factors of true perspective are out of focus. Could it be that we have lost the ability to view life as a stewardship rather than a possession? Or the capacity to see life as dynamic rather than static?

Christianity itself is a movement, not an institution or series of institutions. Christians best refer to themselves as the people of God - persons moving along a life path, growing, maturing, learning, coming of age.

Christians can align themselves with God in ministry in this world. We must hear what God has to say. We should respond to God's summons - get involved! Metropolitan Missions is about the task of helping churches and God's people to find structures through which the uniqueness of God's creatures can be discovered and expressed. We have ministered in Jesus' name. Yet, there are others calling to us to come over and help; in the shopping center ministry, to youth and families in trouble, to weekday missions, to literacy missions, to understanding and sharing Jesus with other faiths, to crossing barriers with the gospel, to people in poverty materially and spiritually, to flexible spiritual ministry, to ministries that glorify God. "Why stand ye gazing into the sky? This same Jesus will come again." Get to work now in His Name. The people of the city need the gospel too!!

New South River Baptist Association
Fayetteville, North Carolina 28304

Gentlemen:

We have made a limited examination of the books and receipts of the New South River Baptist Association for the fiscal year ended September 30, 1973.

The following schedules are submitted:

Schedule "A" - Statement of Recorded Cash Receipts and Disbursements
Schedule "B" - Statement of Recorded Savings and Loans Outstanding
Schedule "C" - Statement of Recorded Cash Disbursement and Budget Comparison
Schedule "D" - Statement of Contributions from Churches

Our examination was directed primarily to the verification of the financial condition of the Association, and included a general review of the Income and Expense accounts, for the purpose of preparing the Financial Statement for the fiscal year ending September 30, 1973. It was made in accordance with generally accepted auditing standards, applicable in the circumstances, and comprised such test of the accounting records and supporting evidence and such other auditing procedures as we considered necessary.

In our opinion, the accompanying statement presents fairly the recorded cash receipts and disbursements of the New South River Baptist Association on a basis consistent with that of the preceding year.

Respectfully submitted,
Julian C. Odom
Public Accountant

Recommendation concerning the establishment of a New Downtown Ministry (unapologetically Baptist)

For several weeks, "The Corner" Committee, sub-committees and concerned individuals have been meeting to discuss and study "The Corner," its work and its future.

Through all the discussion there has been genuine conviction that a "downtown ministry" is a continuing need. There is the unanimous agreement that the ministry needs to be much more effective and more comprehensive than any previous attempt and that it should be unapologetically Baptist.

In the most recent meeting of concerned individuals there were representatives of the "Corner" Committee, the Evangelism Committee and the Military Committee present. This concerned group of persons concluded that specific recommendations toward the establishment of this new downtown ministry needed to be presented to this year's Annual Session for consideration.

The recommendations are:

1. That the operation of "The Corner" be officially terminated.
2. That the Association assume the responsibility for the indebtedness incurred (for rent) at "The Corner" (This would amount to $1,000.00)
3. That a new more effective and more comprehensive "downtown ministry," unapologetically Baptist, to meet the total needs of the total man, be established.
4. That a committee be appointed to work out the necessary details (including the financing) in the establishment of this new work.
5. That this committee be instructed to furnish a progress report to the Executive Committee meeting in November, with a final report for action due in the January Executive Committee meeting.
6. That the suggested committee be:

Co-Chairmen -

Jack Hinton - LaFayette
Gerald Rhyne - Lebanon
Joe Gardner - Snyder Memorial
M.J. Horne - Second Baptist
Sidney Stewart - Highland
Jack Gregory - Highland
Harold Bridges - Walstone Memorial

PREAMBLE

We, the members of Baptist Churches in the County of Cumberland and adjacent territories in Sampson and Hoke Counties, State of North Carolina, do hereby propose to establish and maintain the order and rules of an Association in conformity to the following plan:

ARTICLE I - NAME

The name of this body is the New South River Baptist Association.

ARTICLE II - PURPOSE

It shall be the purpose of the Association to advance Christ's world redemptive mission among men, to foster and nurture fellowship among the Baptist Churches within the bounds of the Association, and to promote the causes of the Baptist State Convention of North Carolina and of the Southern Baptist Convention.

The means of accomplishing these ends shall be in strict conformity with the teachings of the New Testament.

ARTICLE III - MEMBERSHIP

Section 1. The Association shall be composed of cooperating Baptist Churches in the area of the Association. A cooperating church shall be any church that maintains a spirit of cooperation, and supports the objects of this association.

Section 2. The Association shall be sole judge of its membership and may receive churches, or reject churches, according to its Constitution and By-Laws. Member Churches may also withdraw as they desire.

Section 3. Churches desiring membership in the Association shall apply to the membership committee, and if recommended by this committee and accepted by the Association, shall agree to come under the watchcare of the Association for a period of one year. At the end of one year, upon recommendation of the committee, membership within the Association of such churches shall be confirmed by vote of the Association. During this period such churches shall be entitled to all rights and privileges of the Association, except holding office and voting.

Section 4. This Association shall not maintain fellowship with any church that neglects to preserve gospel order, maintain a spirit of cooperation with the Association, or support the causes fostered by the Association, or that departs from the principles of the Christian faith as taught in the Bible and believed by Baptists.

ARTICLE IV - MEETINGS

Section 1. The Association shall meet annually on Wednesday and Thursday after the third Sunday in October.

Section 2. Special Meetings may be called by the Moderator, provided two weeks notice is given to the member churches.

Section 3. Each church shall elect annually one messenger to the meeting of the Association for each 50 members of the church, or fractional part there of, provided each church shall have not less than three or more than fifteen

These shall constitute the voting body of the Association. The names of messengers printed in the minutes shall include those attending and registering at the Association.

ARTICLE V - AUTHORITY

It is understood that each church in this Association is independent and sovereign in its own affairs, and the Association has no authority over the churches, except in an advisory nature.

PROCEEDINGS

Wednesday Morning Session

1. After the quiet music and meditation, and the singing of the hymn, "Come Thy Almighty King", led by Terry Terry, Dr. C. R. Edwards, pastor of the First Baptist Church, Fayetteville, Moore Street, led the devotional period. Dr. Edwards used John 9:1-4 as a basis for his thoughts, and pointed out that we as churches, associations, and state organizations need purpose, urgency, and a real sense of mission in our work.

2. The Moderator, Rev. Jeff Roberts called the 51st annual meeting of th New South River Baptist Association to order at 9:50 A.M.

A warm and hearty welcome was extended by the host pastor, Rev. Allen Griffin. The moderator appointed the Rev. Dwight Cooper to serve as parliamentarian during the sessions.

Dr. James Murphy presented the motion on order of business, and the bo voted to accept the printed program as the procedure.

The enrollment committee reported that there were 197 messengers, and 37 visitors registered at 9:50 a.m.

Supt. of Missions, Charles Stevens, was recognized and he presented the members of the associational staff and the pastors who had come to the area since the last annual meeting.

The moderator appointed the following persons to serve on these committees:

Enrollment Committee:

Committee on Committee: Jackson, Baxter Walker, and James Cammack to serve 3 years.

Place and Preacher Committee: Allan Griffin, N. J. Mc Manus, Alvin McLamb. Griffin is to serve as Chairman.

In the absence of the chairman, Charles Stevens presented the Constitution Committee's report, noting that it was written in full on page 35 of the Advanced Book of Reports. A motion and second was given to the report, and the explanation that it would be voted on the next day.

The auditors report and the proposed budget were presented by Harold Kistler. He noted that the reports were found in the Book of Reports, and would be voted upon the second day of the meeting.

3. The moderator called for miscellaneous business. During this period the following items were presented:

The Rev. Tom Faulk brought the motion that since the Arron Lakes Church had been under watch care of the association for a full year, and had been cooperative in every phase of the work, that they be accepted in the association and granted all the privileges and responsibilities of sister churches.

Mr. Wayne Ham gave the report for the Powell Property Committee. He said that he was to bring a motion from the Executive Committee, but asking that it not be passed upon by the body. The following information and background was given.

In the year 1954, Mrs. Powell gave to the association 25 acres of property just off Rosehill Road. One year later five acres were given to build a church to be called the Walstone Church. This was stated as the desire of Mrs. Powell in the original deed.

In 1965 it was brought to this associations' attention that it was Mrs. Powell's desire that a home for the aging be built on this property. A committee brought this to the association and it was defeated in the annual meeting. There was no home built - however, the property was not returned to Mrs. Powell.

In December of last year Mrs. Powell died, and in her will she left the association a part of her estate, but this did not affect the property. She left instructions that the estate be in a trust and at the end of 30 years the trust was to be divided equally to New South River, and the other half to her family. This money was to be used to either improve, or build a home for the aging on the property. (this is background - nothing to do with the item at hand.) There is also an implication that the state of N. C. can spend the money on the home for the aging.

The fact the association is liable for taxes on the property, we felt that some action should be taken. It was the understanding of the committee, and not having the original deed before them that the original stipulation for giving the property to us that there must be a home for the aging built on it, and with that in mind it went to the Executive Committee and recommended that since we did not have a clear title to the land, and that we could not do anything with the property, that we give the property to Walstone Baptist Church. This passed. If this is not possible, then we should completely divest ourselves of the property and give it to the estate. This motion carried. It was to be brought to the annual session for approval.

Since that time, in conference with more lawyers, the committee has discovered the original deed does not state that a home for the aging must be on the property, but that it must be used for Baptist purposes, and a church be placed on said property. It was eight or nine years after the property was given that a home for the aging was mentioned.

Because of this confusion, as chairman of the committee, Mr. Ham recommended that this be sent back to the committee. We want to do what is legally and morally right, but more in the same line we want to do what is best for the Lord's work, and fulfill Mrs. Powell's wishes. Therefore, I recomme that we not pass the motion made by the Executive committee.

The Rev. Harold Bridges arose to speak to the motion and made the motio that since there was not complete information that the matter be tabled until th next annual session, at which time a complete and comprehensive report be giv so that the body could vote intelligently. The motion was seconded and motion carried.

Rev. Bridges further suggested that a committee of seven representing a cross section of the association be appointed and that this committee make a thorough and complete study, and that a progress report be made in the Newsletter each quarter and that the recommendations be published in the Newslette so that this body can vote in the next annual session. There was a second to th motion.

Discussion: We have a committee, and they have been and are doing a goo job. There was a review of the present committee members, why not just add to the present committee the persons not represented in the cross-section.

Motion that the motion be amended that we simply add whatever is necessa of personnel to bring the present committee in keeping with the wishes of Brother Bridges motion. Motion passed.

The Rev. Baxter Walker made the motion that the association go on recor as being opposed to abortion, except in the case of the welfare of the mother, and that we favor capitol punishment.

There was a question of whether this should be a resolution, or a motion. Few messengers expressed themselves; however, the motions passed. (there was a count taken.)

There was a motion, a second, and it carried that the time be extended fiv minutes.

4. The group was led by Terry Terry in singing the hymn, "Holy, Holy".

5. A brief concert was presented by the members of the Touring Choir of the Campbell College under the direction of Dr. Paul Yoder.

6. The annual missionary message was delivered by the Rev. Harry Byrd a missionary to Guatemala. He is formerly of Durham, and is now serving as Director of the Baptist Theological Institute, Guatamala City.

As a basis of his message, the Rev. Byrd used Isaiah 35:6-7. He reminde us of the proficiency of God's people in the desert - God provides springs of water. What is Christian missions - we live in a desert world. God is raising streams by calling men today to work in His kingdom. Mr. Byrd shared the experiences of several persons on the mission field, and told of the inflation th was being experienced in Guatamala.

In conclusion, Mr. Byrd raised the question where is a desert? It may be a foreign mission field or on the home front. He urges each and every person be a missionary.

The closing words of prayer and meditation were led by the Moderator.

7. The host pastor, Rev. Allan Griffin was recognized to give instruction for the noon day meal and led in the blessing for the food.

The ladies of the Trinity church provided a very fine meal.

Wednesday Afternoon Session

8. After the quiet music and meditation which was led by Terry Terry, th group sang the hymn, "At the Cross". Dr. C. R. Edwards again led the devot al period using Matthew 16:13-19 as a basis for his thoughts. The key word wa "church". He pointed out that many people were simply attenders at church. H gave a definition of the church, and stated that the purpose was to bring man in the right relationship with God and to become alive. Dr. Edwards said that a church is alive when: it is interested in people, when it involves the people, a when it exerts its influence in all areas.

9. Vice-Moderator, Wilson Yarrboro presided over this session. Visitors and representatives of State Convention and agencies were recognized. He asked for any miscellaneous business; there was none.

10. The congregation was led in singing the hymn, "O Worship the King."

11. Representing the state convention was Dr. Perry Crouch. In his message he pointed out the unique heritage of North Carolina Baptists and read several passages from the Good News for Modern Man New Testament. Based on these passages he pointed out that this was a time when the Greeks were in power, they were great, but were conquered by the Romans; the wisdom of which Paul spoke was wisdom that the world would not give. The wisdom of man is failing. The disciples quizzed Jesus about the kingdom - are we really a part of the kingdom by practice as well as profession. In the conclusion Dr. Crouch reminded us that we are partners with God. It will be a tragedy for us to fail.

12. The presentation of the Executive Committees Report on page 31 of the book of reports by the moderator, and presented the Rev. Charles Stevens, the Superintendent of Missions. He based his remarks on Phil. 1:6 and Col. 3:14. Pointed out that which God had begun in our lives. He will continue it, to the extent of our surrender to his will. The principle of live (Col. 3:14) has come alive in my life he stated. This is a great need in the lives of every Christian. Do we really love, or just love on the surface - just toleration. The great need across the association is a deepening of love, a forgiving of people, accepting people as they are. There is a risk in loving people. God's love operative in our lives can do wonders.

13. The report of the Director of Church Development, Rev. Bill Ross, consisted of an expression of gratitude to the Superintendent of Missions for his leadership, and the cooperative support of other staff members, and to members of local congregations for their concern in his illness and work. He called attention to the reports of the program organizations and committees of the division in the book of reports pages 1-16. He stressed the need for training, and announced opportunities and offered services of the division.

14. The Rev. Ron Pinkerton, Director of Christian Social Ministries expressed appreciation for the cooperation and understanding he had received during the year of adjustment and beginning of his work. He called attention to the reports of the division committees on pages 26 of the Book of Advance Reports. He shared information concerning two new programs which has been started this year -- tutoring and the Emergency Home for Youth. He concluded by offering the assistance of the division, and stated that he would be available for appointments in the local church, but that a greater amount of his time would be spent with the project of the division.

15. During the business session the following items were taken into consideration: Brother Jack Hinton, Co-chairman of the Downtown Ministries Committee brought a report from the committee and made the motion that the association pass on the proposal. There was a second. In the discussion after two persons had mentioned Shaw Heights, the moderator reminded us that the issue was not Shaw Heights, but a Downtown ministry. A substitute motion that this go back to the committee for further study and further action later. The amendment was defeated, and the original motion that we have a downtown Ministry carried. It was suggested that the action be supplemented by asking the budget committee to include it in the budget.

Fred Hall made the motion that after expiration of the term of the present moderator, that the parliamentarian be elected by the nominating committee and the body. This is a constitutional change in By-law III, Section 1. The motion carried.

The Moderator reminded us of the second session to be at the Pleasant Union Church on the following afternoon at 1:50 P. M.

The group sang "There is a Sweet Sweet Spirit" as a benediction.

Thursday Afternoon
Pleasant Union Church

16. After the period of quiet music led by Terry Terry the moderator called the second session of the 51st annual meeting to order.

17. The Rev. Charles Stevens led the memorial service. He used I Cor. 15:58 as the scripture, followed by a period of silent prayer and quiet music.

18. The congregation sang the hymn, "The Whole World for Jesus." Special music, "Help Me Jesus" and "Jesus never Forgets" was sung by Terry Terry.

19. The annual sermon was delivered by Rev. Baxter Walker, with Rev. Allan Griffin as the alternate. Brother Griffin read the scripture from John 5:1-15. The theme of the sermon was, "Without a Vision the People Perish." Brother Walker pointed out that we see in this passage the following: The seeking one -- Jesus; the separated one -- the lost man; and the saved one-- the man. We know that he was saved because He heard the Word, he believed it, exercised his faith in it and he shared his faith.

20. The moderator recognized visitors, and those who were present for the first annual meeting 51 years ago and those who had been a member of a Baptist church in this association for 50 years.

21. Committee Reports:

Constitutional Committee report was adopted

Finance Committee -- proposed budget. The committee will add the Downtown Ministries work to the budget in the next few weeks, and will come back to the Executive Committee -- Pages 47-48. Motion carried and the report was adopted.

Nomination Committee report -- motion carried that it be adopted.

Resolutions were read by Randy Gruber. These were adopted. The book of advanced Reports was adopted.

22. The Moderator called for items of miscellaneous business. There was not any.

23. The congregation was led in the singing of the hymn, "My Jesus, I Love Thee."

24. Dr. James Hyde, Director of the Fayetteville Family Life Center brought the closing message of the session. Dr. Hyde pointed out that the center was eccumenical and supported by those who want to see a center of counseling, consultation and training in the area. It is supported by funds from churches and individuals. The primary task has been counseling individuals, jointly, families or in groups. The training program will be for both pastors and laymen; we hope to begin by spring. The center is also a place for the pastor to find a pastor. The center provides theological consultation for lawyers, doctors, and others referred who are in need of someone to assist with theology. It provides enrichment programs - marriage enrichment retreats, parenting retreats, and family retreats.

25. The benediction was spoken by the Rev. Waldo Early, the first Superintendent of Missions of the association.

Thursday Evening

26. After the prelude, the choir sang the call to worship, and the invocation was offered by Dr. James Cammack. Mr. Terry Terry led the congregation in an old fashioned hymn medley.

27. The moderator gave a warm welcome to visitors and representatives of the convention and agencies, and General Board Members.

28. The moderator recognized the Superintendent of Missions. Mr. Stevens requested that the Annual Minutes be dedicated to Roy Bowling who had

erved in several capacities in the association in the past, and went to his eward this year. He was a member of the Fayetteville First Church. There vas a motion, and it carried.

Mr. Stevens recognized the pastors and their wives who were present Widows of pastors who have served in our association were recognized.

Those who had been a member of one of the churches in the association or 50 years were asked to fill out a card giving this information.

There was a roll call of the churches, and a report of the number present rom each one.

29. The Historian, Dr. James Murphy, led the group in a look into the ast. He gave a brief history of the association and conducted a interview ith three persons. Rev. Scott Turner, Sr., who was present at the organi- ational meeting of the association shared his experience. Brother Waldo arly, the first Superintendent of the Association for some 46 years shared he highlights of his ministry and experiences in the association.

30. Selections from the "Alleluia." was presented by members of the elebration Singers of Eutaw Heights Church and the adult choir of Grace hurch.

31. The closing message, "A Challenge for the Future" was delivered y Mr. Allen Bailey, President of the North Carolina Baptist State Convention. n his introduction, Mr. Bailey expressed his joy to serve as president of the onvention. He pointed out the uniqueness of the organization of Baptists re- inding us that we are 12,300,000 strong, operating out of 34,000 churches nd with 2,050 plus Foreign Missionaries, and hundreds in our homeland. We ork throught 12,000 associations and 33 state conventions. In 1925 there ame into being the Cooperative Program.

We talk about winning the world to Christ, but we only give 2 1/2 cents ut of each dollar to Baptist work - this is the record across the land. Are e serious? In sharing his own personal testimony of how God had blessed im from a poor orphan boy from Sampson County to a successful lawyer, Mr. ailey quoted Mal. 3:10 and reminds us that God is faithful in keeping his prom- ses.

What does the future hold? If we as Baptist will exercise what we know bout God's word, and follow it, we have nothing to worry about.

32. The benediction was pronounced by the moderator.

REPORTS

CHURCH DEVELOPMENT

To try to capture and place in a report all the grand and glorious things that have taken place in the past year is an utter impossibility. But so many victories, miracles, and even disappointments, and periods of hurt and pain have been part of a year of growth and a real venture with the Lord in His leadership. I shall never cease to be amazed at the miracles that God continues to work in my life, and the wonderful expression of care and love expressed on the part of so many wonderful people in the association.

It was a "head spinning" experience to look at the calendar for last year; and there was room for questions as to when, where and how all these activities could be accomplished. Many of these events were labeled "a great big success", and some we had to admit that there was something lacking. But as long as we look objectively at the programs, and work for planning in such a way as to meet the needs of the leadership of our churches I feel that we are making progress. The emphasis has not been placed on so many mass meetings as the efforts have been primarily with the individual local church on a consultive basis.

As the challenge of 1974-75 looms before us; it is a real challenge to design programs, and plan events to equip leadership to meet needs. Nothing short of the leadership of the Holy Spirit can guide in such an endeavor (...the same yesterday and today and forever. Heb. 13:8). The suggested theme for the year is "Share His Love Now," with five suggested projects: "Love Thy Neighbor", "People-to-People Now", "Life Style Evangelism", "Church: The Sunday Night Place", and "Operation One."

I am excited about the corp of very fine persons that we have been able to enlist to assume leadership positions in the association for the coming year. Many of them have had years of experience, and others are just beginning, but with thorough study of the basic information in their respective responsibilities.

A great big thank you is in order for those who have served in leadership positions this year, to my fellow staff members, and the host of friends in the association.

Respectfully submitted, J. William Ross
Director, Church Development

SUNDAY SCHOOL

The Sunday School Department has experienced change this year. Mr. Warren Mallard left our area and Mr. Ed Rasberry became Director. Our basic approach is more that of consultation with the workers in the local church as opposed to mass meetings. This approach has necessitated some changes in our organization.

There was a good response to the three area Vacation Bible School Clinics. Not near the number of churches took advantage of the Pastor-Director Planning Workshops as we had hoped.

Future plans for 1974-75 include two major emphases. A central Training School is planned for the spring of 1975 at which time the new Administration books will be taught. There will be an upgrading and enlarging of the organization in order to be more effective in the services and ministries that the department has to offer in the future.

CHURCH TRAINING

"To Train or Not to Train" is not the question. As a matter of fact we pay the consequence if we do not have an effective training program in our local church. Your associational Church Training and Ministries Department is anxious to assist each local church in exploring and discovering the most effective training program for your church.

In order to offer this effective assistance to the local church the department is following the state format and combining training and ministries. We will have church member training, new member orientation, and church leader training along with administration and special ministries. This approach seems to offer the local church all of the resources needed to provide the means of training--"equipping the saints."

W. H. Ledbetter, Director

BROTHERHOOD

Brotherhood is the program organization that has as its main concern, the study of missions, the support of missions by our prayers and money, and the "Doing of Missions" in our own community and locale. The organization is unique in that it is for men and boys of the local church.

We conducted our annual workshop for leaders and interested members this past year at Faymont Church. Attendance was good and interest was high. Watch the Associational Newsletter and calendar for future meetings of this kind. Let's have Brotherhood work in every church this year and recognize it as such.

Yours for better work with men and boys!

Rev. W. Harold Bridges, Director

MUSIC

The Music Committee has served in several ways this past year. We have planned the music for all associational programs, we have consulted with local church directors when called upon, and offered our services freely as requested as well as met periodically to evaluate the work of the committee.

In the future we shall continue to offer our services, and assistance to any local church in the music program.

Terry Terry, Chairman of Council

CAMP COMMITTEE

During the week of August 5-9, two hundred and sixty two campers and staff members braved the rains and spent a wonderful week on the campus of Wingate College. Under the leadership of Director Ronald Loftis, all plans were carried out, and it is the consensus of most campers that this was the best camping experience yet.

Each morning was fully planned with film time, Bible study, break, Missionary time, and noon day meal was welcomed. The afternoons were spent in a variety of ways--recreation, and crafts were offered, but there was time for simply chatting and visiting with other campers.

The worship sessions, discussions and devotionals were the highlights of the evening. By eleven o'clock most everyone was ready for bed. The week was labeled as a good one, and lives of young people were influenced for good.

Mrs. Nadine Strickland,
Committee Chairman

CHURCH WEEKDAY EARLY EDUCATION

The membership of the Church Weekday Early Education Association is composed of persons who are engaged in ministering to preschool children in day care, kindergarten, and nursery care. There are fifty members representing fourteen churches.

The group had planned programs each month under the leadership of Mrs. Louise Cooper, President; Mrs. Ruth Meshaw, Vice-President, and Mrs. Barbara Pate, Secretary.

Officers have been elected for the year 1974-75, and programs are planned for monthly meetings.

Mrs. Louise Cooper, President

SEMINARY EXTENSION COMMITTEE

Two Seminary Extension centers are in existence in the association. One is in connection with the Cape Fear School of Theology at the Village Drive Baptist Church, and the other center is located at the Highland Church.

Your committee is anxious to begin centers at other points where there is interest and a need.

Harold Bridges, Committee Chairman

WMU

This past year held many blessings for both the Associational officers and members of our organization throughout our churches.

God has richly blessed our work in the past year and has set our footsteps with a new determination to follow our Saviour more closely in the years that lie ahead. We dedicate ourselves anew to a greater effort to spread His gospel throughout the association and to the uttermost parts of the world.

Activities of the year are as follows: Our leadership course was held at Macedonia Baptist Church in October. District Meeting was held in Lumberton in February (This was a planning meeting for our Annual Meeting to be held in April). The Annual Session was held at Temple Baptist Church on April 8 and 9 with Mr. Clyde Morris, Baptist Children's Home, Asheville, N. C. as guest speaker. The theme of our meeting was "Go Ye", which was carried out throughout the meeting. Mr. Morris gave us valuable information on the Maternity Home which helped our ladies very much. Special music was rendered by the youth choir and Mr. Ralph Enlow on Monday, and on Tuesday "The Gospel Keys" rendered the special music with Mrs. Cheryl Noelle giving the benediction. A prayer retreat was held at Pleasant Grove Baptist Church on May 18.

A word of thanks to all the churches for their Foreign and Home Missions offerings. As you know this is churchwide. This is one way of spreading the gospel to the uttermost parts of the world. Let's set our goal higher this year.

It was a great privilege to present 2 young ladies scholarships this year. The following young ladies received a scholarship: Miss Robin Rhyne, Lebanon Baptist Church, and Miss Donna Horne, Macedonia Baptist Church. Congratulations to Robin and Donna. We trust that each church will make a donation to this fund. Please make donations to: Mrs. Mary Sasser, 1805 Spruce Street, Fayetteville, N. C.

The WMU Watchword for 1974-75 is "God was in Christ, reconciling the world unto himself,.....and hath committed unto us the word of reconciliation" (2 Cor. 5:19). This watchword should send WMU members forth with the gospel. In a sense it makes us missionaries, with a task of telling all men everywhere that in Christ God was reconciling the world to himself by forgiving men their sins. It would compel within us a deep desire and willingness to share his love now.

We have 2 WMU Emphases for 1974-75: LOVE THY NEIGHBOR AND TIME. I trust as WMU members we will find the time to love our neighbor in the 1974-75 year as we have never done before.

My thanks to the WMU Executive Committee and the Associational office for their support during the year.

Respectfully submitted, Mrs. Clarence E. Mercere,
WMU Director

EVANGELISM

The continuing response of youth and adults to Lay Evangelism Schools has been significant. In the past thirty months 11,032 youth and adults have shared in this lay witness training from 855 churches and 44 associations. Also, 107 pastors from nine other associations have participated in Pastors' Retreats dealing with Lay Evangelism Schools.

"SHARING HIS LOVE AND SPIRIT" was the theme of the 28th Statewide Evangelism Conference at War Memorial Auditorium, Greensboro, February 4-6, 1974. Over 2,400 pastors and lay persons heard excellent speakers emphasize various phases of evangelism.

God is greatly blessing the evangelistic ministry of our three summer youth evangelism teams. Nine college students are leading in music, preaching in youth revivals, and directing youth witness training sessions among 27 churches from Pisgah Forest to Edenton.

Youth Ministries Week was held at the North Carolina Baptist Assembly during June 10-14 for about 700 youth and adults with the emphasis on evangelism, vocational guidance and recreation.

About 15,000 youth, pastors, and adult leaders attended the 4th statewide Youth Evangelism Night August 16 at the Greensboro Coliseum. Richard Hogue, evangelist, Houston, Texas, was the guest preacher, and Darcy and Sharon Hodges were the guest soloists. Christian youth continue to share a strong witness for Jesus Christ across our state.

Let us rejoice in the leadership of the Holy Spirit in wonderful revival meetings, city-wide crusades, and evangelism clinics during the past year.

The 29th Statewide Evangelism Conference will be at War Memorial Auditorium, Greensboro, during February 3-5, 1975.

The Cape Fear Area Crusade was not exclusively Baptist although much leadership and support was given by the Associational Evangelism Committee and congregations with more than 30 of our Baptist churches fully participating. There was a total attendance of approximately 24,000, giving an average nightly attendance of 3,000 including the choir. There were 360 registered decisions, a little better than half were first time decisions.

Remember to pray daily for the work of evangelism in all the churches of our state, nation, and world.

Mack W. Roberts, Committee Chairman

STUDENT COMMITTEE

The present day, especially the commuting student, is an evidence of our mobile society. As he accepts the mobility, he discovers that he has little in common with any group such as family, church, or school. He is confronted with a variety of value systems many of which do not accept the basic standards of his community. The many options that the student faces often causes him confusion and frustration. In this confusion he may attempt to wall himself off from much of society, seeking a small group of like-minded friends with whom he is emotionally at ease.

Each local church can confront the students of his community with an option for responsibility of living in the area.

Your committee stands ready to explore every resource in assisting the local church to minister to the students in its congregation.

J. L. Brooks, Committee Chairman

CHRISTIAN ACTION LEAGUE

The officers, trustees, and the Executive Director of the Christian Action League take this opportunity to express to the members of this association, convened in annual session, their appreciation for the wonderful support which you gave in the liquor campaign last fall. We are still rejoicing in the wonderful victory that God gave to us. To receive over 70% of the vote in our favor and to carry 97 counties in the state is remarkable, indeed. It is a tribute to the wonderful spirit of cooperation on the part of people like you across the state.

Recently one of the organizations that conducts surveys across the state

of North Carolina included a question about the visibility which the League enjoyed in North Carolina. It was a three part question, but we include here only the first part since the latter two are not relevant to present circumstances. The question was included with ten other questions and read as follows:

DO YOU KNOW WHAT THE CHRISTIAN ACTION LEAGUE OF NORTH CAROLINA IS?

The results were: Yes, 80% No, 18.6% No Answer, 8%

Thus it is revealed that four out of five persons across North Carolina know what the Christian Action League is. The polling company had the following comment: ....."Pretty good recognition for an organization funded mainly by...religious groups."

We are looking to the future. At the annual meeting in April, seven Task Forces were appointed, as follows: Task Force on Prison Reform, Task Force on Highway Safety, Task Force on Alcohol Drug Control Laws, Task Force on Obscenity and Pornography, Task Force on Tax Reform, Task Force on Capital Punishment, Task Force on Banning Advertising of Alcohol.

Some of these groups have already met and others are meeting in the near future. Work is going on in these areas. We need your continued prayerful and financial support.

CITY AND METROPOLITAN MISSIONS

The Department serves both rural and urban areas of our state.

Christian Social Missions is one major phase of the work. This ministry consists of church-community weekday missions, youth and family services, literacy missions, migrant missions and disaster relief. There are 16 missionaries jointly employed by the State Convention, the Home Mission Board and the association in this phase of our Lord's work. In addition to these missionaries there were several jointly-employed summer student workers. This ministry exists for the purpose of bringing men to God through Jesus Christ as Saviour.

Interfaith witnessing is another phase of the Department's outreach ministry. This ministry demands skilled workmen with an intelligent and warm approach in Christian witnessing. The Department seeks to enlist and train volunteers to engage in this work.

Church extension through pastoral and lot aid assistance is a third phase of the Department's work. This is one of the oldest and continuing ministries of State Missions for urban area.

The City and Metropolitan Missions Department is an integral part of the overall program of State Missions and is directly funded from the annual State Missions Offering. We solicit your continued prayers and support for this work. If the Department can help your church or association, please let us know.

BIBLICAL RECORDER

The Biblical Recorder is grateful for another good year, although these are difficult days for religious publications. Some have had to go out of business while others are squeezed by rising costs. The Recorder has not escaped the pressures of inflation. For example, paper has risen 61 percent already this year--and the end is not in sight.

Even so, the Recorder has been in business for 141 years and expects to continue. A few changes have to be made, however, to keep the paper strong. As staff members have resigned or retired, they have not been replaced. Some weeks the number of pages has to be reduced to save money, but readers have been very understanding.

Despite some problems, the Recorder is enjoying its highest circulation in history--more than 111,000--thanks to the continuing support of the vast majority of Baptist churches in the state. These churches and their members remember the part the Recorder played in the overwhelming defeat of liquor by the drink last November. This is probably the most significant story that the Recorder has reported since the associations met last year. You will remember that approximately 70 percent of the voters in the state voted against liquor by the drink and it was defeated in 97 of 100 counties. This should take care of this issue for awhile.

The Recorder will continue its emphasis on local church coverage, seeking to deal with problems that every church has. Naturally, we are prejudiced but we do not believe any publication can take the place of the Biblical Recorder. If your church does not send it to every family, may we ask a simple question: Why? At a cost of only a nickel a week for each family, this is the best investment a Baptist church can make. Put the Recorder in the budget before it has to increase the rate because of inflation.

STEWARDSHIP - COOPERATIVE PROGRAM

More than 5,000 missionaries at home and abroad depend on gifts through the Cooperative Program for a salary each month. Over 3,000 of these have a basic ministry of evangelism, with all of the others using their skills as nurses, teachers, doctors, etc. to meet human needs in order to bring these to Christ. Through the Cooperative Program you are helping the widow, the homeless child, the homeless aged, the sick, plus the ministries of preaching and teaching.

Increasing the percentage given through the Cooperative Program is an excellent follow-through for the special offerings your church receives.

Failure to have a good follow-through, in anything, would be frustrating at the least and tragic at the most. Failure to have a good follow-through, when you are fishing would cause all of your fish to get away and this would be frustrating. It would be tragic not to have a good follow-through in a baptismal service.

A good follow-through is the lifeline between good planning and good results. You will get excellent results if you plan well your special offerings and let your major emphasis be on the lifeline: YOUR COOPERATIVE PROGRAM.

Would your church give more if you received more money? If so, you need to have a thorough stewardship program in your church.

Last year 1,236 churches increased Cooperative Program giving by 10 percent or more over what they gave the previous year. Two of the associations in North Carolina had 100 percent of their churches giving through the Cooperative Program in 1973. These two associations were: Flat River and the Tar River.

WILL YOU DO FOUR THINGS?

1. Will you lead the church where you serve to increase Cooperative Program and associational mission giving by 10 percent or more?
2. Will you have a special prayer for your missionaries and other Cooperative Program causes during each service in your church during the October Cooperative Program prayer month?
3. Will you send your check for Cooperative Program each month to Baptist State Convention, P. O. Box 26508, Raleigh, North Carolina 27611?
4. Will you help us have a good stewardship workshop in your association next spring or summer, so we can: (1) Study recommendations for pastor and staff salary increases; (2) Get an overview of available program helps for each church in stewardship; and (3) Receive a report on where you are in your goals for associational and Cooperative Program giving?

BAPTIST HOSPITAL

In spite of the growth in size and complexity at your Baptist Hospital, the emphasis is still upon "ministering with skill and understanding." Evidence of this is a typical patient's remark recently: "From the head surgeon to the aide who handed me a glass of water, with all the doctors, nurses, people in the business offices and chaplains in between, I was cheerfully given every personal consideration."

Changes and additions continue to be made for the purpose of providing better hospital care. Renovation of the Progressive Care Unit has been completed, and the South and West Wings of the hospital building are now being renovated. Construction of the Ambulatory Care Unit is well under way and is scheduled for completion in the spring, or early summer, of 1975.

New discoveries continue to make possible better medical care. For example, a new EMI-Scanner is to be installed and is expected to be in use before the end of this year. This device, which combines the use of X-rays and computors, will make it possible to detect brain tumors, blood clots, and strokes more accurately and more quickly. Scans can be completed in about 30 minutes and the results can be available in another five minutes. There is no risk or discomfort involved, and the patient does not have to be admitted to the hospital.

New approaches are also being made in the hospital's ministry to the emotional and spiritual needs of people. The Division of Human Enrichment and Development, in the Department of Pastoral Care, is conducting retreats, seminars, and workshops designed to help appropriate the resources of the Christian faith to the various areas and experiences of life. The Pastoral Care Department has also opened its first satellite center, in Fayetteville, to offer counseling and training to people in that area. Your Cooperative Program gifts help to support these ministries.

The School of Nursing graduated its last class in May. The school has been in the process of phasing out for the past three years, as the result of a trustee decision made in 1971.

In January the hospital had its only room rate increase in the past three and one half years. Nevertheless, the hospital continues to operate "in the black." The 1973 Mother's Day Offerings amounted to $375,000. At the time of this writing our 1974 Mother's Day gifts are running ahead of the same time last year. These gifts are used to assist patients with the most urgent financial needs. A special committee of five Baptists from the Winston-Salem area assists personnel from the hospital Business Office and the Department of Denominational Relations in administering these funds.

Your hospital staff, and the people they serve, are grateful for your interest, your prayers and your financial support.

HOMES FOR THE AGING

As a Baptist, among the many vital ministries that you support are your North Carolina Baptist Homes for the aging. For over 23 years now, you have had a part in serving hundreds of older people and making life much happier and secure for them. You have done so through two very helpful means of income: (1) The Special Offering for the homes, received on the 3rd Sunday of February each year; (2) The Cooperative Program. Gifts through these two sources have increased from year to year, and offerings for 1974 will perhaps exceed $350,000, providing more than 30% of the budget needed to operate 5 resident Homes and the Nursing Care Unit.

God, through you, has blessed this ministry of our Baptist Homes in a remarkable way, leading you to establish two homes in Winston-Salem, Resthaven, and the Hayes Home, and the Nursing Care Unit, and three other Homes at Albemarle, Hamilton, and Yanceyville. In these Homes, 4 out of every 5 residents depend upon your love gifts and simply could not be cared for without your help.

Of greatest significance during the past year, has been the decision by the Trustees of the Homes to establish a 6th Home in Western North Carolina, to be located in the city of Asheville on the Pearson Estate, a magnificently beautiful twenty-one acre site, overlooking the city, and with the gorgeous Blue Ridge Mountains in the background. A dedicated group of people in the Western Carolina area have organized the first initial phase of what will become, it is hoped, a major State-Wide fund raising effort to obtain the necessary money to build this proposed home, after approval by the general board, and the Baptist State Convention. Church groups are encouraged to visit the beautiful site on which the proposed home will be built and will be served lunch, if an appointment is made in advance.

With the addition of a 6th Home for the Aging, with the spiraling cost of living, and the great and ever-increasing needs of older people, it is most urgent that our Baptist people be more generous than ever before in support for the homes through the regular channels of the 3rd Sunday of February Offering, the Cooperative Program, and an over and above gift for the Western North Carolina Home.

Ministry to an older person is a direct ministry as unto Christ Himself and is most pleasing to Him, we are sure.

CHRISTIAN HIGHER EDUCATION

Churches and Colleges are Partners

While churches and colleges are not identical in their purposes, Baptist churches and Baptist colleges in North Carolina do their work in an atmosphere of mutual appreciation. This active partnership includes Baptist Youth Corps, student-led worship and revival services, visits to the campuses by pastors and other leaders, participation of faculty and staff in associational and local church programs, and special projects of promotion on behalf of the Cooperative Program.

Cooperative Program

Your seven Baptist colleges are grateful for the continuing financial support which they receive through the Cooperative Program. During 1974, approximately $2,350,000 will undergird the work of North Carolina Baptist Colleges. At a very crucial and difficult time, these funds make a tremendous difference in the quality of programs offered by our schools.

Baptist Students

The colleges make a special effort to recruit North Carolina Baptist students through pastors and superintendents of missions. No qualified student will be turned away simply because of inability to pay. Baptist colleges are anxious to enroll the young people from our churches.

Change in Wingate College Leadership

After 20 years of effective leadership, Dr. Budd E. Smith resigned the presidency of Wingate College. On June 1, Dr. Thomas E. Corts of Georgetown, Kentucky assumed the presidency of the seventy-eight year old institution. Dr. Corts, the eleventh president of Wingate College, came to this position with excellent preparation and experience.

Council on Christian Higher Education

Our colleges--Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wake Forest and Wingate, work together and with the Baptist State Convention through the Council on Christian Higher Education. The Council office is eager to assist both the churches and the colleges in the promotion of understanding and cooperation as together they deal creatively with persons in the name of our Lord.

MEMBERSHIP COMMITTEE REPORT

It is recommended that Arran Lakes be received as a member church of the Association since it has completed its one year of watch care membership.

T. J. Fulk, Membership Chairman

ANNUITY

The Southern Baptist Convention Annuity Board paid out a record nearly $16 million in retirement and protection benefits during 1973. This means that in the Board's history, it has now paid out over $100 million in retirement and protection benefits.

More than 9,000 retired pastors and other church-related vocational workers on their widows receive the benefits.

In addition, the Annuity Board set another record. This one was for funds held in trust for those participating in retirement and protection plans while still in active service. About 38,000 pastors, other church staff and denominational agency employees are included.

Funds held in trust exceeded $350 million for the first time, President Darold H. Morgan reported.

The Board issued another 13th Check, or extra benefit, for annuitants shortly before Christmas 1973. It amounted to two extra months worth of benefits and totaled $1,187,379. The 13th Check helps annuitants, whose benefits are fixed, to meet the rising cost of living. Payment of the 13th Check is over and above the 12 contracted monthly benefits and depends from year to year on investment income.

Board officials and national market experts expected the investment picture to brighten in 1974 after a poor performance in the general stock market in 1973 resulted in a deep cut in income from investments. Investment income declined to $10 million in 1973 after hitting a record of more than $22 million the year before.

The Board's decline in equity, or stock, investments paralleled the decline in the marked generally, which affected all other types of investors as well. The major market indicators--Dow Jones, Standard and Poor, and Value Line--all were down during the year.

By comparison, the Board's investments in mortgage loans and real estate leasebacks proved to be profit-making for the year. In an effort to continue earning from real estate investments, the Board announced a new type of Plan C investment called land equity loans. Plan C is the Board's variable benefit plan, which supplements the basic retirement program, called Plan A, for ministers.

Additional information on the Annuity Board may be secured from Development Office, S. B. C. Annuity Board, 511 North Akard Building, Dallas, Texas 75201.

HOME MISSIONS

Some significant notes of emphasis taking place in Home Missions work this year have been:

4,000 CROSSING BARRIERS

Some 4,000 persons, including full-time, part-time and volunteer workers, are helping meet the challenge of the times. The Board's missionary force totaled 2,170 at the year's end, and the balance was comprised of students and volunteers. Missionaries are active in all 50 states, Panama and Puerto Rico. The Board pays the full support of about one third of them and shares in the support of the others with the state conventions. Record Cooperative Program and Annie Armstrong Easter Offerings will enable enlargement of the missionary force and strengthening of all programs.

STUDENT MISSIONARIES TOTAL 1,024

A total of 1,024 student summer missionaries augmented and supported the work of the missionaries. There was also a small but growing number of students who performed similar services at other times of the year. National Student Ministries provided more than 400 students for a variety of mission projects.

C. B. "BILL" HOGUE TAKES EVANGELISM REINS

The Division of Evangelism got a new director during the year, C. B. "Bill" Hogue, who came to the Board after two years as state director of evangelism in Oklahoma. The division was also reorganized to provide emphasis to lifestyle concerns--lay witnessing, mass evangelism and materials and services--and make them more available where they are needed. Lay witness training involved some 300,000 people during the year--no doubt a vital factor in the more than 400,000 baptisms for 1973. Youth programs such as the first youth evangelism leadership conference and the second Super Summer placed emphasis on youths' role and responsibility in crossing barriers to win persons to Christ.

ASSOCIATIONS ACCENT STRATEGY PLANNING

The emphasis on strategy planning--leading each association to be a "fellowship of churches on mission in their setting"--continued to dominate the work of the Division of Associational Services in 1973. Three strategy-planning seminars were held during the year with more than 100 of the nation's 750 superintendents of missions attending and three state conventions were assisted with associational planning awareness conferences.

MCCALL MOVES TO HEAD DEPARTMENT

Emmanuel McCall, since 1968 associate to Victor Glass in the Department of Cooperative Ministries with National Baptists, was named director-elect in anticipation of Glass' retirement at the end of 1974.

HELPING EQUIP THE LAITY

The Department of Christian Social Ministries has almost 300 missionaries serving across the convention in 1973, but in addition to assisting them, the department spent much of the year equipping laymen and laywomen for ministry.

FOREIGN MISSIONS

The tenth and largest group of Southern Baptist missionary journeymen since the program was initiated in 1965 has been commissioned by the Foreign Mission Board.

Executive Secretary, Baker J. Cauthen, speaking before a capacity crowd, said to the journeymen, "There never has been a time when a group of people have been privileged to go into a world that is more genuinely in need of what you go to do than right now."

Basing his charge to the journeymen on Jeremiah 15:19, Cauthen continued, "Should we cross the world to speak our own prejudices, our own notions, our own likes and dislikes, our fears and our selfish desires? That is worthless. But if we speak what is precious we become as God's mouth."

He suggested that the young people share several "precious" things, the "wonderful truth of God's love in Jesus, "the witness to their own Christian experience, the exuberance of their joy and their "love for those to whom you go and your confidence that Jesus Christ can do for them exactly what he's done for you."

Journeymen are college graduates no older than twenty-six who work for two years in specific job assignments overseas alongside career missionaries.

Job assignments include teaching, preaching, communications, nursing, youth and student work, agricultural work, business administration, bookkeeping and secretarial work. Of the new journeymen, 18 were commissioned for South America, 17 for East Asia, 11 to Eastern and Southern Africa, 10 to Southeast Asia, eight to Europe and the Middle East, 8 to Middle America and the Caribbean and five to West Africa.

Prior to their commissioning, the journeymen completed seven weeks of special training at Meredith College, Raleigh, North Carolina.

Overseas Missionary Force

As of August 1, 1974, the overseas missionary force in 80 countries is divided into the following categories:

Career Missionaries	2237
Missionary Associates	187
Missionary Journeymen	150
Special Project	3
Total	2577

STATE MISSIONS

We have just taken a special offering for State Missions (Sunday, September 15). I would like to talk to you about the things we do with State Missions money.

Maybe I should begin by pointing out the difference in State Missions and Home Missions. The Home Mission Board is an agency of the Southern Baptist Convention. It promotes evangelism in the entire Southern Convention, and does mission work where there is a special need such as minority groups, unchurched areas, large cities, Blacks, Indians, Mexicans, Cubans, Orientals, and other language groups.

Several years ago when the Southern Baptist Convention began moving into states where Southern Baptists had not been before, they shifted much of their work from the old established states such as North Carolina to these newer Baptist opportunities. For the last several years, the Home Mission Board has only put a little over $100,000 a year into our state mission program. It believes that the Baptist people in North Carolina can take care of their own needs through State Missions. In fact, North Carolina Baptists have certainly increased their support of Home Missions (or National Missions) through increased Cooperative Program gifts, and gifts through the Annie Armstrong Offering for Home Missions. We hope our people will continue to increase their offerings for mission work in our nation.

However, North Carolina has mission needs that we must not overlook. We must remember our crime rate is high. We have more prisoners on death row than any other state. Although we have many Baptist churches, and Christian churches of other communions, we still have many people who are not professing Christians. In addition, we have a large military population around Fayetteville and Jacksonville. We have Black neighbors, in addition to Indian and Spanish people who need our love and concern.

We have many small churches that need guidance, encouragement and financial help. We need to strengthen our churches, our assemblies and camps, and provide more help for those reaching retirement age. Please think with us during the next few weeks about our Baptist needs in North Carolina. They are great.

W. Perry Crouch, General Secretary - Treasurer
Baptist State Convention

CHRISTIAN SOCIAL MINISTRIES

This year has been a year of a variety of experiences for me. They have run the gamut from a jail cell ministry to the State Baptist Convention and Southern Baptist Convention meetings. For a country preacher this is a lot different than the fields and cow pastures back on the farm.

I had hoped to have visited all our associational churches during the first year but a heavy schedule has allowed me to visit only about forty (40) of our churches. I hope to get into the rest of the churches as soon as possible but if you feel I should visit your church right away, please call me and we will set up a date.

During the year two major projects have been started and we have continued to explore a project set up last year by the association. The two projects started have been a tutoring program for children having trouble with their school work and the exploration of a way to provide emergency care for youth who have run away from home or need a place to stay for some other reason.

In the tutoring program we now have eight people who are trained and involved in tutoring children two days a week for an hour each day. There are no special talents needed to be involved in this ministry, just a concern for giving children an opportunity in life and a willingness to be involved in a few hours training. It has been a pleasure to watch the people helping the children and then seeing the children begin to make progress.

The emergency facility was an idea that came out of the Christian Social Ministry Committee. We became aware of the tremendous need for such a facility and this need has been accented recently by several articles in the newspaper. At the present we are looking for a home that will be adequate

to house about nine youth. One of our churches has assumed this project and is planning to make the facility available for this purpose. The Baptist Children Homes of North Carolina have agreed to provide the staff for this ministry. We plan to have this home available for youth who have left home for a period of time up to ninety days. Counseling and friendship will be offered at the home with the hope that Christian concern will help the young people make the most of the opportunities available to them.

The downtown ministry is the project that was continued through out the year and a report has been prepared and presented to the executive committee. We will plan to carry out the decisions made by the association during the coming year.

I would like to see one hundred tutors trained by this time next year and the emergency home for youth in operation. I hope also that more of our churches can get involved in individual Christian Social Ministry projects. This is where I plan to place the most emphasis. I want to be a resource person or a floating staff member to our churches with the goal of really putting our Christian love in action in our communities.

The other areas of the Christian Social Ministries Division are covered in the individual committee reports.

I appreciate the friendships that have been developed over the year and the cooperation I have had from all our churches. I am looking forward to getting to know more of you during the coming year.

Respectfully submitted, Ronald Pinkerton,
Director of Christian Social Ministries

INMATE MINISTRIES

In the past year we have had the greatest blessing of all from our unit at Wagram. The unit has been able to arrange their own religious program, with an assigned pastor. Also, the White Lake Unit is starting a building program for their new chapel. This has been approved by the state. These are Baptist organized.

In the past year we have had a great blessing of commitment in faith. This has reached the number of nine hundred (900) as of June 30th.

Our many thanks to our churches and to the women of these churches, for their devotion to the prison ministry. Please remember us in your prayers.

Respectfully submitted, Claude A. Carter

SAMARITAN GOODWILL CENTER

This year we have been blessed in a great many ways. With the new beds for both men and women's division. The remodeling of the men's home, and the painting of the women's home. Also, a bus was given by Grace Baptist Church.

Our homes this past year had fifty-eight (58) men and women as our guests, with the use of 21,170 beds. The implementing of our program includes dieting, religion, recreation. We have witnessed the Lord working in doing these things. The percentage we have seen is 6% of the single folk, and there has been 80% of the married folk reunited. We now have eight (8) families together, living in the Fayetteville area and coming to worship service at the chapel.

The Lord has blessed us with our chapel, which has 40 members; 14 being baptized and 2 weddings. In addition we had 30 confessions of faith, and 10 with transfer of letter.

We feel this was possible because of your prayers and support. We hope in the coming year that you will continue your prayers for us, and also your support.

Respectfully submitted, Claude A. Carter

MOBILE HOME MINISTRIES

Again this year a college student worked with us in the Mobile Home Ministry. This was possible through aid received from the City and Metropolitan Mission Department and the Campus Ministry Department of the Baptist State Convention.

We began our ministry by locating the Mobile Home Parks and then trying to get one of the churches in the area to provide volunteers to work with the student. We felt that a much better ministry could be utilized if the local church was involved and there was an opportunity to follow up with visits from the church. This approach did not prove to be very successful since most of the churches contacted were involved in their own programs already. We did have two churches that worked with the student in two different trailer parks and the effort was well received. We hope that one of the churches will continue their ministry and they are planning to do so at this point.

Next year we will make an effort to survey the churches in April and find out which ones are interested in ministering to mobile parks and if they would like to have the help of a student we will try to work out a program of training and ministry.

Respectfully submitted, Ronald Pinkerton,
Director of Christian Social Ministries

SHAW HEIGHTS MISSION

The Shaw Heights Mission has been without a director for the past several months. The Rev. Thomas Whitmire has been acting director until a permanent one can be found. Mr. and Mrs. James Lowe are volunteers workers.

The center has a ladies group which meets on Tuesday for Bible study and creative crafts.

The center had two summer workers that kept the neighborhood children busy with arts, crafts and constructive play.

The kindergarten is going well with twenty six children under the direction of Mrs. Martha Rogers.

The young people have directed play on Friday nights.

There have been eight baptized, six joined by letter and there were 16 lettered out.

Respectfully submitted, Mrs. Julian C. Odom,
Chairman, Shaw Heights Mission Committee

BAPTIST CHILDREN'S HOME

Child care in Eastern North Carolina can well be characterized as "A shared Christian adventure." We are sincerely trying to practice the theme of our 1974 Alumni Homecoming at Kentucky Home, which is "Doing the Will of God."

A part of our Christian strength comes through the close relationship we seek to maintain with the Baptist churches and individuals who pray for us and support us in a variety of ways. You, in the associations, have helped us retain this warm fellowship by visiting our campuses at both Kennedy Home and Odum Home; by allowing us to visit with your pastors and their wives in special meetings to explain our program; by opening your homes and churches to our tour choirs on special occasions; and by keeping up with our many activities through the pages of Charity and Children.

You will be glad to know that our campuses are operating at capacity; that our foster homes are full; and that our children are making good use of their opportunities. A new cottage for twelve children and two staff residences will be completed by the end of the year.

Because more and more troubled teenagers are being referred to us for care, we have started a new program on the Kennedy Home campus. Limited to only eight boys, it is designed to help them work through some of their deepest troubles by using the principles of group therapy.

Our farm-food program continues to be of vital importance. Although feed and fertilizer cost have risen tremendously, the Lord has blessed us with a good season and all of our cottage and staff people are preserving as much food as possible to fight the rising cost of inflation.

A special campaign is in progress to increase the services available at Odom Home. Support for a recreation building and two family-style cottages is being sought in a nine county area surrounding Pembroke. A year ago our first campus integration occurred, with the placement of a black child at Odum Home. Our success in involving and ministering to black children has continued at Kennedy Home in 1974. The program of therapy at the McNeill Cottage, located at Indian Beach, continues to be one of the meaningful benefits which all of our children in group care homes enjoy.

We desperately need your prayers and loving support as we face the pressures of an uncertain economy, rapidly spiraling costs, and the need to serve children whose personal problems are most intense.

HUMAN RELATIONS COMMITTEE

The primary role of this committee's work has been in the area of interracial cooperation. Initiative action by The Laymen's League of the Union Baptist Association led to a meaningful Brotherhood Sunday and week of revival meetings together. Participants expressed desires for increased trust, cooperation, and fellowship.

Respectfully submitted, Neil Yonce

A STATEMENT OF PURPOSE AND PROPOSAL

FOR A DOWNTOWN MINISTRY IN FAYETTEVILLE

There is a tremendous spiritual need in downtown Fayetteville that must be in God's immediate plans for our churches of the Association. The Holy Spirit of God has manifested Himself so strongly with so many in this area of opportunity.

The Church is a church when it shares Christ with its community. This is a special way for it to do exactly that.

We have allowed a sizable area of Fayetteville to be a stronghold for Satan without putting a single soldier of God's Army on the battle front.

We have enough concerned Christian lay people who are saying to church and Associational leadership, "Give us an opportunity - now."

As we see this opportunity it is to provide an atmosphere where we can talk with the people who walk the 500 block of Hay Street. We will try to find out about their lives (problems, interest, etc.) and really see each one as a person and a creation of God, no matter how they act or what they say.

As each individual permits us we will try to help him look beyond the temporary pleasure they may indulge in toward the real purposes of life that will be meaningful, useful and truly happy. Each person ministering will realize that the ultimate purpose of life is faith in and commitment to Jesus Christ. We will try to communicate this purpose in life by our actions, our words and our prayers.

A projection to implement these ideas is to begin a downtown ministry as near 500 block of Hay Street as possible with an employed director under the direct supervision of the Association Christian Social Ministries Division; organize a workable program for the concerned churches of the association providing lay people for counseling purposes and refreshments, etc., for the

program, and special services such as Young Adults sharing song and testimony; provide opportunity of worship and fellowship.

Finally, allowing the churches to participate in a workable Christian program financially with a view of immediate results.

This program will be carried out in keeping with the goals and spirit of the churches of our association.

An Overview of the Evening Program

Individual churches would be asked to be responsible for providing from 2 to 8 adult volunteers for a specific time on a scheduled basis, programmed by the director and under his supervision.

Individual churches would be asked to furnish cakes and refreshments on a scheduled basis.

The building would be open from 1:00 P. M. to 10:00 P. M. with the church volunteers participating from 6:00 P. M. to 10:00 P. M. Monday through Saturday.

The type of program to be provided would be a relaxed atmosphere of:

reading
watching T. V.
counseling available
Christians being available to show concern
Christian music programs and services as the situation warrants

Starting the Ministry

1. The building will be leased soon as $4,000 is available for the downtown ministry.
2. The building will be remodeled and furnished as the money is available.
3. The director of the ministry will be employed when at least 6 months of his salary is pledged by our churches.

Proposed Cost

Leasing the building	$ 750.00 Mo.
Utilities	75.00 Mo.
Operating Expenses, Insurance, etc.	200.00 Mo.
Director's Salary	1,000.00 Mo.
Total	$2,025.00 Mo.

---If 40 of our churches would give only $20.00 per week, this would be more than enough to cover the expense of this opportunity.

---Application has been made to the Home Mission Board for a US2 person to work in Fayetteville. If this application is approved this person could act as director for the first two years and this would eliminate the director's salary.

SUPERINTENDENT OF MISSIONS

We have so much for which to be grateful during this past associational year.

At the very beginning of the year we were so fortunate to secure as Director of our Associational Christian Social Ministries Program, Rev. Ronald Pinkerton. He and his family have been a very special blessing to all of us and we are so grateful for God's leadership in having them with us.

A major step of achievement we feel this year has been our associations' encouragement and participation in the establishment of the Fayetteville Family Life Center. Rev. James Hyde, a staff member of the School of Pastoral Care, Baptist Hospital, Winston Salem, is the Director of the Fayetteville Family Life Center. Our community is already feeling the impact of the center in meeting family and individual needs.

How thankful we are that during the recent months we have had the privilege of additional secretarial assistance. Mrs. Wanda Brown has been serving as secretary with Mr. Ross and Mr. Pinkerton. In the September Executive Committee meeting, authority was given for this to be a full-time permanent position. It is our prayer that this will be one of the most valuable and effective steps we have taken in more valuable service in the association.

Church support of our associational program has been unprecedented this year. While our financial support has been the greatest ever, even greater has the resources of men and women willing to be used of Him, and His miraculous power of redemption.

During this year, under His leadership, attention has been focused more definitely on person centered needs. As our staff has become more aware of inter-personal needs and relationships, and has sought to meet these needs, there has seemed to be an "over-flow" touching the lives of others across the association. For this we are grateful.

How wonderful it is that no matter how deep the aching needs, the hurts, the loneliness of individuals, we are much aware that the great overwhelming power of God in love and in the Holy Spirit is well able to meet these needs.

Sincerely, Charles A. Stevens

ORDINATION COMMITTEE

During the year 1973-74 the Ordination Committee was called into session on three different occasions to examine men for ordination into the gospel ministry.

Mr. William Beasley of the Lake Lynn Church, Mr. Bill Franks and Mr. Jessie Brown of Central, Spring Lake were each examined by the committee.

After examination as to their experience of Salvation, their call to the ministry, and beliefs concerning Jesus Christ, the Trinity, the Word of God, the church and missions, among other specific doctrines, the Ordination Council of the New South River Baptist Association unanimously recommended these men as fit and qualified candidates for ordination.

This action was referred to the churches requesting the examination for action as they deemed appropriate and wise.

Two of these men are now serving as pastors within our association.

Rev. William Beasley ordained by Lake Lynn, Rev. Ronald Loftis, pastor, is now serving as pastor of Pittman's Grove.

Rev. Bill Franks ordained by the Autryville Baptist Church is now serving as pastor there.

Rev. Jessie Brown ordained by Central is moving back home out of state to continue his education.

On Sunday afternoon, September 22nd, the Ordination Committee met in called session at Salemburg Baptist Church, to examine Davis Benton as to his qualification as a candidate for ordination to the Gospel ministry. After the period of questioning it was unanimously voted to recommend him as a qualified candidate, and for the Salemburg church to proceed with ordination at its discretion.

Brother Benton is serving the Gethsemane and Ebenezer churches near Whitachers.

Respectfully submitted, A. C. Hughes, Chairman

MILITARY MINISTRIES

A report was given concerning Rev. Takeshi Iida leaving our area to move to Philadelphia to begin work on his Ph. D. Degree.

Brother Iida has been serving in our association for a number of months on a very limited basis since he has been working extensively on his thesis for his masters degree for about $1\frac{1}{2}$ years. He has now moved to Philadelphia to begin work on his Ph. D. Degree. We have been providing a mobile home for Brother Iida as his living quarters instead of his staying on campus at Southeastern Seminary during this time of completing his studies. The State Convention gave him $140.00 per month, Fort Bragg Educational System gave him $140.00 per month for teaching servicemen on post. The association has provided a home, all utilities and a basic travel allowance of 10 cents a mile or about $60.00 a month. While this is not a large amount, with the very ministry, which he knew he would have, this has been an acceptable amount to him.

After referring to a very thorough study on orientals in North Carolina and the New South River Association in particular by Rev. Calcote, a missionary to Japan on furlough at Southeastern Seminary this past year, the committee felt these items should be approved and acted upon:

1. Look into the possibility of Mrs. Toni Romine of Jacksonville coming to Fayetteville temporarily on a regular basis in an effort to strengthen our work with the orientals here.

   --for visiting and ministering purposes.

   --for the seeking out of a leader, a lady (spiritually qualifies) living in the area, who could do much contact work among the orientals.

2. Make an effort to enlist at least three churches in the area to begin oriental fellowship classes as soon as possible - this later to develop into a fellowship Bible Class.

3. Rev. Jack Hinton, LaFayettes's pastor, volunteers to get one of the classes started immediately.

4. Check into the possibility of having either a seminary student, an oriental missionary on furlough or even a local retired missionary to come to Fayetteville one day a week to visit classes on alternate weeks to strengthen the work.

5. Recommend that the mobile home now used for oriental ministries, become a home for the pastor/director of the Shaw Heights Mission Center, if the Shaw Heights Missions Committee feels this wise.

Prayerfully submitted, Gerald Rhyne, Chairman

New South River Baptist Association
Fayetteville, North Carolina 28304

Gentlemen:

We have made a limited examination of the books and receipts of the New South River Baptist Association for the fiscal year ended September 30, 1974.

The following schedules are submitted.

Schedule "A" - Statement of Recorded Cash Receipts and Disbursements

Schedule "B" - Statement of Recorded Savings and Loans Outstanding

Schedule "C" - Statement of Recorded Cash Disbursements and Budget Comparison

Schedule "D" - Statement of Contributions from Churches

Our examination was directed primarily to the verification of the financial condition of the Association, and included a general review of the Income and Expense accounts, for the purpose of preparing the Financial Statement for the fiscal year ending September 30, 1974. It was made in accordance with generally accepted auditing standards, applicable in the circumstances, and comprised such test of the accounting records and supporting evidence and such other auditing procedures as we considered necessary.

In our opinion, the accompanying statement presents fairly the recorded cash receipts and disbursements of the New South River Baptist Association on a basis consistent with that of the preceding year.

Respectfully submitted,

Julian C. Odom
Public Accountant

REPORTS

CHURCH DEVELOPMENT

The program of Church Development for the New South River Baptist Association suffered a great loss during the year in the death of Bill Ross, the beloved and much respected director. Death came as no surprise to him as evidenced by the preparation he had made for an extraordinarily equipped and competent group of volunteer workers to carry out programs and activities even without a director.

That committee leaders continued to provide consultation for individual churches, that conferences were conducted for leadership skill development and training, that committee members and leaders participated in administrative and methods conferences at state and denominational assemblies and countless other evidences all attest to the enthusiastic way Bill prepared for a continuance of the work of church development.

In the same spirit that permeated the work and life of Bill Ross, we in the Church Development Program acknowledge and affirm the guidance of the Holy Spirit in the challenge we face.

What more joyous proclamation could be made in the year of celebration of our nation's birthday than to **Let Christ's Freedom Ring.**

The many persons who share in the Church Development Program will be striving to make this denominational theme a meaningful reality in the lives of the people in the churches of the New South River Baptist Association.

I'm grateful for the privilege of assuming the responsibility so ably conducted by Bill Ross and solicit the prayers of all Christians as we project the Lord's work for the coming year in our association.

Respectfully submitted, Ben J. Connell, Director

SUNDAY SCHOOL

We of the Sunday School along with everyone in the Association suffered a great loss in the death of Brother Bill Ross, but thanks to his careful and concise planning and sharing these plans with us, even in Baptist Hospital, we were able to complete what he had planned and report them as being successful before he passed away.

During this church year we have had one Teacher Improvement Clinic, four Pastor-Director Workshops, one Area Preschool Conference, and two Update Conferences (new administrative book study). We feel that all of these workshops and conferences were very successful, and to use Harry Clarke's words, the Update Conferences were "Quality" due to the interest shown by those who participated.

Brother Ben J. Connell came to us in July and began planning immediately. We have scheduled, with assistance from the State Convention, three one-night workshops.

One is scheduled for Pastors, Directors, and Ministers of Education on September 4th. Another scheduled for workers with Children and Adults on September 11th, and the third one for workers with Pre-School and Youth on September 25th.

Our hope is that is the individual churches have Sunday School problems in the coming year, they will be in touch with us, and we pledge to assist them to the best of our ability.

Respectfully submitted, Edward A. Rasberry, Director

EARLY CHILDHOOD EDUCATION

The membership of the Church Weekday Early Education Association is composed of persons who are engaged in ministering to preschool children in day care, kindergarten, and nursery care. There are fifty members representing fourteen churches.

The group has been inactive during the past year but plans are being made to provide assistance to churches in this vital area of ministry.

CHURCH TRAINING

The churches will pay the consequences if we do not have an effective training program.

Your associational Church Training and Ministries Department is anxious to assist each local church in exploring and discovering the most effective training program for your church.

In order to offer this effective assistance to the local church the department is following the state format and combining training and ministries. We will have church member training, new member orientation, and church leader training along with administration and special ministries. This approach seems to offer the local church all of the resources needed to provide the names of training – "equipping the saints."

W. H. Ledbetter, Director

CAMP COMMITTEE

300 Campers and staff members attended Youth Camp - 1975 at Wingate College this year. Biblical study centered in classes held each morning and worship services in the evenings. Rev. Larry Bruton and Mrs. Bruton led several mission periods while Mr. George Cowsert, Missionary to Brazil, conducted the final missionary study. Spiritual growth continued through recreation and music. The highlight of these two events took place on Thursday night with a water-balloon fight refereed by Mr. Larry Harper. (The Camp Director, Craft Leader, and Chaplain ran the gauntlet). Following the water-balloon fight nearly half the campers met for a 'sing-along' around the big bonfire.

We agree with Mr. Harry Sherwood, Wingate College representative, that this was the best group, the best organized camp, and the most successful camp effort ever. We read in letters from staff members such remarks as: "I have never felt so close to God," "This camp was truly a successful one." The success was evident in the 35 professions of faith and 95 rededications.

Although the camp closed on August 8th, the spirit of the camp continues. One church reported that there were seven members in the family of one camper who surrendered to Christ on the first Sunday after camp.

We are already thinking about next year's camp. We hope you are too.

CHURCH MUSIC COUNCIL

Your Church Music Council has been privileged to serve many of you in the past year. We have assisted in the selection of music for purchase, supported you by the loan of music, given instruction to some graded choir workers, assisted some in the scheduling of guest musical groups, and planned the music for a number of Associational functions.

We are here to help you whenever possible. Please feel free to call on us.

Terry Terry, Chairman of Council

SEMINARY EXTENSION

Seminary Extension work is taking on new meaning in the life of our association. Plans are being developed for increasing the availability of learning opportunities through this vital denominational program during the new church year.

Lake Lynn Church is providing a program of studies with Dr. Ruth Martin of Pembroke State University teaching the courses. Additional offerings are made through the Cape Fear School of Theology.

Special assistance in planning for this area of work is being requested through our North Carolina State Convention and the Seminary Extension Department of the Southern Baptist Convention.

Harold Bridges, Chairman of Committee

BROTHERHOOD

This has been a good year for brotherhood work across our association. We held our annual Brotherhood Workshop on last October 8th at Walstone Church with forty in attendance. During the year our Associational Brotherhood Staff was invited into fifteen of our churches to conduct workshops in different phases of the program. In the coming year we are looking to greater days for work with men and boys.

Harold Bridges, Director

WOMAN'S MISSIONARY UNION

God has richly blessed our work in the association this year. With His guidance we hope to accomplish greater things in the future.

The year 1974-75 began with our WMU Leadership Conference which was held at Macedonia Baptist Church with a very good attendance.

Our annual meeting was held at Salemburg Baptist Church on October 14 and 15. The theme interpretation of "Share His Love Now" was presented by the host church. Special music was presented by Mrs. Eldridge Starling and Mrs. Carol Western. The guest speaker was Dr. John Hughston, Director of Greater Boston Ministries, who brought an inspiring message on the work which was begun 10 years ago in this large city and how he was called to leave his place of service to begin his work in Boston. He stated that there was much to be done in this area. He also thanked Southern Baptists for the support given him through the years. Special prayer was asked at this meeting in memory of Rev. Bill Ross and asking strength and comfort for his family.

Miss Becky Graham of Central Baptist Church was the winner of the Co-operative Program from this association. She was given special recognition at the State WMU Meeting in March.

The WMU sent $50.00 to Baptist Hospital in memory of Rev. Bill Ross. $200.00 was given to the acteens of the association to defray expenses to Ridgecrest. A scholarship of $250.00 was awarded to Miss Kim Williams of Temple Baptist Church.

A Prayer Retreat was held at Calvary Baptist Church in May. This was a blessing to all that attended. Miss Marjorie Spence, retired Missionary was guest speaker. She brought a wonderful message on "The Answer to Prayer."

The WMU Watchword for 1975-76 is "Where the Spirit of the Lord is, there is Liberty" and the hymn for the year is "My Country, 'Tis of Thee." This is in keeping with our bicentennial.

Thanks to the Executive Committee, Associational Office and the churches in the association for the support they have rendered this past year.

Respectfully submitted, Mrs. Clarence E. Mercer, Director

EVANGELISM

All churches will receive Proclamation '76 Planning Calendar booklets for 1975-76 and other revival materials. Each association is encouraged to plan a Simultaneous Revival among the churches during the spring (March or April) of 1976. If you do not have Simultaneous Revival, every Baptist church is urged to plan a dynamic revival effort in the spring of 1976.

The continuing response of youth and adults to Lay Evangelism Schools has been significant. In the past 3½ years, 12,774 youth and adults have shared in this lay witness training from 1,007 churches and 55 associations. Also, 107 pastors from nine other associations have participated in Pastor's Retreats dealing with Lay Evangelism Schools. Five other associations have planned Lay Evangelism Schools during the fall of 1975.

"BE RECONCILED TO GOD AND MAN" was the theme of the 29th Statewide Evangelism Conference at War Memorial Auditorium, Greensboro, February 3-5, 1975. Over 2,400 pastors and lay persons heard excellent speakers emphasize various phases of evangelism.

Youth Ministries Week was held at the N. C. Baptist Assembly during June 9-13 for 520 youth and adults with the emphasis on evangelism, vocational guidance, and recreation.

About 11,000 youth, pastors and adult leaders attended the 5th Statewide Youth Evangelism Night, Aug. 15, at the Greensboro Coliseum. Dr. Bill Self, Atlanta, Georgia, was the guest preacher, and Bill and Linda Cates were the guest musicians. Christian youth continue to share a strong witness for Jesus Christ across our state.

The Division of Evangelism is cooperating with the Brotherhood Department in Lay Renewal Weekends and Renewal Evangelism.

Let us rejoice in the leadership of the Holy Spirit in wonderful revival meetings, city-wide crusades, and evangelism clinics during the past year.

The 30th Statewide Evangelism Conference will be at the Civic Center Auditorium, Asheville during February 2-4, 1976.

An effort has been made through your local evangelism committee to bring about an increased awareness to the local church of opportunities available through local and state evangelism programs. With this in mind each church was asked to elect or appoint a lay evangelism chairman who was invited to attend an inspirational and informational dinner. The response was good, local and statewide plans for evangelism were discussed for the year.

Many of our pastors will attend a prayer retreat under the direction of Miss Bertha Smith to be held at Camp Dixie on September 22, 23 and 24.

Plans have also been made for an Associational Wide Evangelism Rally at Snyder Memorial on October 7, 1975.

Remember to pray daily for the work of evangelism in all the churches of our state, nation and world.

Respectfully submitted, Mack Roberts, Evangelism Chairman

THE CHRISTIAN ACTION LEAGUE

The Director of the Christian Action League, and our new President, Bill Wallace, wish to express deepest appreciation to the many friends and supporters of the work of the League in the New South River Baptist Association. Our program depends upon you for its success. You provide the money, you furnish the prayer support, and you furnish the "clout" which the League has in its efforts. With trustees and friends and supporters in every Association in the State, we have a broad base of support. As we do the work of God in North Carolina, we are so very conscious of our dependency upon Him and for the wonderful way in which you have supplied our needs.

The General Assembly has been in session this year. A bill was introduced by Representative Dan Lilley of Kinston to close every beer joint in North Carolina at midnight. Under the present law these places can stay open until 2:30 in the morning from the last Sunday in April through the last Sunday in October. The bill failed to receive enough support in the House ABC Committee to pass.

A bill was introduced by Representative Jimmy Love of Sanford to strengthen the state-wide statute regulating the flow of pornography. This proposed change would have given the District Solicitor discretionary power in the matter of the adversary hearing, and would have defined hard-core pornography in the Public Nuisance Section of the Law. This bill also failed to get the nod of the House Judiciary One Committee. We will be back in a later session with both of these concerns.

We continue to need your support. The most dependable thing to do is to place the Christian Action League in the budget of your church for a definite amount each month. As you do this, we will continue to be able to serve.

The League will be promoting Alcoholism Awareness Sunday in January and Highway Safety Sunday in August. Your support of these two efforts will help to save the lives of multitudes of innocent people in North Carolina. God created human life and thereby made it sacred. We are to recognize the sacredness of human life and seek to preserve it for God in every way that is possible.

CITY AND METROPOLITAN MISSIONS

The acceleration of urban growth in North Carolina is expected to continue. We are not a state of great cities; however, we are urban to the core in our population from the mountains to the sea. There is a marked rate of mobility of decentralization from central city to suburbia. There is a rising promise of megalopolises tomorrow - cluster cities along highways. This is becoming visibly evident in Charlotte-Gastonia area, High Point-Greensboro-Winston Salem area, Durham-Chapel Hill-Raleigh area and to some degree in other areas of the state.

Some may ask what does urban growth have to do with church ministry? We should never forget that the church cannot minister apart from its social context - people. The church must set itself to the task of involvement in Christian ministry with people. The place of the people is the place of ministry. We minister to people.

In the dichotomy between doing the gospel and talking about the gospel, it should be remembered that one deed of love is worth a thousand words about deeds of love. One experience of the gospel at the hands of a fellow Christian is worth more than a thousand words about how wonderful the gospel is.

The church's ministry may be affected by the structures in its midst. However, the church must minister in the context of both poverty or affluence. It must find a channel to convey its concern and ministry. The size of the metropolitan area (city-county) in which it serves does not necessarily determine the problems and needs. The only difference between the small and large urban area is simply one of degree. The larger the metropolitan area (city-county) simply means the gresater (larger) degree of problems and needs - the greater the challenge of ministry.

The association and all denominational bodies exist to assist and enhance the ministry of our Lord through his church. The future will be different if we make the present different. Let us arise and be involved in ministry in all areas of our state and the world.

"Ye are witnesses unto me" - "Go" - "make disciples." The individual, the church, the association or the denomination that loses its life in ministry will save it.

The purpose of the Metropolitan Missions Department, in spite of the complexity of the urban environment, is to continue to bring men to God through Christ and to relate them to a church and in that fellowship develop them into mature Christians who may participate in the mission of Christ in the world. This is sharing Christ Now!

Rev. Ernest Upchurch, Department Secretary

BIBLICAL RECORDER

Baptist State papers claimed more attention than usual at the 1975 meeting of the Southern Baptist Convention in Miami Beach this year. In the celebration of the 50th Anniversary of the Cooperative Program, it was revealed that they had played a tremendous part in the growth of our denomination. Louie D. Newton, denominational statesman and former editor of Georgia's *Christian Index,* introduced all the 33 editors of state papers and made a comparison of circulation of each in 1975 with that of 1925 when the Cooperative Program was born. Many were not in existence at that time, however, but this in itself reveals something of Southern Baptist growth.

In giving a special committee report on state papers, H. Franklin Paschall, pastor of First Church Nashville, Tennessee, reported that present circulation is 1 and 3/4 million and recommended that the convention reaffirm its goal of getting a state paper into two million Baptist homes by 1980. The committee recommended a vigorous campaign in all states to help accomplish this, and also recommended that state papers be incorporated in all local church budgets.

The *Biblical Recorder* is one of those 33 state papers, and one of the oldest, and we hope, one of the best. In spite of continued problems for religious publications because of inflation, and skyrocketingpostage costs, the circulation of the *Recorder* remains above 112,000. Congregations including it in their budgets for all their families are the ones which have an informed membership. It is our hope that North Carolina churches will take seriously the recommendation reaffirmed at the Southern Baptist Convention that state 1a1ers be incorporated in local church budgets for all their member families. Already more than 1,000 churches in North Carolina are doing this, and more congregations do so each year. Pastors and deacons should initiate such action, and it should be supported by all the organizations in the church.

The *Biblical Recorder* has covered many sensitive issues this past year. Words of appreciation have come from Baptist people all across the state, for they are aware that "an informed people is the bulwark of Baptist democracy."

The *Recorder* continues to operate on a limited budget, and with an altogether too small staff. Local churches can help us by understanding these limitations, and by renewing their subscriptions promptly.

Ray K. Hodge, pastor of First Church, Kinston, says: "One of the easiest tasks I have had as pastor is to lead churches to include and keep the denominational paper in the church budget. It is such a bargain that trying to save a few dollars (by not subscribing to it for our families) is too costly. It would be like saving the expense of regular visits to the dentist, only to pay more in various ways later."

His advice is well taken.

BAPTIST HOSPITAL

There have been many significant developments, in several different areas, at your Baptist hospital during the past year.

By the time this report is read the new ambulatory care unit will be open, making possible enlarged and improved services for the Emergency Room, Out-patient Clinics, Physical Therapy and other departments. Renovation of the West Wing will be complete and renovation on the South Wing will begin in early August. The third floor of the Progressive Care Unit has been remodeled to provide 26 beds, therapy room and other improved facilities for Psychiatric services.

The long-awaited EMI scanner is now in use and is already proving beneficial in detecting blood clots, tumors, strokes and other abnormalities of the brain.

A Family Practice Center opened July 1, 1975 to offer more primary medical care for patients and also to provide specialized training for physicians who choose to enter Family Practice.

During the year the hospital had its biennial review by the Joint Commission on Hospital Accreditation. All areas of operation received an excellent report, but physician service, nursing service and administration all received especially high commendation.

Despite the continued rise in costs for services and materials the hospital has been able to operate in the black. The administration and department heads confer frequently and make diligent effort to see that the hospital operates as efficiently and economically as possible.

Gifts from the Baptist churches have been very gratifying. During the calendar year of 1974 the hospital received $258,898 through the Cooperative Program and $392,000 through the Mother's Day offering. Hospital staff members have participated in Cooperative Program promotion in cooperation with the State Convention Division of Stewardship and Cooperative Program Promotion.

The Department of Pastoral Care has opened a counseling center in Raleigh, its second satellite center. Plans are developing for a third satellite in the western part of the state, The Department has established a scholarship fund as a memorial to Dr. Richard K. Young, the department's first director, who died December 31. Full re-accreditation was given the School of Pastoral Care in December by the Association of Clinical Pastoral Education.

During the past year Mr. Reid T. Holmes retired as president of the hospital after serving in the hospital administration for 29 years.

HOMES FOR THE AGING

There has never been a year in the history of your Baptist Homes when more people have sought the services of the Homes. This has been true particularly of the aging sick person. Almost daily calls come from older persons, and their families, inquiring about admission to one of your five resident Homes and the skilled nursing care facility of the Homes.

Today there are some 21,000,000 Americans 65 and above, and this number, it is anticipated will grow by over 300,000 a year in the years ahead. The needs of aging people are overwhelming and we must strive diligently to meet those needs.

Although we can minister in our North Carolina Baptist Homes to only 230 persons at any given time, we have served hundreds of aging people through the twenty-four years that we have been on the scene at Resthaven, the Hayes Home, and the Nursing Care Unit in Winston-Salem, and in our homes at Albemarle, Hamilton, and Yanceyville. As God continues to bless us and lead us, we will make every effort to expand our ministry and to reach out and help as many older persons as possible in the years ahead. We can do this only by the grace of the Lord and by the increased concern and giving of our Baptist people.

Gifts for 1974-75 from our Baptist churches, through the Cooperative Program and through the 3rd Sunday of February offering for the Homes, reflect a very encouraging increase. This is great and we are grateful especially since four out of every five persons who live in our Homes depend upon these love gifts for their care! Your love gift is a life-line to these deserving older persons and they could not be cared for in the majority of cases if it were not for you.

Signs on the horizon indicate that we will need greater financial support for our Homes for the Aging from our Baptist people than ever before.

The most exciting development in the family of your Baptist Homes for the past year has been the experience of obtaining one of the most beautiful locations in the Blue Ridge mountains of North Carolina for the proposed Western North Carolina Baptist Home. This site is a twenty-one acre tract of land overlooking the city of Asheville, better known as the Pearson Estate, on Richmond Hill in Northwest Asheville. God Himself, we feel, has guided us in discovering this beautiful site.

Plans are in the making now to raise $1,000,000 for the construction of this new proposed Western North Carolina Baptist Home. These plans initially will include 50 rooms for residents, with living room, dining room, library, chapel and activities room, and other necessary rooms. With the completion of this Home, North Carolina Baptists will be enlarging their base of ministry to almost 300 persons and older people from Western North Carolina will have a facility to serve the hundreds in their area who will need the service of this lovely facility now and in the years to come.

Pray for the ministry of your Baptist Homes for the Aging. Give as liberally as possible that the overwhelming needs of older people in our midst might be met more adequately. Visit the Homes and see first-hand the personal joy that your gifts bring. Know that your ministry to even one of these dear older people is a ministry as unto Christ Himself.

CHRISTIAN HIGHER EDUCATION

Baptist colleges in North Carolina see themselves as active participants in the Christian mission to share the Gospel of Jesus Christ with all people everywhere. In addition to the important role of preparing future lay leaders for local churches, the colleges continue a strong emphasis upon ministerial and church related vocational training.

In April of 1975, our seven colleges reported a total of 715 persons who were preparing for careers in church leadership. Most of these persons will complete their preparation by attending a seminary. Southern Baptist seminaries listed an enrollment of 303 graduates of North Carolina Baptist Colleges in the spring of 1975. The Foreign Mission Board has under appointment 152 of our graduates at present, more than 6% of the total number of current missionary personnel. In addition, a significant number of Baptist college trained persons serve in strategic posts with the Home Mission Board, Baptist state conventions and associational missions throughout the Southern Baptist Convention. Baptist colleges students receive excellent experience and training for church and missionary service through Baptist Youth Corps. Approximately 100 Bap-

tist college students were assigned to churches for the summer of 1975. The colleges furnish one-half of the Youth Corps worker's salary, and thus enjoy a vital partnership with churches and students in summer mission work.

With the exception of what students pay, the Cooperative Program continues to be the largest single source of annual income for our colleges. In these days of financial uncertainty, the colleges are grateful for the level of support which North Carolina Baptists have maintained. During 1975, the anticipated Cooperative Program budget for the colleges will provide: Campbell College, $416,066; Chowan College, $263,333; Gardner Webb College, $329,166; Mars Hill College, $360,776; Meredith College, $360,776; Wake Forest University, $639,900; and Wingate College, $263,333.

It is accurate to say that the ministry of North Carolina Baptist colleges, as we know it today, is the direct result of Cooperative Program support.

Another way the churches help to relieve the colleges' financial burden is through the annual offering on Father's Day. Designated for student aid, this offering gives much-needed assistance to many students from Baptist churches, making an education on a Christian college campus possible.

Pastors and other church leaders can assist their young people and our colleges by encouraging attendance at a Baptist college. Information is available in brochure form, free of charge, from the Council on Christian Higher Education of the Baptist State Convention in Raleigh. Each of the colleges pledges to North Carolina Baptist young people that no qualified student will be turned away for purely financial reasons. Through grants, loans and work scholarships, an education is available for anyone who seriously seeks it.

North Carolina Baptist colleges are committed to Christian values, and to an active partnership with their fellow-Baptists in evangelism, missions, education and social concern.

Your Baptist colleges sincerely solicit the supportive prayers of North Carolina Baptist churches, that we will be aware of and receptive to Divine guidance in performing the work which we have been given to do.

FOREIGN MISSIONS

All newly appointed Southern Baptist missionaries attend the Foreign Mission Board's Missionary Orientation Center at Callaway Gardens, Georgia, for fourteen weeks of intensive orientation for overseas service. Dan and Linda Rupp were among seventy-four new missionaries who recently completed orientation. In their first newsletter they share some of their impressions.

"We must say a sincere "Praise the Lord", a hearty "congratulations" to the Foreign Mission Board, and a great big "Thank You" to Southern Baptists for our program of missionary orientation. Our training and experience will be invaluable in getting off to a good start in our work as your missionaries in Colombia, South America. We are blessed with top-notch speakers, including missionaries on furlough, staff members from the Foreign Mission Board, specialists in anthropology and linguistics, and seminary professors. We quickly came to love our Director of Missionary Orientation, Dr. David Lockard and his wife Susi, and our Co-Director, Dr. H. L. Hardy and his wife Nell.

"We made special studies of our own target country and viewed films on most areas of the world. We studied at length the New Testament concept of the church; mission philosophy, strategy, and methods; phonetics; and factors in becoming bilingual. We learned about animism and world religions. We shared Bible studies in areas such as missions, the church, theology, and servanthood. We were introduced to cultural anthropology as it bears on the missionary task, international affairs and U. S. foreign policy, health measures overseas, and basic wriging skills. We learned about and participated in several methods of reaching people with the good news of Jesus Christ, including radio and TV ministries, music, drama and puppetry, camps and retreats, recreation, and chalk talks.

"We were briefed on fiscal responsibility, bookkeeping, and long-range planning. We had the privilege of hosting overseas guests from the Allied Officers School, Fort Benning, for an International Weekend. Our family hosted a family from Peru. We even learned basic auto mechanics and basic first aid, including artificial respiration and emergency childbirth.

"There was some time for recreation, such as ping-pong, bicycling, tennis, and golf. Among the blessings of these fourteen weeks, one of the foremost was building precious friendships with many of the seventy-two fellow missionaries preparing to serve in some thirty different countries. We were blessed by the dedicated staff at the Missionary Orientation Center, and by the wonderful people we met in churches throughout the area."

U. S. CHRISTIANS CHALLENGED TO MINISTER TO REFUGEES

It is up to Christians in America to complete the ministry and witness to refugees which the missionaries in Vietnam and Guam have only begun, according to two Southern Baptist missionaries evacuated from Vietnam.

Much of the soil of the Vietnamese hearts is already prepared for the reception of the Word of God. The spirit with which Americans receive these refugees will determine - to a great extent - the Vietnamese people's response to the gospel message", said William T. Robertson, who has been working in Guam following his evacuation.

Many Vietnamese want to locate in the southern areas of the United States, where the climate is more comparable to that of their native country; therefore, in southern states especially there will be opportunity to serve, he said.

James H. Lassiter, another missionary who worked in Guam following his evacuation from Vietnam, now assisting refugees at Camp Pendleton, California, agreed that helping a family become settled and begin work is one of the best ministries an individual or group can provide.

"People need to realize that the Vietnamese people want to be on their own", he said. "It is not their desire to be dependent on anyone. They want to get a job. Anyone who's not going to help them do this is going to be doing them as much harm as good.

"They don't need a sponsor with an overcoddling attitude", Lassiter said. "Whatever you do for this person, make sure your maximum effort is spent in helping them become self-sufficient in America", he added.

Ironically, at first they will be totally dependent. They will need help in everything-getting food, clothing, learning the language. A sponsor or anyone assisting them should always have in mind that the refugees gradually should become less and less dependent, according to Lassiter.

Lassiter encouraged individuals interested in sponsoring refugees to do so through their church. He explained, "The actual sponsor ought to be a church, even though an individual in that church is actually doing it.

"It looks much better to the people determining the validity of sponsors to find that a group, per se, is assuming responsibility for that family."

Among the problems facing refugees which potential sponsors need to understand include climate adjustments, response to America's affluence, the problems any minority group faces and the anxiety of leaving relatives behind.

Underscoring the importance of Christian sponsors, Lassiter feels it is important for the people who sponsor the Vietnamese to be people who care and who love.

Those who haven't had a great deal of training with the Vietnamese don't know specifically how to help, he said, "And the only thing that's going to overcome a lack of knowledge is a great deal of love."

STATE MISSIONS

Southern Baptists' compassion for world missions must also include the real needs of our own counties and state. State and associational missions are indeed part of the world mission imperative. Without neglecting distant lands, we must continue to build a strong state missions program throughout the state.

State Missions can be divided into two major categories: (1) strengthening ministries and (2) lengthening ministries.

Strengthening ministries help develop local church organizations such as Sunday School, WMU, Church Training, Brotherhood, etc. These programs enable local churches to realize their own mission potential. Workshops, seminars, and conferences are conducted throughout the year for the development of local church programs.

The second type of state missions are those ministries that lengthen the local church's witness. These are cooperative efforts requiring the resources of more than one church or association. Examples of these programs are resort missions, deaf ministries, chaplaincy ministries, city and metropolitan missions, church loans and lot aid, seminary extension, migrant missions, etc. Many of these ministries are co-sponsored by district associations and the Southern Baptist Home Mission Board.

All state mission ministries are in some way cooperative efforts of local churches and associations. Church and associational development, in fact, is one of the primary goals of state missions in North Carolina. The purpose is to build strong "mission stations" across the state as a foundation for the overal support of world missions, christian education, and benevolences.

State missions in North Carolina is supported by the Cooperative Program and the annual State Missions Offering in September.

DIRECTOR OF CHRISTIAN SOCIAL MINISTRIES

Christian Social Ministries continues to be a "well without a bottom," a challenge greater than the imagination, and an opportunity that is still outside the door knocking and begging someone to open the door. An opportunity so great that the work of one man or even a small group of people is hardly noticed. An opportunity that is big enough to utilize the best efforts of our 78 churches and missions and their 30,000 members.

It is an opportunity to let the people who live around us know that Christians care about them -- not because they are potential members of our church or because we can chalk up another victory for winning someone to Christ – but because they are a being created and loved by God. People respond to a love that loves them as they are and in our Christian Social Ministries this year. 143 have responded with first time decisions to follow the God that loves them regardless of where they may be at a particular moment in life.

The majority of my time this year has been spent with the Samaritan Goodwill Centers and with the Shaw Heights Mission Center. The year has been extremely difficult financially for the Samaritan Goodwill Centers and it has been only during the past quarter that we have been able to stabilize the financial situation and make some positive gains.

The picture at Shaw Heights has been an emotional one. First of all, the adjustment of a new leader and the pains that go with this process. Now comes the adjustment of the resignation of the director and the bewilderment and frustration that goes with this loss.

For the year ahead I will plan to spend the thrust of my effort with mission center work and with Shaw Heights. However, this does not mean less energy will be involved with the other Christian Social Ministries projects. Instead I would hope there would be a strengthening in all our areas of work. This will be especially true as more of you commit your efforts and abilities to letting others know that Christians really do care about them and their problems.

Respectfully submitted, Ron Pinkerton

SAMARITAN GOODWILL CENTER

Our homes for the past year have been filled to capacity. We have used 22,000 beds and served 66,000 meals.

"Operation Dayhouse" was also added to our homes on April 1, 1975, placing us in a better position to serve men and women of our city and county. With the additional aid of our vocational Rehabilitation Program, started in August, this also allows us to provide our clients with training for future job placement.

We know none of this would have been, had you folks, as Christians, not given your support in prayers and love for those who are seeking the peace and love which we realize only God can give.

Respectfully submitted, Claude A. Carter

PRISON MINISTRY

In the past year, we have seen God's plans at work on the expectations of the jail ministry.

In June of this year, our prayers for a chapel for this purpose were granted. This has brought much joy to us, and we trust it has to you. We feel so great a need for the Word to be presented to these people, a large percentage of which are young folk.

It is our request that you please continue your prayers and support, that God's work will grow more each day.

Respectfully submitted, Claude A. Carter

MOBILE HOME MINISTRIES

Again this year a college student worked with us in the Mobile Home Ministry. This was possible through aid received from city and Metropolitan Mission Department of the Baptist State Convention.

The students assignment was to work with churches doing backyard Bible clubs and other ministries in mobile home areas. A survey in early June revealed only one church was planning to do this type of ministry.

I believe a workable approach is available to churches interested in mobile home or apartment ministries. If there is interest in your church in ministering in these areas, contact the associational office and arrange a time for me to meet with your group.

Respectfully submitted, Ron Pinkerton

HUMAN RELATIONS

Growth is continuing to occur in the area of interracial cooperation. This is evident by the broader involvement with the Laymen's League of the Union Baptist Association in the Brotherhood Sunday, the first Sunday in February, and the week of revival meetings in June. The joint meeting of the Union Association and the New South River Association is continual evidence of growing cooperation.

Joint committees continue to meet to work out a greater mutual understanding and enrichment.

Respectfully submitted, Ron Pinkerton

SHAW HEIGHTS MISSION

At the closing of the year we have 95 resident members, and 30 non-resident, making a total of 125 members. We had 11 new members during the year, 10 came by letter, 1 by statement, and we had 10 members to letter out.

Lawrence Bruton came to Shaw Heights as the first "Pastor-Director" of the mission. He served from December 1, 1974 to September 1, 1975. It was his first pastorate. Ron Pinkerton, Director of Christian Social Ministries for the New South River Baptist Association, is now serving as acting director.

Mr. and Mrs. James Lowe are on loan to us from Eutaw Heights Baptist Church, and Mrs. and Mrs. Elmer McGlothin have come, in the same capacity, from Snyder Memorial Baptist Church.

The mission is offering at this time, besides the regular worship services, a sewing class on Tuesday mornings, taught by Mrs. McGlothin, and a baby-sitting service for the mothers each Thursday morning.

Respectfully submitted, Mrs. Julian Odom

DEPARTMENT OF CAMPUS MINISTRY

Although there are almost thirty of us attempting some distinctly Christian witness as Baptists or with BSU on the campuses of North Carolina, we know that we cannot do the job alone.

There will be worship periods, study sessions, fellowship hours, missions opportunities, outreach and witness groups, and attempts to make our faith "applicable" to college life from Cullowhee to Wilmington. Chaplains will be seeking to project a ministry to faculty, administrators, internationals, married and graduate students as well as undergraduates. Students will give over $7,000 for missions and send their fellows around the world as witnesses. Baptist faculty and local pastors will join us in teaching, leadership training and deepening of Christian commitments.

Of equal significance in reaching students, however, will be the work of pastors, Sunday School teachers and other committed Christians in the churches from which these persons come. It is our hope to work together in a number of ways during the coming year to strengthen each other and seek even more effective ways of service.

BAPTIST CHILDREN'S HOME

Christian child care provided by the Baptist Children's Homes of North Carolina is a cooperative mission. It was through the life, teaching and ministry of Christ and under the leadership of the Holy Spirit that North Carolina Baptists launched their child care ministry 90 years ago. Today it is recognized as one of the outstanding ministries of its kind in the nation.

New and exciting developments are in progress throughout the state. During the past year emergency shelters were opened in Charlotte and Forest City to meet the needs of children requiring immediate assistance. Both Broyhill Home and Mills Home will have a new cottage for children constructed during the next year. Progress is being made to expand facilities at Odom Home. Increasing numbers of families are opening hearts and homes for the care of foster children. All of these indicate a living, vital and growing ministry to people.

At Kennedy Home during the past year, an exciting development has occurred in a special grou-therapy program for a small number of boys. The boys who have completed this program have shown encouraging progress in learning to cope with their problems, so much so that there is a strong request from members of our staff to begin a similar program for girls in the fall of this year.

The award winning film, "The Mountain Within," meets with praise and appreciation wherever it is shown. It will continue to be available by request, either to the Communications Department of the Baptist State Convention or to the Children's Homes.

A cooperative mission requires that the parties involved have a clear, common purpose to which they are firmly committed, undergirded by mutual trust, and clear communications. These factors characterize the relationships between the Baptists of North Carolina and their Children's Homes. Through the Cooperative Program and the Thanksgiving Offering. Baptists throughout the state can share a commitment to Christian child care. In response, the staff of the Children's Homes is committed to translate this support into a dynamic ministry of love and concern for children and families in need. With God's continued blessing we will move together to fulfill our mission.

THE RADIO AND TELEVISION COMMISSION

Your Radio and Television Commission is on the threshold of reaching out through videotape to reach additional hundreds of thousands of unsaved individuals with the Gospel of redemption. In just a few days, the new 3 million dollar videotape production studio and training center will be started. It heralds a new day for Southern Baptists in a ministry available through television.

Also undergirding the Radio and Television Commission's future is the fact that its electronic media ministry is performed in the name of the growing, Bible-believing Southern Baptist denomination. Doors are opened to this denominational agency which remain closed to other religious broadcasters, and audience acceptance enjoyed by Commission programs is unprecedented.

The Commission has learned the importance of mail response to its programs and does everything possible to trigger this response. Then, as a result of receiving such mail, the Commission can send out even more printed material which deals directly with the Christian life and with salvation through Christ.

Commission records indicate that in the past 10 months, October, 1974 - July, 1975, there have been 217 individuals accepting Christ as Saviour as a result of one of the programs, 642 rededicating their lives to Christ, and 560 requesting more information about becoming a Christian. There were 143 "decision coupons" returned which left the decision unclear, for a total of 1,562 decision responses.

A new evangelistic series called "The Athletes" is moving toward completion with a launching date of January, 1976, planned now. There will be 13 quarter-hour episodes in the series when finished. The athletes featured speak of their place in the sports world, and their relationship to Christ.

The "Human Dimension" series also will be adding 13 new half-hour films to television early next year. This series portrays contemporary problems and Christian solutions.

The two newest radio programs produced and distributed by the Commission are "SoulSearchers," now on 50 black stations with excellent response, and "Night Song," a 15-minute stereo music program featuring The Centurymen (199 voice Commission singing group) and played five nights a week between midnight and seven a. m.

The Radio-TV Commission currently produces and distributes 3730 programs weekly for broadcast throughout the world to an estimated 100 million listeners and viewers. The value of the public service time given to these programs last year by commercial stations came to more than nine million dollars.

It is gratifying to see how God has blessed the efforts of the Radio and Television Commission through its 20 years in Texas. The denomination owns a tool which will enable it to touch people who are virtually beyond the reach of all but electronic media.

The Southern Baptist Convention of which we are all integral parts, is on the verge of possessing one of the finest videotape television production facilities in the world. Let us all use it, locally and nationally, to extend the Good News of Christ to the far corners of the world.

BAPTIST FOUNDATION

As revealed through a Sunday School lesson during the past year, a good foundation of discipline and training in Spiritual matters is necessary for a young life to develop in a way to withstand the pressures of life during periods of stress and strain. It is almost trite to refer to the need of a good base or foundation for any activity or project contemplated in this life. Not in any way is there a difference for a need of the Foundation, as thought of in terms of the Baptist Foundation, when we consider the future potentialities and needs to sustain and expand mission efforts and services to bring mankind into the influence of the saving grace of God's Son, Jesus Christ.

Chartered in 1919 by the Baptist State Convention of North Carolina, the North Carolina Baptist Foundation, Inc. has sought to assist individuals throughout the state in their estate planning, providing ways to supporhBaptist institutions and mission work on a permanent basis. Property and funds placed with the Baptist Foundation are invested by a convention elected board of directors with the income paid annually to the institution or mission cause designated by the donor.

Individual assistance is provided Baptists throughout the state in the establishment of trusts that not only benefit the donor but also support the Christian ministries of our denomination in a lasting, perpetual way.

During the past two years, $330,070.41 has been given to the N. C. Baptist Foundation, Inc., in the way of annuity trusts. In this type trust, the donors reserve the right to the income from the investments for their lifetime and then the income will be paid to the Baptist cause specified in the original trust agreement. The laws of our land provide to the donor certain tax advantages for the gift portion of these transactions.

Wills still account for a major portion of the funds held in trust by the Foundation. One such gift to benefit mission work from this year forward, came in the form of a farm and other assets given by the deceased. It was determined by the tax records found in this estate, that this person will give annually three times as much for missions through the income from this trust fund, as she was ever able to earn in total wages during any year of her lifetime. So what she could not do for our Lord's work here on earth in her lifetime, she does after her life here among us has ended.

New gifts to be held in trust by the N. C. Baptists amounted to $635,079.57 during 1974-75 fiscal year. Added to the market value of assets held from previous years brings the total value to $2,331,559.67 as of June 30, 1975. Income from all assets held by the Foundation which have been or will be distributed to designated beneficiaries in the near future amounted to $76,257.82 for the past 12 months.

For services offered by the Foundation to individuals or churches, please contact Mr. Edwin S. Coates, Executive Secretary, N. C. Baptist Foundation, Inc., P. O. Box 26508, Raleigh, N. C. 27611 (Telephone No. 919-833-1605). All inquiries and assistance are considered confidential and personal matters.

SUPERINTENDENT OF MISSIONS

So much has happened during this past associational year. So many varied experiences--those of testings of faith, experiences of sorrow and heartache as well as those of growth and joy.

Brother Bill's sickness and death has left its mark on all of us. In it we saw a triumphant faith--to the end. We also saw and realized an undergirding of your love, prayers and concern. The fact of your involvement and personal support in the work across the association even when it seemed most difficult is a factual testimony of your compassion, understanding and love. Thank God for your steadiness in these days.

You encouraged us to fill the vacancy as soon as possible and it seems so definitely that God had a man waiting for us, in the person of Ben J. Connell. Already we have been thrilled at the excitement we sense and the encouragement he has given to our work. There are great things in store for our association in these months ahead.

Brother Ron Pinkerton's work load has been a very heavy one this year--and yet God has been good in blessing his faithfulness and his efforts. We have come to love him and the family so much during these 2 years and we are confident that an even more fruitful ministry is in store for him with us as we labour together.

We have had a change in printers during the year with Mrs. Helen Grooms taking the responsibility Mrs. Helen Rhyne had worked with so effectively about four years. Mrs. Grooms is doing a tremendous job and we're grateful for God's leadership in our securing her.

Mrs. Wanda Brown has recently accepted a position with an accounting firm, a position similar to one she had formerly held.

Whenever changes and adjustments are being made this always makes the work load a little different and flexibility becomes even more a necessity.

How grateful we are to Him also for Mrs. Carolyn Surrett whose ease and flexibility of getting her work done makes it easier to carry the responsibilities that come my way.

Mr. Perry of course is second to none in his bookkeeping responsibilities. He is now working in his sixth year at the task that sometimes I'm sure seems to be a thankless one.

Much has been accomplished this year and the next year looks even more promising.

Please join with us your associational staff not only in a thanksgiving for the past but a more personal commitment to the future, as we more fully become "labourers together with Him."

Sincerely, Charles A. Stevens, Superintendent of Missions

EXECUTIVE COMMITTEE

This has been a very busy year for the Executive Committee of the association. The only regret of the moderator is that more of our churches did not appoint people to the Executive Committee who could and would attend the meetings. The work of the committee is important for it is the governing body of the association between the annual sessions.

A summary of the actions of the Executive Committee for this past year includes:

1. The budgeting of a Downtown Ministries which was a carry-over mandate from the annual meeting in 1974.
2. Larry Bruton was approved as the pastor of Shaw Heights Mission Center (a post that he has since resigned)
3. Rev. Ben Connell was called to become Director of Church Development. This action was necessitated due to the death of Rev. J. William (Bill) Ross on April 15. Bill's death followed a long and difficult illness which he managed in an inspiring manner to all of us. The Executive Committee was moved on several occasions to affirm its continued support to this great servant of our Lord.

Rev. Connell has assumed this post in a challenging manner and in the few months he has been with us has already endeared us to him. We anticipate continued support and growth in this area of our associational life.

4. Mrs. Christine Ross gave to the association all of the books and other materials accumulated by Brother Ross through the years. These were accepted for the association by the Executive Committee and these have been put together with all the audio visual aids and has been named the J. WILLIAM ROSS MEMORIAL MEDIA CENTER.
5. At the Executive Committee meeting on May 5, 1975, there was a recommendation approved for the addition of a RECREATION COMMITTEE to the constitutional list of committees. This would be a committee of nine members serving on a three year rotating basis. Final approval of this constitutional change will be sought at the annual session.
6. Approval was granted to hold - (a) a prayer retreat in September for all pastors. Miss Bertha Smith was secured for the leadership of this retreat. (b) A Missions Conference, April 25 - May 2.
7. Rev. Melvin Brown, clerk for the association resigned this post and Rev. W. E. Pope of Elizabeth was elected on September 8, 1975 to fill the vacancy.

The moderator expresses his gratitude to the members of the Associational Council for their faithfulness to the meetings in which much creative action was "hammered out" before the matters came to the Executive Committee. Also to the very fine staff who lead us so ably and to all the pastors and churches in our association for all their dedication and cooperation.

PRAISE THE LORD! GREAT THINGS HE HATH DONE!

Jeff Roberts, Moderator

ORDINATION COMMITTEE

During this year the Associational Ordination Committee (Examining Council) has been unusually busy. It has been called together several times by churches of the association to consider young men for the ministry -- men called by other churches to serve them and whose home church requested the examination.

After examination by the council members these men were approved as qualified candidates for the gospel ministry and at the discretion of the candidate(s) mother church(es) they could proceed with the ordination of these men:

1. At the last of September 1974 the council met at Salemburg; Rev. Jeff Roberts, pastor, to examine Brother Davis Benton.
2. The Ordination Committee met at the Carroll Memorial Baptist Church to examine Brother Bob Phipps on October 3, 1974.
3. On June 4, 1975 the associational committee met at the Barbeque Lodge to examine two men: Brother Bobby Richardson of the Eureka Church, Rev. Henry Herring, pastor, and Brother Bill Smith of Grace Baptist, Rev. Dwight Cooper, pastor.
4. Our last meeting was held at the Barbeque Lodge to examine Brother Tony Wilson of Mt. Elam Baptist Church, Rev. W. H. Calcutt, pastor. Tony has been called as pastor of the Fellowship Baptist Church at Creedmore.

Sincerely, Bynam Jackson, Chairman

MILITARY MINISTRIES

This past year has been slow in some ways in getting the work with the orientals back into the right perspective.

Our work with the Japanese slowed down considerably and then with no Japanese minister in the seminary for a while and with problems that had developed in their work, it seemed wisest to wait until more positive experiences could be seen developing.

Now we are talking with a Rev. Matsumoto, at Southeastern, who is very interested in working in our area. One of our churches is very concerned and anxious about this possibility also.

The Korean work with Mr. Kim, also a Southeastern student, has been very fruitful thus far. His classes with the Koreans meet on the weekends with about 100 persons involved in worship or Sunday School. Snyder Memorial has encouraged the work by allowing this group to use their facilities on the weekends.

A recent study has been made on the Vietnamese located in this area -- There are some 600 plus of that language group who are in our area and at present there are two Vietnamese ministers in Southeastern Seminary who have been made aware of the needs in our own area.

This next year's emphasis with orientals and/or language groups looks very promising indeed.

Be much in prayer as we even possibly anticipate work with Spanish speaking people also.

Respectfully submitted, Randy Gruber

New South River Baptist Association
Fayetteville, North Carolina 28304

Gentlemen:

We have made a limited examination of the books and receipts of the New South River Baptist Association for the fiscal year ended September 30, 1975.

The following schedules are submitted.

Schedule "A" - Statement of Recorded Cash Receipts and Disbursements
Schedule "B" - Statement of Recorded Savings and Loans Outstanding
Schedule "C" - Statement of Recorded Cash Disbursements and Budget Comparison
Schedule "D" - Statement of Contributions from Churches

Our examination was directed primarily to the verification of the financial condition of the Association, and included a general review of the Income and Expense accounts, for the purpose of preparing the Financial Statement for the fiscal year ending September 30, 1975. It was made in accordance with generally accepted auditing standards, applicable in the circumstances, and comprised such test of the accounting records and supporting evidence and such other auditing procedures as we considered necessary.

In our opinion, the accompanying statement presents fairly the recorded cash receipts, and disbursements of the New South River Baptist Association a basis consistent with that of the preceding year.

Respectfully submitted, Julian C. Odom, Public Accountant
